Date: 25.06.2025

To,
The Chief General Manager
Listing Operation,
BSE Limited,
20th Floor, P.J. Towers,
Dalal Street,
Mumbai – 400 001.

Subject: Disclosure under Regulation 30 read with Para A of Part A of Schedule III of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

Dear Sir/Madam,

Pursuant to Regulation 30 read with Para A of Part A of Schedule III of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, we hereby submit the following disclosure regarding the execution of a strategic and exclusive manufacturing and supply agreement.

We are pleased to inform you that **Damson Technologies (Hong Kong) Limited**, a wholly owned subsidiary of **Damson Technologies Private Limited**, which is a material subsidiary of **Last Mile Enterprises Limited**, has entered into an **Exclusivity Manufacturing and Supply Agreement** with **JIANGMEN CHUANGWEI DISPLAY TECHNOLOGY CO., LTD.**, a Limited Liability Company incorporated under the laws of the People's Republic of China.

Jiangmen Chuangwei Display Technology Co., Ltd. is a recognized subsidiary of the **Skyworth Group**, a global leader in smart electronics, and is specifically authorized by the Group to design, manufacture, and supply interactive flat panel display products for international markets.

This agreement marks a significant step in the strategic expansion of Last Mile Enterprises' international operations, particularly in the consumer electronics segment.

Please find below the detailed disclosure in the prescribed format as **Annexure-1**.
We request you to kindly take this on record.

Thanking you,
Yours faithfully,
For, Last Mile Enterprises Limited
(Formerly Known as Trans Financial Resources Limited)

LAST MILE ENTERPRISES LTD

(Formerly known as Trans Financial Resources Limited)

Annexure-1

Disclosure under Regulation 30 read with Para A of Part A of Schedule III of SEBI (LODR) Regulations, 2015

Sr. No.	Particulars
1	Name(s) of parties with whom the agreement is entered: JIANGMEN CHUANGWEI DISPLAY TECHNOLOGY CO., LTD., a subsidiary of Skyworth Group
2	Purpose of entering into the agreement: To exclusively manufacture and supply interactive display products, including Interactive Flat Display Panels (IFDP), in connection with Indonesian government tenders and international markets as per mutually agreed terms.
3	Shareholding, if any, in the entity with whom the agreement is executed: Not Applicable
4	Significant terms of the agreement (in brief): - The agreement is effective from the execution date and remains valid for three years unless terminated earlier. - The manufacturer has granted Damson exclusive manufacturing and supply rights for specified products for government tenders in Indonesia. - Specific annual sales targets are defined: 8,000 units in Year 1, 10,000 in Year 2, and 12,000 in Year 3. - Failure to meet sales targets may result in termination of exclusivity rights by the manufacturer. - The agreement includes confidentiality, governing law under Hong Kong jurisdiction, and arbitration under HKIAAC. - The manufacturer is a subsidiary of Skyworth Group, enabling international standards, scalable production, and global compliance.
5	Whether the said parties are related to promoter/promoter group/group companies in any manner: Not Applicable
6	Whether the transaction would fall within related party transactions? If yes, whether the same is done at "arm's length": Not Applicable
7	In case of issuance of shares to the parties, details of issue price, class of shares issued: Not Applicable
8	Any other disclosures related to such agreements: - The manufacturer is part of Skyworth Group, which operates globally certified manufacturing facilities. - Products will be supplied to serve international demands, particularly in Southeast Asia, MENA, and North America. - The agreement facilitates Last Mile's access to compliant, scalable, and export-optimized production.
9	In case of termination or amendment of agreement, listed entity shall disclose additional details to the stock exchange(s): Not Applicable at this stage

Strategic Significance of the Agreement

This exclusive partnership reflects a long-term strategic initiative to transition Last Mile Enterprises into a globally integrated and design-driven electronics manufacturer. The arrangement provides access to high-quality, ISO-certified manufacturing infrastructure, enables cost-efficient international delivery, and aligns with Last Mile's broader goal of building an agile, export-oriented supply chain.

With this agreement in place, Last Mile Enterprises is now better positioned to:

- Fulfill large-scale international contracts with competitive delivery timelines
- Strengthen its presence in the government and institutional electronics segments
- Expand its market footprint across APAC, MENA, and North America
- Offer OEM/ODM services to global clients while retaining control over branding and IP
- Drive long-term value creation through scalable, asset-light operations

Our Companies:

About Fair Lane

At LMEL, we believe that buildings should be more than just structures; they should be harmonious with their surroundings, promoting a healthy and balanced ecosystem. Our team of skilled architects, engineers, and designers is driven by the passion for creating sustainable solutions that optimize energy efficiency, reduce waste and minimize environmental impact. From residential complexes to commercial buildings and beyond, we apply our expertise to every project. With multiple ongoing projects in Mumbai, we continue to push the boundaries of sustainable architecture and environmentally conscious construction.

About AgriMile

AgriMile is a transformative agri-tech platform created through a joint venture between Last Mile Enterprises Limited and Agribid, with a mission to empower India's farmers through real-time, hyperlocal intelligence and access to essential agricultural services. Designed to serve small and marginal farmers, AgriMile offers satellite-based crop monitoring, weather forecasting, soil diagnostics, and multilingual advisory support. With a vision to integrate inputs like seeds, fertilizers, insurance, and credit in the near future, AgriMile represents a bold step toward building a resilient, data-driven, and inclusive agricultural ecosystem.

About SunBless

SunBless is a revolutionary coating for year-round comfort. Reflecting solar radiation, it offers exceptional thermal insulation, saving up to 65% energy. Waterproof and anti-corrosive, it ensures durability with low maintenance. Organic and eco-friendly, SunBless promotes a healthier indoor environment. Experience innovation and sustainability in one with SunBless.
