DLF Limited

Q3FY26 Results Presentation

Disclaimer

This presentation contains certain forward-looking statements regarding DLF's business prospects and business profitability. These statements are based on current expectations, assumptions, and projections about future events and are subject to a variety of risks and uncertainties, which are beyond the control of the Company, and therefore, actual results may differ materially from those expressed or implied in such forward-looking statements. The risks and uncertainties relating to such statements include, but are not limited to, earnings fluctuations, our ability to manage growth, competition, economic growth in India, ability to attract & retain highly skilled professionals, time & cost overruns on contracts, government policies and actions related to investments, regulation & policies etc., interest & other fiscal policies generally prevailing in the economy.

The Company undertakes no obligation update, revise, publish or make any announcements in case any of these forward-looking statements become incorrect in future, whether as a result of new information, future events, or otherwise.

Figures used to present the Group overview, financial, and operational position include the entire business and do not account for any minority interests and are intended to represent the overall scale and size of the enterprise operations.

Proforma numbers and other financial or operational data presented in this presentation are based on management's best estimates for the purpose of segmental bifurcation between businesses. The grouping or representation of the figures may differ from those in the audited/published results/information and may be subject to change without notice. The figures/grouping presented herein are intended solely to provide for directional overview of the respective business segments and should not be construed as audited financial information.

All area represented in msf within the presentation above should be read with a conversion factor of ~ 1 msf = 92,903 sq. meters. Area/Land bank/Potential represents Saleable/Leasable Area.

By attending this presentation and viewing its contents, you acknowledge the foregoing limitations.

Presentation Agenda

S.No.	Section
I.	Key Highlights : Q3FY26
II.	DLF Group Overview
III.	Development Business : Business Update
IV.	Annuity Business : Business Update
V.	DLF Limited : Financial Update

DLF Group – Business Overview

Diversified & differentiated business model

Strong Fundamentals

- We have established a strong and diversified business:
 - ✓ Development business delivering high margins and strong cash flows
 - ✓ Rental business providing consistently growing income streams
 - ✓ Hospitality business along with Services/Asset management complementing both businesses
- Demonstrated track record of 8 decades of customer centricity, adhering to best practices in corporate governance & maintaining highest standards of safety & compliances resulting in a Strong Brand positioning
- The organization possesses a high-quality land bank and has created integrated ecosystems offering superior products leading to significant value creation for all stakeholders
- We operate as a diversified enterprise having significant presence in both Development and Annuity businesses enabling the organization to operate with a remarkably differentiated model
- Past few year's performance has laid down a strong foundation and clear visibility of future earnings and cash flows; future performance will only enhance this growth and financial position of the Group
- Focus for the Group remains on prioritizing customer satisfaction and expectations, strong cash flow generation and higher margin delivery

DLF Group : Financial Overview [on Reported basis]

DLF Limited¹

DCCDL

Note: 1) DLF Limited figures are on consolidated basis, however, as per prescribed accounting standards, DCCDL/Other JVs are not consolidated line-by-line and only DLF's share of Profit/loss is accounted;

Development Business Business Update

Development Business – A strong growth engine

1

High Quality Land Bank

- High quality land bank at established locations; significant upside from TOD/TDR policy
- Sustained growth from existing land bank; no dependency on incremental acquisitions

2

Value creation

- Consistent capital appreciation for customers; attractive returns comparable to other asset classes
- Integrated ecosystems along with infrastructure upgradation continues to support further value creation

3

High Margin Potential

- Low-cost land bank coupled with luxury /super-luxury offerings to deliver consistent margin accretion
- Ability to take advantage of opportunistic land replenishment having high embedded margins

4

Strong Financial Position

- Healthy & consistent cash flow generation
- Net cash positive Balance sheet

Development Business – Delivering consistent performance

New Sales Bookings

Embedded Gross Margins from Sales Booked

Sustained momentum in New Sales bookings; Healthy margin accretion

Note:
1) Figures are based on proforma workings based on management estimates; Embedded Gross Margins are based on best estimates of construction costs and full realization; management estimates are subject to market conditions
2) [#] includes 100% embedded gross margins of the JV project - The Westpark, Mumbai; DLF owns 51% share in the JV
