## PRESS RELEASE

### **Inox Green enters into agreement with KEC for 625 MWp solar project O&M**

**Noida, January 20, 2026:** Inox Green Energy Services Ltd., India's leading renewables operations and maintenance ("O&M") service provider, announced today that the Company has been awarded LoA from KEC International Ltd. (KEC) to provide O&M services for the 625 MWp solar project at Bhadla, Rajasthan.

With this addition, Inox Green's solar O&M portfolio crosses 3 GW taking its total renewable O&M portfolio to > 13 GW, as the company rapidly expands across both solar and wind segments.

On this occasion, **Mr. SK Mathu Sudhana, CEO of Inox Green**, remarked, "We are pleased to have entered into an agreement with KEC International to provide O&M services for one of its largest solar projects located at Bhadla, Rajasthan. At Inox Green, we are expanding our solar O&M portfolio, both organically as well as inorganically by participating in large scale opportunities across solar, wind and RE infrastructure O&M space. Further, Inox Green also expects to add large O&M portfolio on the back of the rapid scale-up of Inox Clean's (Group company) capacities."

#### **ABOUT INOX GREEN ENERGY SERVICES LIMITED:**

Inox Green Energy Services Limited is one of the major renewable power operations and maintenance ("O&M") service providers in India with > 13 GW of renewable assets under management, including investments. The company is engaged in the business of providing long-term O&M services for renewable energy projects. Part of the INOXGFL Group and a subsidiary of Inox Wind with whom it enjoys a synergistic relationship, Inox Green is India's only listed pure-play renewable O&M services company. It has a strong and diverse portfolio base spread across 12 Indian states and an established track record of over a decade. Inox Green's reliable cash flows are supported by its long-term O&M contracts with customers, which include some of the largest IPPs, PSUs along with various retail customers.
