MUMBAI, JUNE 17 /--/ The Bombay High Court today extended the stay of Jesuit priest and activist Stan Swamy, an accused in the Elgar Parishad-Maoist links case, at a private hospital in the city till July 5 after the medical facility submitted a report saying his health condition remains "critical". Swamy (84) was shifted to the Holy Family Hospital in suburban Bandra for medical treatment from Navi Mumbai's Talaja prison, where he was lodged as an undertrial, following HC's order on May 28.

Swamy, who suffers from several ailments, including Parkinson's disease (a brain disorder) had moved the HC earlier this year through his counsel, senior advocate Mihir Desai, seeking

treatment and interim bail on health grounds. He had tested positive for COVID-19 at the private hospital and was shifted to the ICU.

A bench of Justices SS Shinde and NJ Jamdar said on Thursday that Swamy's latest medical report submitted by the private hospital said while he had recovered from COVID-19, his health condition continued to be "critical" and he "required continued intensive care." "As per the report, there are serious medical issues. In view of aforesaid report, we deem it appropriate to extend the stay of appellant till July 5," the HC said. It directed that the National Investigation Agency (NIA), the prosecuting agency in the case, be given a copy of the medical report. The bench

directed the NIA to go through the report and make its submissions on Swamy's plea on July 3, the next date of hearing. The octogenarian tribal rights activist, who hails from Jharkhand, was arrested in October 2020 and has been in jail since then. The Elgar Parishad case relates to alleged inflammatory speeches delivered at a conclave held at Shanidarwada in Pune on December 31, 2017, which the police claimed triggered violence the next day near the Koregaon-Bhima war memorial on the western Maharashtra's outskirts. The Pune Police had claimed the conclave was backed by Maoists. The NIA later took over the probe into the case in which several activists and academicians have been named as accused. (PTI)

# Ghaziabad case: Local leader booked over 'communal' video, FIR says Facebook didn't fact-check clip

GHAZIABAD, JUNE 17 /--/ The Ghaziabad Police has booked a Samajwadi Party worker here over a "communal video" of an elderly Muslim man alleging attack by some young men, with the FIR also mentioning that Facebook let the "misleading" clip circulate without making efforts to verify it. The FIR, however, does not mention Facebook as an accused in the case in which opposition Samajwadi Party's worker Ummaid Pehelwan Idrisi has been charged with promoting enmity and breach of peace by circulating the video on social media and giving it a "communal colour".

On his Facebook account, Idrisi identifies

himself as a Samajwadi Party worker and has posted purported pictures of him with party chief Akhilesh Yadav. Requesting anonymity, an SP office-bearer confirmed that Idrisi was a member of the Ghaziabad Development Authority (GDA) board during the SP government, and is still a party worker. The case was lodged at the Loni Border police station Wednesday evening, a day after the Ghaziabad police booked Twitter, a news website, some journalists and opposition Congress politicians, in a separate FIR over circulation of the video.

Filed on the complaint of a local policeman, the FIR states that Idrisi had

"unnecessarily" made the video -- in which Abdul Shamad Saifi narrates his ordeal -- with an intention to "create social disharmony" and shared it on his Facebook account. "He shared on his social media account the video which had religious context to it without verifying the truth of the matter. It gave the incident a communal colour and was an attempt at disrupting social harmony," stated the FIR, which has been seen by PTI.

The FIR has been lodged under sections 153A (promoting enmity between groups on ground of religion, class etc), 295A (deliberate and malicious acts, intended to outrage religious feelings of any class by insulting its

religion or religious belief), 504 (intentional insult with intent to provoke breach of the peace), 505 (public mischief). Idrisi has also been booked under provisions of the Information Technology (IT) Act, according to the FIR. The FIR, lodged only against Idrisi, mentions that social media giant Facebook "also did not make any efforts to fact-check this entire episode and let the misleading video circulate". Five accused -- Kalloo Gurjar, Parvesh Gurjar, Adil, Intezaar and Saddam alias Bauna -- have been arrested so far in connection with the attack on Saifi, Superintendent of Police (Ghaziabad Rural) Iraj Raja said on Wednesday. The

Ghaziabad police maintained that the incident took place because the accused were unhappy over the 'tabeez' (amulets) sold to them by Saifi. The police also ruled out any communal angle in the episode.

