Cambridge BizServe marks the first anniversary of its Philippines operations with 100 plus employees

Hyderabad, India, June 20, 2018: [Cambridge BizServe](#), a vertical of [Cambridge Technology Enterprises Limited](#) (NSE: CTE; BSE: 532801), a leading global technology company focused on Artificial Intelligence as a Service (AlaaS) to transform organizations into AI-first leaders, is excited to announce the first work anniversary of its operations in Davao City, Philippines.

We believe that the world is transforming. While the last generation of traditional Indian IT technology businesses were focused on cost arbitrage, Cambridge Technology (CT) is a front end innovation driven technology company focused on value. Over the last three years the company has achieved tremendous success as the revenues and profits of the company have grown by more than 3 times. In FY18, the consolidated revenues of the Company were INR 99 cr compared to INR 32 cr in FY15.

Cambridge BizServe provides data support and managed services for the applications built by the company. It is focused to effectively manage business processes and provide business insights through

analytics and reporting capabilities. Cambridge BizServe is a leading provider of AIaaS solutions in the Philippines.
