**Press Release:**

## **JD Cables Limited Wins Landmark EPC Infrastructure Contract Valued at ₹244 Crores**

**December 23<sup>rd</sup>, 2025**

JD Cables Limited ("the Company") is pleased to announce that the Company has been awarded with a significant EPC infrastructure work order by Kaushal Engineering Limited (KEL) for the execution of balance Civil and Electrical works under a Key National Highway Development Project in the State of Jharkhand, marking an important milestone in the Company's infrastructure execution journey.

The scope of work includes the construction of balance works of the Chauparan Flyover, Barkatha Flyover, Road Over Bridge (ROB) and Electrical works for the six-laning of the Bihar-Jharkhand Border (Chordaha to Gorhar section) of NH-2 spanning from Km 249.525 to Km 320.810. The project will be executed on an Engineering, Procurement and Construction (EPC) mode under NHDP Phase V.

The total contract value is ₹2,43,99,19,353/- (Rupees Two Hundred Forty-Three Crore Ninety-Nine Lakh Nineteen Thousand Three Hundred and Fifty-Three Only), inclusive of applicable GST @18%, approved Change of Scope (COS), and price escalation. The contract value also includes all other applicable taxes, duties, labour cess and royalty on materials to be consumed for the said scope of work on a back-to-back basis as per the Main Contract. If in any case, there is a change in law by the Government of India or the Government of Jharkhand shall be dealt with in accordance with the provisions of the main contract.

The project is scheduled to be completed within one (1) year from the date of execution of the agreement.

This high-value order significantly enhances the Company's order book, improves revenue visibility, and reinforces JD Cables Limited's capabilities in executing large and complex EPC infrastructure projects, particularly in the highways and transportation segment. The project is expected to meaningfully contribute to the Company's growth momentum during the execution period.

### **Management Commentary**

**Commenting on the development, Mr. Piyush Garodia, Managing Director, JD Cables Limited, stated:**

*"The award of this prestigious EPC contract reflects the strong confidence placed in our execution capabilities, technical expertise, and proven delivery track record. The NH-2 six laning project is strategically important and aligns well with our strengths in executing complex infrastructure works within defined timelines."*

He further added:

*"This order significantly strengthens our order book and deepens our presence in national highway projects. We remain focused on disciplined execution, quality excellence, and sustainable value creation for our shareholders and other stakeholders."*

**Commenting on the execution roadmap, Mr. Rajesh Jhunjhunwala, Whole-Time Director & Head - EPC, JD Cables Limited, said:**

*"This landmark order is a strong validation of our EPC execution strength and on-ground delivery capabilities. We have initiated detailed mobilisation and resource planning, including procurement scheduling, deployment of experienced project teams, and robust quality and safety systems to ensure timely completion within the stipulated one-year timeline. Our focus will remain on disciplined execution, seamless coordination with all stakeholders, and stringent adherence to technical specifications to deliver this project efficiently and reliably."*
