Business Update Release

Silver Touch Technologies Selected for Major E-Governance Project by Transport Department, Government of Uttar Pradesh

Company to deliver statewide citizen-centric digital services with long-term revenue visibility

Ahmedabad, 22nd January 2026: Silver Touch Technologies Limited, a leading end-to-end IT solutions provider with strong capabilities in **E-Governance, large-scale system integration and digital public infrastructure**, is pleased to announce that it has been **selected as the successful bidder** by the **Transport Department, Government of Uttar Pradesh** for a prestigious statewide **E-Governance project**.

The project involves end-to-end supply, personalization, printing, dispatch and delivery of Smart Card Driving Licences (SCDL) across Uttar Pradesh, along with associated IT systems, application development, infrastructure deployment, operations and maintenance, as defined under the tender terms.

As part of the mandate, Silver Touch will be responsible for delivering a **secure, scalable and high-availability digital solution** supporting citizen services across all RTO and ARTO offices in the state. The scope includes:

- Centralized smart card personalization and issuance platform
- Secure citizen data processing and document lifecycle management
- Statewide logistics, dispatch and delivery operations
- Deployment and maintenance of IT infrastructure and applications
- Compliance-driven audit trails, monitoring and reporting mechanisms

The engagement is structured as a **long-term contract**, ensuring **sustained execution and predictable revenue visibility** over the contract tenure. This project further strengthens Silver Touch's leadership position in **large-scale E-Governance implementations** and reinforces its focus on **annuity-based, mission-critical government programs**.

Commenting on the development, Mr. Minesh V. Doshi, Executive Director of Silver Touch Technologies Limited, said:

"Our selection for this important E-Governance initiative by the Government of Uttar Pradesh is a strong validation of Silver Touch's proven capabilities in delivering large, secure and citizen-centric digital platforms. Such long-term engagements enhance revenue visibility while allowing us to contribute meaningfully to digital governance at scale."

*With decades of experience in executing complex government and public sector projects, Silver Touch Technologies continues to be a trusted partner for **national and state-level digital transformation initiatives**, supporting transparency, efficiency and citizen empowerment.*
