Snowman Logistics Expands Network with 2 new temperature-controlled owned warehouses

New Delhi, 25th June 2025: Snowman Logistics Limited, India's leading provider of integrated temperature-controlled logistics services, is pleased to announce the completion of construction of and commencement of operations of its 2 owned new state-of-the-art temperature-controlled warehouses in Kolkata and Krishnapatnam. The Kolkata facility has a capacity of 5,630 pallets, and the Krishnapatnam facility has a capacity of 3,927 pallets, bringing the total capacity of the company to 1,50,754 pallets, spread across 43 warehouses in 20 cities. In addition, the Company operates 296 owned and 325+ leased refrigerated vehicles pan India.

These new facilities are equipped with cutting-edge technology incorporating automation to increase operational efficiency, and will cater to a wide range of industries, including seafood, ice cream, dairy products, ready-to-eat meals, quick service restaurant (QSR) items, confectionery, bakery products, fruits and vegetables, and pharmaceuticals.

Commenting on this milestone, **Mr. Prem Kishan Dass Gupta, Chairman, Snowman Logistics Limited**, stated, *"The completion of our Kolkata and Krishnapatnam facility marks another significant step in our mission to provide best-in-class cold chain solutions. We are very confident that the requirement for cold chain will grow exponentially in the country, and we will continue to expand our network."*

About Snowman Logistics Limited

Snowman Logistics is the market leader in integrated temperature-controlled logistics services, catering to the varied cold chain logistical requirements of its clients, on a pan-India basis. With 43 strategically located warehouses, having a total pallet capacity of 1,50,754 across 20 cities including the key markets of Mumbai, Chennai, Bengaluru & Kolkata etc. Snowman caters to its comprehensive network of reputed clients, which source and consume temperature-sensitive products in bulk amounts. Snowman caters to various services like dairy products including butter and cheese, canned food items, poultry and meat, seafood, healthcare, and pharmaceutical products.
