ORDER

New IA-628/2023

Learned counsel for the Liquidator is present. This application has been filed by the Liquidator for seeking extension of Liquidation Process for another 60 days. The prayer in this application is as follows:

- (a) Grant an extension of 60 days for completion of the liquidation process on a going concern basis i.e. till March 23, 2023; and/or
- (b) pass such further and other directions as this Hon'ble Tribunal may deem fit and expedient.

In view of the submissions made by the Ld. Counsel and relying upon Para nos. 11 to 15 of the application, which read as follows:

11. The Liquidator informed SCC that out of above EOI participants, the Liquidator has received Bids from 2 Qualified Bidders namely M/s. Adani Infra (India) Limited & M/s. Vedanta Limited.
12. The Liquidator and SCC members during the 3rd SCC meeting held on November 17th 2022 discussed that both the Qualified Bidders have provided different treatment to the ongoing going concern sale process of Corporate Debtor under liquidation and the Bids

Committee as the members would like to engage in discussion with the Bidders on the commercial as well as terms and conditions laid in their Bids. To undertake the discussion with Bidders, it was

14. Upon final negotiation and receipt of revised Bids, the Liquidator will approach SCC for their advise on fixing the reserve price for the e-auction in accordance with Regulation 31A(1) of the IBBI (Liquidation Process) Regulations, 2016. SCC is required to approve the reserve price for the e-auction, including the assets, which forms part of the going concern sale and the qualitative terms of the bids. Both the bidders will then participate in the e-auction to conclude the going concern sale and the Bidder with highest bid value in the e-auction would be declared as the Successful Bidder by virtue of the terms of the ASPM.

15. Considering the various steps involved in the process ahead including but not limited to ongoing negotiation with the Bidders, submission of the revised Bids by Bidders, grant of approval on the reserve price through voting by SCC members which will involve each of them to approach their approving authorities, subsequent e-auction process, declaration of Successful Bidder, submission of Performance Bank Guarantee and approaching Hon'ble NCLT for approval on the Bid will take additional time, the Liquidator by way of email dated January 18, 2023 informed the SCC members that presently there are ongoing discussions and negotiations of the Liquidator and top-4 lenders of the Corporate Debtor with the Qualified Bidders for value maximisation. Consequently, determination of the reserve price for the e-auction remains pending. The Liquidator therefore, expects the 'going concern' sale process to go beyond the extended timeline of January 22, 2023 and it is anticipated that an additional period of 60 days for completion of the going concern sale process of the Corporate Debtor will be required. A copy of the email dated January 18, 2023 is attached herewith as **Annexure – 2**.

For the reasons mentioned above, we are inclined to grant the extension of 60 days for completing the Liquidation Process as prayed in the application. With this, the present IA-628/2023 stands allowed and disposed of.
