Press/Media Release

19th December 2025, Verso Altima India Private Limited (VAI) (**Wholly owned subsidiary of Adroit Infotech Limited**) celebrated its Annual Day, marking a significant milestone with the launch of its prestigious new products. These innovative offerings are set to revolutionize industries by enabling seamless, end-to-end digital transformation and empowering organizations to accelerate growth with future-ready solutions

VAI 360 | Unified CRM | Elevated Experience

VAI 360 is a unified, intelligent CRM platform that brings together customer lifecycle management, partner portals, customer self-care, service and complaints management, and inventory & stock management—all on a single platform.

Designed to orchestrate multiple touchpoint systems, VAI 360 drives operational excellence, delivers connected customer and partner experiences, and enables scalable **business and revenue growth** through seamless integration with enterprise billing and financial systems.

Industries Supported:

Telecom | Cable & Media | Broadband | Logistics & Transportation

IntelHub-X | Intelligent Enterprise Gateway Hub

IntelHub-X is an intelligent enterprise gateway application designed to seamlessly connect billing and CRM software providers with cable and broadband operators. By eliminating the complexity of building and maintaining operator-specific integrations, IntelHub-X ensures faster time-to-market, improved operational efficiency, and **accelerated revenue realization**.

In addition, IntelHub-X empowers end customers to perform transactions directly with operators, reducing dependency on local agents and improving transparency, customer experience, and collection efficiency.

Industries Supported:

Cable & Media | Broadband
