Forward-looking and Cautionary Statements

Certain statements in this Presentation concerning our future growth prospects are forward-looking statements, which involve a number of risks and uncertainties that could cause actual results to differ materially from those in such forward-looking statements. The risks and uncertainties relating to these statements include, but are not limited to, risks and uncertainties regarding fluctuations in earnings, our ability to manage growth, intense competition in IT services including those factors which may affect our cost advantage, our revenues highly dependent on customers located in the United States, wage increases in India, our ability to attract and retain highly skilled professionals, time and cost overruns on fixed-price, fixed-time frame contracts, client concentration, restrictions on immigration, industry segment concentration, our ability to manage our international operations, reduced demand for technology in our key focus areas, disruptions in telecommunication networks or system failures, our ability to successfully complete and integrate potential acquisitions, liability for damages on our service contracts, concentration of major operations of the Company in one city, withdrawal of governmental fiscal incentives, political instability and regional conflicts, legal restrictions on raising capital or acquiring companies outside India, and unauthorized use of our intellectual property and general economic conditions affecting our industry. The Company may, from time to time, make additional written and oral forward-looking statements, including statements contained in the Company's filings with the Stock Exchanges and our reports to shareholders. The Company does not undertake to update any forward-looking statements that may be made from time to time by or on behalf of the Company.

Performance Highlights

“Persistent is leading AI-led transformation, supported by early investments, strong execution, and a clear vision to embed AI across our clients’ digital journey. Celebrating 35 years since our foundation and 15 years of being publicly listed on the National Stock Exchange of India, our unwavering commitment to innovation and client success continues to set us apart as we drive the future of technology with purpose and precision.

I am delighted to welcome our CFO, Vinit Teredesai, as Additional Director to our Board.”

Dr. Anand Deshpande

Founder, Chairman and Managing Director

“We are proud to have delivered our 20th sequential quarter of revenue growth, with an EBIT margin of 15.6%. We thank our employees, clients, partners, and shareholders, whose continued support has been instrumental in our success.

Despite the uncertain macroeconomic environment, our consistent performance reflects the trust of our clients, enduring strength of our capabilities, and operational discipline. This momentum has been further validated by multiple prestigious industry recognitions, including the ISG Star of Excellence™ Award based on the voice of the customer and our Challenger positioning in the Gartner® Magic Quadrant™ for Public Cloud IT Transformation Services.

As we look ahead, we are optimistic about sustaining progress to reach \$2 billion in annual revenue by FY27. Our strategic pivot to AI-led platform-driven services will drive this growth, fueled by continued rigor and innovation. We are well-positioned to continue delivering consistent and differentiated long-term value for all our stakeholders.”
