INDEPENDENT AUDITORS' REVIEW REPORT

The Board of Directors,
Frontier Capital Limited,
7th Floor, Tower-1,
Equinox Business Park,
L.B.S. Marg, Kurla (West)
Mumbai – 400 070

We have reviewed the accompanying Statement of Unaudited Financial Results ('the Statement') of **FRONTIER CAPITAL LIMITED** ("the Company"), for the quarter ended 31st December, 2018, attached herewith, being submitted by the Company pursuant to Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015. This Statement is the responsibility of the Company's Management and has been approved by the Board of Directors of the Company at their meeting held on 14th February, 2019. Our responsibility is to issue a report on the Statement, based on our review.

We conducted our review of the Statement in accordance with the Standard on Review Engagement (SRE) 2410, "*Review of Interim Financial Information performed by the Independent Auditor of the Entity*", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Financial Statements are free of material misstatement. A review is limited primarily to inquiries made to company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement of unaudited financial results has not been prepared in all material respects in accordance with applicable Accounting Standards notified under Section 133 of the Companies Act, 2013 read with relevant rules notified thereunder and other recognized accounting practices and policies, and has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, including the manner in which it is to be disclosed, or that it contains any material misstatement.

Material Uncertainty Related to Going Concern

We draw your attention to Note-4 to the Statement, which indicates that the company has incurred a net loss of ₹ 8.93 Crores during the quarter ended 31st December, 2018 and, as of that date the company has classified all its advances as Non-Performing Assets and the company has a negative net worth of ₹ 55.84 Crores. These events or conditions indicate that a material uncertainty exists that may cast significant doubt on the company's ability to continue as a going concern.
