ITEM: 2 Alteration of the Object Clause of the Company

The Members of the Company are informed that, in order to align the business activities of the Company with its long-term strategic vision of diversification, growth, and expansion, the Board of Directors, has approved the proposal to alter the **Main Object Clause** of the Memorandum of Association (“MOA”) of the Company, subject to the approval of the Members by way of a **Special Resolution** through Postal Ballot. The proposed alteration is necessitated due to the evolving business environment, emerging opportunities in the rail transportation and logistics sector.

A brief justification for each proposed object is provided below:

- 1. Manufacturing and Procurement of Railway Rolling Stock (Clause 8)**
The Indian rail transportation sector is undergoing significant modernization, creating opportunities in designing, manufacturing, importing, and procuring rolling stock, wagons, coaches, locomotives, and related components. Incorporation of this object will enable the Company to expand its capabilities and participate in future tenders and business prospects in this domain.
- 2. Maintenance, Overhauling, and Lifecycle Management of Rolling Stock (Clause 9)**
The demand for professional maintenance and overhaul services is increasing due to the growing fleet of railway assets. Inclusion of this object will allow the Company to establish maintenance facilities, undertake ROH/POH work, and provide predictive, preventive, and refurbishment services, thereby creating a sustainable revenue stream.
- 3. Development and Operation of Private Freight Terminals, Gati Shakti Cargo Terminals, Logistics Parks, and ICDs (Clause 10)**
With the rapid development of multimodal logistics hubs and freight corridors, the Company intends to expand into designing, constructing, and operating logistics infrastructure. The proposed object will empower the Company to provide integrated logistics solutions, including freight handling, storage, transportation, and related services.
- 4. Operation and Management of Container Train Services (Clause 11)**
Containerized logistics is gaining momentum as a cost-effective and eco-friendly mode of transportation. This object will allow the Company to operate, manage, and maintain container train services, procure or lease container rakes, and provide end-to-end logistics solutions across designated railway corridors.

The proposed amendments are in the best interest of the Company and will facilitate future growth, diversification, and enhancement of business capabilities. Pursuant to Section 13 of the Companies Act, 2013, alteration of the MOA requires the approval of the shareholders by way of a **special resolution** through Postal Ballot.

None of the Directors, Key Managerial Personnel (“KMP”), or their relatives are concerned or interested in the resolution, except to the extent of their shareholding, if any, in the Company.

The Board recommends the resolution for approval of the members by way of Special Resolution.
