Brightcom Group - Ready for GDPR

May 25, 2018, HYDERABAD

The Brightcom Group, a global technology company that specializes in Internet-related services and products, which include Ad-tech, New Media and IoT based businesses across the globe, primarily in the digital eco-system, today announced its measures and readiness to the GDPR.

The General Data Protection Regulation ("GDPR"), which takes effect this Friday, May 25, 2018, is data privacy and protection regulation defined and enforced by the European Union. The GDPR imposes new rules regarding the processing of Personal Data of data subjects' located in the EU. Key points about GDPR compliance are:

Key points about GDPR compliance which Brightcom has already worked upon are respecting data privacy, gathering consent & keeping proof of it, securing the digital infrastructure and training and preparing the teams to handle the customer's data, as mandated by GDPR Regulations.

"Brightcom is well aligned with the underlying philosophy of GDPR and we see this as a great opportunity for firms, which are socially responsible towards integrity of private data of consumers, to actually surge ahead in deploying solutions that matter. We have established robust access controls and profile management to ensure that processes are in place" said

Suresh Reddy, Chairman & CEO of the Brightcom Group.

Brightcom Group was formerly known as LYCOS Internet Limited, NSE & BSE: "LYCOS".

Brightcom consumer products division is focused on IoT. Our LIFE product is dedicated to the future of communication and information management in which everyday objects will be connected to the internet, also known as the "Internet of Things" (IoT).

Brightcom Group's renowned global presence, including in the US, Israel, Latin America ME, Western Europe and Asia Pacific regions, positions us at the forefront of the digital landscape, enabling us to support partners in their efforts to leverage and benefit from current global trends. We have the technological platform and human knowledge to do so.
