# Unicommerce & Naqel Express Join Hands

*~ Partnership will boost e-commerce logistics in Saudi Arabia and the broader GCC region ~*

*~ Will facilitate cross-border e-commerce trade with India ~*

**20<sup>th</sup> January 2026 | New Delhi:**

**Naqel Express**, Saudi Arabia's largest logistics and express delivery company and **Unicommerce**, one of India's leading e-commerce enablement SaaS platforms, have joined hands to strengthen logistics for e-commerce brands across Saudi Arabia.

Through this partnership, e-commerce businesses in the Kingdom of Saudi Arabia (KSA) using Unicommerce's platform will be seamlessly connected to Naqel's extensive logistics network, offering strong and efficient last-mile delivery options across the Kingdom.

The partnership will enable both regional and global e-commerce brands in Saudi Arabia to manage orders, warehousing, last-mile delivery and express cross-border shipping through

Unicommerce's unified dashboard - helping streamline fulfilment operations, improve delivery efficiency and enhance customer satisfaction.

As part of the integration, businesses will also gain access to delivery touchpoints across GCC markets, including the UAE, Bahrain, Oman, Kuwait, Qatar, Jordan and Lebanon. The partnership will also provide access for cross-border shipments from KSA-based businesses to ship to India.

Naqel Express operates under Saudi Post Logistics (SPL), which is the national postal carrier of the Kingdom of Saudi Arabia. Naqel delivers through around 5000 touchpoints across the KSA, in addition to its expansive presence across 16+ countries including key GCC nations and India.

Unicommerce serves customers across the KSA and UAE and offers localised integrations tailored for GCC markets, including Arabic-language invoicing and label printing along with other logistics and ecosystem integrations.

**Mr. Maxim Vyalyy, UAE Country Manager at Naqel Express** said, *"Our collaboration with Unicommerce aligns with Naqel's commitment to advancing e-commerce logistics and enabling brands to serve customers more efficiently. By combining Unicommerce's technology with Naqel's logistics expertise, we aim to provide an enhanced shopping experience for consumers both in Saudi Arabia and internationally".*

*"This partnership with Naqel Express is an important step for us towards strengthening our presence as a technology and logistics backbone for e-commerce brands across the region," said **Kapil Makhija, Managing Director & Chief Executive Officer of Unicommerce.** "KSA's emerging e-commerce landscape demands robust technology support to cater to the rising consumer interest in online shopping. We are delighted to enable businesses with the technology solutions that enable the agility and efficiency required to thrive in such a competitive e-commerce ecosystem."*

Built to manage complex operations, Unicommerce's competitive enterprise-grade systems add to its unique ecosystem advantage across the GCC region. Backed by a wide client base and robust integrations in India, the company serves customers across six countries in the Middle East and South East Asia.

## **About Unicommerce**

Unicommerce's solutions serve all the key processes of an e-commerce business. Uniware simplifies the backend operations of e-commerce businesses, including inventory management, order processing across multiple channels, warehouse operations, and seamless handling of return inventory. Shipway, a full-stack logistics management platform, offers courier aggregation and shipping automation. Convertway is an AI-enabled marketing automation platform designed to boost conversions and sales.

Unicommerce serves 7500+ clients across India, Southeast Asia, and the Middle East. Some of its marquee clients include FabIndia, Lenskart, Timex, TCNS, Mamaearth, Sugar, Emami, Urban Company, Cello, Symphony, Healthkart, GNC, boAt, Portronics, TMRW, Mensa, Landmark Group and many more. Unicommerce's flagship platform, Uniware, achieved an annualised transaction run rate of over 1 billion order items in Q3 FY25.

Unicommerce's product suite is sector and size-agnostic and designed to meet the business needs of various types and sizes of retail and e-commerce enterprises, both online and offline. Incorporated in 2012, Unicommerce is ISO 27001 (standard for information security management system) & ISO 27701 (standard for data privacy controls) certified. It is listed on the National Stock Exchange of India Limited and BSE Limited.
