AVG Logistics secured Term Loan facilities to cater Working Capital and Capex requirement

New Delhi, July 24, 2025: AVG Logistics Limited is pleased to announce that it has received an approval for a term loan facility of ₹20 crore from a prominent Non-Banking Financial Company (NBFC). This funding will be utilized to support the Company's working capital requirements and capital expenditure, specifically towards the import of ISO tank containers & Fleet Expansion.

This strategic move marks a significant milestone for AVG Logistics as it ventures into the specialized domain of liquid chemical transportation — an essential and rapidly growing segment within the Indian logistics industry. The imported ISO tank containers will strengthen the Company's operational capabilities and enhance its service offerings to cater to the needs of large-scale businesses across India.

This venture supports Company's Vision in offering sustainable and reliable logistics solutions to India's top businesses. By integrating liquid chemical transport through ISO tank containers with rail-based logistics, AVG Logistics is actively contributing to a greener, more efficient mode of transportation, reducing carbon emissions and promoting environmentally responsible supply chain practices.

The foray into liquid logistics is expected to open new growth avenues for the Company, positioning it as a key player in a niche but crucial segment of the supply chain. AVG's robust infrastructure and end-to-end logistics solutions will now be complemented by this new capability, enabling the Company to better serve industries such as chemicals, oils, gaseous and other liquid commodities.

Comments from Mr. Sanjay Gupta Managing Director & CEO, AVG Logistics Limited said, "This strategic initiative marks a new chapter in our commitment to deliver innovative, efficient, and sustainable bulk liquid transport solutions to customers across industry. By integrating ISO tank containers into our logistics portfolio, we are expanding our capabilities and also strengthening our role as a reliable partner in this niche segment. This achievement reflects the hard work and vision of our entire team, and the trust placed in us by our partners and clients. We are confident this service will open new avenues for efficiency, cost savings, and supply chain resilience for all stakeholders".
