closure of operations under Regulation 30 of LODR

and State Governments have been ordering a number of measures
COVID-19 attack. Such measures are increasingly becoming stricter
to achieve isolation and social distancing for containing the spread

rd to the above, Government of Tamil Nadu has issued G.O.(Ms)
d 23.03.2020. In this, it has ordered several restrictions being
he whole of territorial jurisdiction of Tamil Nadu from 18.00 hrs of
o 06.00 hrs of 01.04.2020.

ons seek to curb movement of men and material, discontinuance of
and inter District services, closure of shops and establishments
prohibiting congregation of more than five persons in public places.

that are engaged in the production of essential commodity remain
the purview of above G.O. and they can run the factories subject
the workforce at 50% of the normal strength on rotation basis.
there is no State ban in operating our sugar mill.

However there has been severe disruption to harvest labour and other logistic supports necessary for effective operation of a sugar factory. Viewing the overall situation, it has been decided that our sugar mill operations shall close and cease to operate from 18.00 hrs of 24th March 2020. Its restart would be considered based on emerging development. We however apprehend considerable stress in our ability to sustain operations at optimum level in the near term. The extent of financial loss or adversity on this score is not readily quantifiable.

Further, our registered office in Chennai will remain closed during the restriction period covered by the above G.O. and as may be extended/ modified from time to time. There may hence be interruption in providing services to shareholders during the temporary period of closure. In case of any urgency, Mr S.Viswanathan-Mobile No.9500031403, email:svs@ponnisugars.com may be approached.
