## **TBO Tek Ltd. signs up for Travel Marketplace by Amadeus South Asia in a strategic partnership to unlock new opportunities in South Asia**

**New Delhi, September 24, 2025:** TBO Tek Ltd, one of the leading B2B travel tech platforms operating globally, has signed up with Amadeus South Asia for its latest game changing offering – Travel Marketplace, a localized AI driven next generation platform that connects travel sellers and providers through a single, trusted ecosystem.

This collaboration will empower travel sellers to access a wide range of cutting-edge new travel content and services available on the Travel Marketplace and unlock growth in an increasingly digital travel landscape. By leveraging these innovations, TBO Tek Ltd. will enhance its offering to travel agents and partners across South Asia, providing them with more efficient, personalized, and seamless experiences.

Speaking on the partnership, **Ankush Nijhawan**, Co-Founder, TBO Tek Ltd. said: “Our partnership with Amadeus South Asia for Travel Marketplace is a step towards reimagining how travel agents in this region will access our content and services through Amadeus’s niche technology. By bringing world-class product offerings onto a single platform, we will be able to empower our common travel seller partners with greater flexibility, speed, and choice—helping them serve travellers better in a dynamic market environment.”

**Sandeep Dwivedi**, Managing Director, Travel Sellers, India Subcontinent, Amadeus, added: “At Amadeus, our focus is on building strong partnerships that enable the travel ecosystem to grow sustainably. Welcoming TBO Tek Ltd. to the Travel Marketplace by Amadeus South Asia reinforces our commitment to supporting this region’s vibrant travel sector with technology that drives collaboration, innovation, and long-term value creation for all stakeholders.”

With this move, TBO reinforces its commitment to digital transformation in travel with AI, while Amadeus strengthens its footprint in South Asia by building stronger connections with leading travel players.
