Dear Sir,

Sub: News clarification

This is with reference to receipt of email dated 22nd September, 2025 from BSE and NSE regarding the news item appearing in "www.thehindubusinessline.com" titled "Strike disrupts production at MRF's Tiruvottiyur plant in North Chennai".

In this regard we would like to inform you that some of the workmen at the Company's manufacturing plant at Tiruvottiyur, Chennai, Tamil Nadu have gone on an illegal strike with regard to payment of annual insurance premium as advance and opposing the hiring of trainees under the National Apprentice Promotion Scheme (NAPS), Prime Ministers Internship Scheme (PMIS) and Naan Mudhalvan Scheme. Tiruvottiyur factory is one of the ten factories the Company has across India. It may be noted that the strike is illegal.

The operations of the factory are being partly continued with the help of the workmen who are not part of the strike. The Company is taking necessary steps to restore normalcy at the earliest.

Further we would like to inform you that the impact of the strike does not exceed the financial thresholds for reporting adopted by the Company under Regulation 30 of the SEBI [Listing Obligations and Disclosure Requirements] Regulations, 2015 and hence the same is not required to be disclosed under Regulation 30.

The Company will keep the Stock exchanges informed of the material developments, if any, in the above matter.

Thanking you.

Yours faithfully
