Subject: Disclosure under Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 – Development of Solar Power Project under DREBP Framework in Gujarat.

Pursuant to Regulation 30 (Listing Obligations and Disclosure Requirements) Regulations, 2015, and in accordance with the Company's Policy on Determination of Materiality of Events and Information, Epic Energy Limited ("the Company") hereby informs the Stock Exchange that its wholly owned subsidiary, Epic Renewable Projects Private Limited ("ERPPL"), has received the requisite regulatory approvals for the development of a 2.70 MWh Solar Power Project under the Distributed Renewable Energy Bilateral Procurement (DREBP) framework in the State of Gujarat.

The project, which is proposed for sale of power to the concerned DISCOM under the DREBP framework, has received grid connectivity approval along with a Letter of Award from Paschim Gujarat Vij Company Limited (PGVCL) for connectivity at the GETCO 66 kV Kera Substation, subject to the execution of the Power Purchase Agreement (PPA) within the stipulated timeline.

The project is expected to be commissioned within 3 to 6 months from the date of execution of the PPA with PGVCL, subject to receipt of applicable regulatory approvals and completion of procedural formalities.

The Solar Power Project shall be fully owned by the project Special Purpose Vehicle, ERPPL. Project financing is proposed to be undertaken through a judicious mix of equity and debt at the SPV level, the detailed structure of which is currently under finalisation.
