Subject: Announcement Under Regulation 30 of SEBI Listing Obligations and Disclosure Requirements) Regulation, 2015, regarding Launch of HR Volkai – India's First AI Interview Preparation Agent by Kairosoft AI Solutions Limited

Dear Sir / Madam,

We are thrilled to announce the official launch of **HR Volkai**, a pioneering AI-driven agent developed by **Kairosoft AI Solutions Limited**, the esteemed brand owner of Volkai. This innovative product represents a significant leap forward in interview preparation, specifically designed to empower students and job seekers in India to overcome interview anxiety and master the essential skills needed to excel in job interviews.

In today's competitive job market, preparing for interviews can be daunting. Recognizing this challenge, Kairosoft AI Solutions Limited has dedicated substantial resources to develop HR Volkai, which utilizes cutting-edge artificial intelligence technology to provide students with a comprehensive and personalized interview preparation experience.

Following is the Key Features of HR Volkai:

1. Personalized Interview Preparation:

HR Volkai tailors its guidance to meet each student's unique needs, providing customized advice on interview techniques, common questions, and effective strategies. Whether preparing for a technical role or a creative position, students will receive insights relevant to their field.

2. Live Feedback Mechanism:

After each interview simulation, students benefit from detailed feedback that highlights their strengths and identifies areas for improvement. This iterative learning process ensures students can refine their approach and build confidence.

3. Mock Interview Sessions:

Students can engage in realistic mock interviews with HR Volkai, simulating real-world interview scenarios. This hands-on experience helps students become familiar with the interview environment and boosts poise and assurance.

4. Certification of Completion:

Upon successful completion of the interview preparation process, each student receives a certificate that can be showcased to potential employers—validating their efforts and enhancing employability.

5. Accessibility Across Platforms:

HR Volkai is now live and can be accessed via the web and mobile apps:

-  **Android:** [Download from Google Play Store](#)
-  **iOS:** [Download from Apple App Store](#)

6. Resource Hub:

In addition to interview simulations, HR Volkai includes a comprehensive resource hub featuring articles, videos, and expert tips on job searching, resume building, and overall career development.

We firmly believe that HR Volkai will revolutionize the way students prepare for interviews, equipping them with the confidence and skills necessary to succeed in their job searches. By leveraging AI technology, we aim to bridge the gap between education and employment, ensuring a smoother transition for students into the workforce.
