Press Release

Transrail bags ₹548 Crore in new orders; adds a new country in MENA region.

FY26 cumulative order inflows rise to more than ₹4,285 crore with further L1 position of ₹2,575 crore

Mumbai, November 20, 2025: Transrail Lighting Limited (BSE: 544317, NSE: TRANSRAILL) a leading turnkey EPC player in Power Transmission & Distribution (T&D) with diversified operations across Civil, Railways, Poles & Lighting and Solar EPC, has bagged new orders totalling ₹548 crore, including a major International Transmission Line EPC project in new Country in MENA region. With these additions, the Company's cumulative order inflows for FY26 have risen to more than ₹4,285 crore, reflecting strong order growth and continued momentum across key business segments.

In addition to these secured orders, Transrail currently holds an L1 position amounting to ₹2,575 crore, providing further visibility on future inflows and reinforcing the Company's prospects for the remainder of FY26.

Mr. Randeep Narang, MD & CEO said:

"We are pleased to announce new order wins of ₹548 crore, which also mark our entry into a new Country in MENA region with a major T&D project. This, along with additional orders in the Railway and Poles & Lighting businesses, reflects the growing strength of our diversified capabilities. With cumulative FY26 inflows now at more than ₹4,285 crore and further L1 position of ₹2,575 crore, we continue to strengthen our visibility for the coming quarters. We remain focused on selective bidding, disciplined execution, and expanding our footprint across priority geographies"

About Transrail Lighting Limited:

Transrail is one of the leading engineering, procurement and construction companies with primary focus on power transmission and distribution business with 4 decades of experience.
