In our opinion and to the best of our information and according to the explanations given to us, the Statement:

i. includes the results of the subsidiaries as given in the Annexure to this report;

ii. is presented in accordance with the requirements of Regulation 33 of the Listing Regulations; and

iii. gives a true and fair view in conformity with the recognition and measurement principles laid down in the Indian Accounting Standard 34 “Interim Financial Reporting” (“Ind AS 34”) prescribed under section 133 of the Companies Act, 2013 (the “Act”) read with relevant rules issued thereunder and other accounting principles generally accepted in India of the consolidated net profit and consolidated total comprehensive income and other financial information of the Group for the quarter ended June 30, 2024.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (“SA”s) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in Auditor’s Responsibilities for audit of the consolidated financial results section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (“ICAI”) together with the ethical requirements that are relevant to our audit of the consolidated financial results under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with those requirements and the ICAI’s Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion.

Management’s Responsibilities for the Consolidated Financial Results

This Statement which includes Consolidated financial results is the responsibility of the Company’s Board of Directors and has been approved by them for the issuance. The Statement has been compiled from the related audited interim condensed consolidated financial statements as at and for the quarter ended June 30, 2024. This responsibility includes the preparation and presentation of these consolidated financial results that give a true and fair view of the consolidated net profit and consolidated other comprehensive income and other financial information of the Group in accordance with the recognition and measurement principles laid down in the Ind AS 34, prescribed under Section 133 of the Act, read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. The respective Boards of Directors/Trustees of the entities included in the Group are
responsible for maintenance of the adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the respective financial results that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial results by the Directors of the Company, as aforesaid.

In preparing the consolidated financial results, the respective Boards of Directors/Trustees of the entities included in the Group are responsible for assessing the ability of the respective entities to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Boards of Directors either intend to liquidate their respective entities or to cease operations, or have no realistic alternative but to do so.

The respective Boards of Directors/Trustees of the entities included in the Group are responsible for overseeing the financial reporting process of the Group.

Auditor’s Responsibilities for Audit of the Consolidated Financial Results

Our objectives are to obtain reasonable assurance about whether the consolidated financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Board of Directors.

- Evaluate the appropriateness and reasonableness of disclosures made by the Board of Directors in terms of the requirements specified under Regulation 33 of the Listing Regulations.

- Conclude on the appropriateness of the Board of Directors’ use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor’s report
to the related disclosures in the consolidated financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor’s report. However, future events or conditions may cause the Group to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the consolidated financial results, including the disclosures, and whether the consolidated financial results represent the underlying transactions and events in a manner that achieves fair presentation.

- Perform procedures in accordance with the circular issued by the SEBI under Regulation 33(8) of the Listing Regulations to the extent applicable.

- Obtain sufficient appropriate audit evidence regarding the Financial Information of the entities within the Group to express an opinion on the consolidated financial results. We are responsible for the direction, supervision and performance of the audit of financial information of such entities included in the consolidated financial results of which we are the independent auditors.

Materiality is the magnitude of misstatements in the consolidated financial results that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the consolidated financial results may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated financial results.

We communicate with those charged with governance of the Company and such other entities included in the consolidated financial results of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Basis for Opinion

We conducted our audit of the Interim Condensed Consolidated Financial Statements in accordance with the Standards on Auditing (“SAUs”) issued by the Institute of Chartered Accountants of India (“ICAI”). Our responsibilities under those Standards are further described in the Auditor’s Responsibilities for the Audit of the Interim Condensed Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the ICAI, and we have fulfilled our other ethical responsibilities in accordance with the Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the Interim Condensed Consolidated Financial Statements.

Responsibilities of Management and Those Charged with Governance for the Interim Condensed Consolidated Financial Statements

The Company’s Board of Directors is responsible for the preparation and presentation of these Interim Condensed Consolidated Financial Statements that give a true and fair view of the consolidated financial position, consolidated financial performance, consolidated total comprehensive income, consolidated changes in equity and consolidated cash flows of the Group in accordance with IAS 34 as issued by the IASB. The respective Boards of Directors/Trustees of the entities included in the Group are responsible for maintenance of the adequate accounting records for safeguarding assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to

Auditor’s Responsibilities for the Audit of the Interim Condensed Consolidated Financial
Statements

Our objectives are to obtain reasonable assurance about whether the Interim Condensed
Consolidated Financial Statements as a whole are free from material misstatement, whether
due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable
assurance is a high level of assurance, but is not a guarantee that an audit conducted in
accordance with SAs will always detect a material misstatement when it exists. Misstatements
can arise from fraud or error and are considered material if, individually or in the aggregate,
they could reasonably be expected to influence the economic decisions of users taken on the
basis of these Interim Condensed Consolidated Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain
professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Interim Condensed
  Consolidated Financial Statements, whether due to fraud or error, design and perform
  audit procedures responsive to those risks, and obtain audit evidence that is sufficient and
  appropriate to provide a basis for our opinion. The risk of not detecting a material
  misstatement resulting from fraud is higher than for one resulting from error, as fraud
  may involve collusion, forgery, intentional omissions, misrepresentations, or the override
  of internal control.

- Obtain an understanding of internal financial controls relevant to the audit in order to
design audit procedures that are appropriate in the circumstances, but not for the purpose
of expressing an opinion on effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of
accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management’s use of the going concern basis of
accounting and, based on the audit evidence obtained, whether a material uncertainty
exists related to events or conditions that may cast significant doubt on the ability of the
Group to continue as a going concern. If we conclude that a material uncertainty exists,
we are required to draw attention in our auditor’s report to the related disclosures in the
Interim Condensed Consolidated Financial Statements or, if such disclosures are
inadequate, to modify our opinion. Our conclusions are based on the audit evidence
obtained up to the date of our auditor’s report. However, future events or conditions may
cause the Group to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the Interim Condensed
  Consolidated Financial Statements, including the disclosures, and whether the Interim
  Condensed Consolidated Financial Statements represent the underlying transactions and
  events in a manner that achieves fair presentation.

- Obtain sufficient appropriate audit evidence regarding the financial information of the
  entities within the Group to express an opinion on the Interim Condensed Consolidated
Financial Statements. We are responsible for the direction, supervision and performance of the audit of financial statements of such entities included in the Interim Condensed Consolidated Financial Statements of which we are independent auditors.

Materiality is the magnitude of misstatements in the Interim Condensed Consolidated Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Interim Condensed Consolidated Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Interim Condensed Consolidated Financial Statements.

We communicate with those charged with governance of the Company and such other entities included in the Interim Condensed Consolidated Financial Statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings including any significant deficiencies in internal financial controls that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