In the video that triggered a nation-wide reaction, Saifi purportedly says he was attacked by some young men and forced to chant 'Jai Shri Ram' even as the district police said he did not make any such allegation in the FIR. This FIR about the assault and illegal confinement was lodged on June 7, two days after the incident, on the complaint of Saifi, a resident of Anoopshahar in adjoining Bulandshahr district. (PTI)

NEW DELHI, JUNE 17 /--/ Conditions are not favourable for further advance of the monsoon into Rajasthan, some parts of Punjab, Haryana and Delhi, the India Meteorological Department said today. However, there could be slow progress into some more parts of Gujarat and Uttar Pradesh during the next two to three days, it said. The Northern Limit of Monsoon (NLM) continues to pass through Diu, Surat, Nandurbar, Bhopal, Nowgong, Hamirpur, Barabanki, Bareilly, Saharanpur, Ambala and Amritsar. "Large-scale atmospheric conditions are not favourable for further advance of the monsoon into Rajasthan, remaining parts of Punjab, Haryana and Delhi," the IMD forecast read. The weather department had earlier predicted that the wind system may reach Delhi by June 15; 12 days early. Normally, the monsoon reaches Delhi by June 27 and covers the entire country by July 8.

Last year, the wind system had reached

Delhi on June 25 and covered the entire country by June 29, according to Skymet Weather, a private forecasting agency. Mahesh Palawat from Skymet Weather said westerly winds have been blocking the advance of the monsoon in northwest India for the last three to four days. "These winds will persist for another week. Hence, chances are that Delhi will get monsoonal showers only around the usual date of June 27," he said.

The IMD said, "Moderate to severe" thunderstorms and frequent "cloud-to-ground lightning" are very likely over Uttarakhand, Uttar Pradesh, east Madhya Pradesh, Chhattisgarh, Bihar and Jharkhand on Thursday and Friday. "This may cause injuries leading to casualties to people and animals outdoors," it said. Fairly widespread rainfall with isolated heavy to very heavy showers are very likely over Uttarakhand during the next two days under the influence of a Western Disturbance, the weather department forecast. MUMBAI, JUNE 17 /--/ Shiv Sena leader Sanjay Raut today said the Shiv Sena Bhavan in Mumbai is not just a headquarter

of a political party, but a symbol of Maharashtra's identity and no one should dare cast an evil eye on it. His statement comes a day after Shiv Sena and BJP workers clashed outside the Shiv Sena Bhavan at Dadar in central Mumbai on Wednesday after the youth wing of the BJP took out a protest march against the "offensive" remarks in the Sena mouthpiece 'Saamana' about the land deal controversy in Ayodhya. Sena MLA Sada Sarvankar had said his party men had got information that the BJP workers were coming to vandalise the Sena Bhavan. Talking to reporters over the clash, Raut said the Shiv Sena Bhavan is a symbol of Marathi and Maharashtra. "If

someone tries to attack the premises, we will Marathi 'manoos' (person) and Shiv sainik keep quiet?" he asked. "Why did the BJP get so agitated? What did the Sena editorial say? It just sought clarification on the allegations and demanded that if the charges are proved false, those who levelled them should be punished. Is asking for a clarification a crime in this country? The editorial nowhere mentions that the BJP is involved in it. Can't you read and write? First understand what the

allegations are and what the Shiv Sena spokespersons have said. Are you educated or not?" he said. The Shriram Janmabhoomi Teerth Kshetra Trust is an autonomous body. What is the BJP's role in this? he said. "The matter is over from our end. They have got 'Shiv prasad' yesterday. Don't bring the situation to such a level that we will have to give Shiv Bhojan thali to them," he said. Whenever people try to attack the Sena Bhavan, which is a symbol of our pride, whether we are in power or not, we will respond in

the same manner, Raut said. AAP's Rajya Sabha member Sanjay Singh and a former minister in the Samajwadi Party government Pawan Pandey have earlier alleged that the land worth Rs 2 crore was bought at an inflated price of Rs 18.5 crore by Shriram Janmabhoomi Teerth Kshetra Trust general secretary Champat Rai for the Ram temple premises was made by. The allegation was strongly refuted by Rai. (PTI)
