Subject: Clarification on the volume movement in the Securities of the Company.

Dear Sir/Madam,

This is with reference to your communication via email dated 19th June 2025, regarding the significant increase in the volume of the Company's Securities across Exchanges.

In this regard, we would like to inform you that all stakeholders and investors have access to the latest and relevant information pertaining to the Company. There is no information or announcement (including any impending announcements) which, in our opinion, may have a bearing on the price or volume movement in the Company's securities and which has not been disclosed to the Stock Exchanges.

Furthermore, the Company has been in full compliance with Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, and continues to keep its investors duly informed of all material events, information, and developments that could affect the operations or performance of the Company, including any price-sensitive information. All disclosures have been made to the Exchanges within the prescribed timelines. Accordingly, the significant increase in the volume of the Company's securities appears to be entirely market-driven and beyond the control of the Company.

Please note that the Company ensures timely and appropriate disclosures to the Stock Exchanges and also makes such information readily accessible to investors through its website: <https://electronicsmartindia.com/>, in compliance with the SEBI LODR Regulations.

We request you to kindly take the above clarification on record.

Thanking you.

Yours faithfully,
For **Electronics Mart India Limited**

Rajiv Kumar
Company Secretary and Compliance Officer
