ANNEXURE TO NOTICE

Explanatory Statement annexed to and forming part of Notice of 41st Annual General Meeting as required under section 102(1) of the Companies Act, 2013

Item No.4

<u>M</u>r.Prabir Kumar Nag (DIN-07178929) was appointed as a Non-Executive Independent Director of the Company for the I^{st} term of consecutive five years in terms of section 149(1) of Companies Act, 2013, which would be expiring on 25-05-2025.

Mr.Nag is a highly qualified person being a B.Sc.(Engg) in Electrical having over 30 years working experience in corporate houses as a corporate executive and in corporate management and administration too. The Board considers that by his continued association, the Company would be immensely benefited and it is desirable to continue to avail the services of Mr. Nag as a Director of the Company. The Nomination and Remuneration Committee at its meeting held on 08.05.2025 highly recommended the re-appointment of Mr.Nag as a Non-Executive Independent Director of the Company for the 2nd term of consecutive five years, The Board of the Company too at its meeting held on 08.05.2025 approved his re-appointment.

NICCO UCO ALLIANCE CREDIT LIMITED CIN – L65910WB1984PLC037614 Regd.Office: Nicco House, 2 Hare Street Kolkata – 700001 E-Mail: <u>mdnuacl@gmail.com</u>

The resolution seeks approval of members for the re-appointment of Mr.Nag as a Non-Executive Independent Director of the Company. Excepting, Mr.Prabir Kumar Nag who is interested in the appointment, no other Director or Key Managerial Personnel or their relatives is/are concerned or interested in the said appointment.

The Board recommends the resolution set forth in item No.4 for approval by the shareholders.

<u>Item No 5</u>

Mr.Kaustubha Basu (DIN-10185801) was appointed as Managing Director and CEO of the Company on 26.09.2023 for the 1st term of consecutive five years in terms of section 149(1) of Companies Act, 2013, In one of the e-forms – MR-1 mandatorily required to be filed with the Registrar of Companies, West Bengal, furnishing his appointment as MD & CEO and particulars of his terms of appointment there was an inadvertent error regarding his age which at that stage was over 70 years requiring the said e-form MR-1 to be resubmitted furnishing the correct information as per section 196 of Companies Act, 2013 and rules framed thereunder. The revised e-form MR-1 is being re-submitted with the approval of the shareholders of the Company.

Excepting, Mr.Kaustubha Basu who is interested in the matter, no other Director or Key Managerial Personnel or their relatives is/are concerned or interested in the said appointment.

The Board recommends the resolution set in item No.5 for approval by the shareholders.

<u>Item No. 6</u>

UCO Bank has filed an application under Section 7 of the Insolvency and Bankruptcy Code, 2016 (IBC, 2016), before the National Company Law Tribunal (NCLT), Kolkata. This application, bearing Case No. CP(IB)129/2025, was filed on 20th March, 2025, seeking the initiation of the Corporate Insolvency Resolution Process (CIRP) against Nicco Uco Alliance Credit Ltd.

To effectively contest the application and protect the Company's interests, it is imperative to authorize competent individuals to represent the Company before various judicial and quasi-judicial forums. The resolution seeks to grant power to Mr. Kaustubha Basu, Managing Director & CEO, and Mr. Mahadeb Chatterjee, Chief Financial Officer, severally, to act on behalf of the Company.

None of the Directors and the Key Managerial Personnel and their relatives are interested in this resolution.

The Board recommends the resolution set in item No.6 for approval by the shareholders.

Item No.7

The Companies Act, 2013, which came into effect in phases, replaced the Companies Act, 1956 and significantly modified the provisions of the Companies Act, 1956 concerning the incorporation, management, and governance of companies.

In order to bring the provisions of Memorandum of Association (MOA) and Articles of Association (AOA) of the Company in consonance with the provisions of the Companies Act, 2013, it has become imperative to revise and update the Company's MOA and AOA.

NICCO UCO ALLIANCE CREDIT LIMITED CIN – L65910WB1984PLC037614 Regd.Office: Nicco House, 2 Hare Street Kolkata – 700001 E-Mail: mdnuacl@gmail.com

As per Sections 13(1) and 14(1) of Companies Act, 2013, any alteration in MOA and AOA of the company will require approval of the shareholders by special resolution.

Accordingly, the Board recommends passing of the resolutions set out in item no.7 for approval.

None of the Directors, Key Managerial Personnel (KMP) of the Company or their relatives are in any way, concerned or interested, financially or otherwise, in the proposed resolution. The alterations are general in nature and are being undertaken solely to comply with the provisions of the Companies Act, 2013.

The existing and revised Memorandum of Association and Articles of Association of the Company will be available for inspection by the members at the Registered Office of the Company during business hours on all working days up to the date of the Annual General Meeting.

The Members NICCO UCO ALLIANCE CREDIT LIMITED CIN: L65910WB1984PLC037614 2 HARE STREET, NICCO HOUSE, KOLKATA, 700001

I have conducted the secretarial audit of the compliance of applicable statutory provisions and adherence to good corporate practices by **NICCO UCO ALLIANCE CREDIT LTD** (hereinafter called the Company). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/ statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on 31st March, 2025, complied with statutory provisions listed hereunder and also that the Company has proper Board-processes and Compliance – mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms, and returns filed and other records maintained by the company for the financial year ended on 31.03.2025 according to the provisions of:

(i) The Companies Act, 2013 (the Act) and the rules made there under;

(ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made there under (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed there under

(iv) Foreign Exchange Management Act, 1999 and the rules and regulations made there under to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial borrowings;

INDEPENDENT AUDITOR'S REPORT

To the Members of Nicco Uco Alliance Credit Limited Report on the Audit of the Standalone Financial Statements

Qualified Opinion

We have audited the standalone financial statements of **Nicco Uco Alliance Credit Limited** ("the Company"), which comprise the balance sheet as at **March 31, 2025**, the statement of Profit and Loss and the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matter described in the *Basis for Qualified Opinion* section of our report, the aforesaid financial statements give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at **March 31st, 2025** the loss, and its cash flows for the year ended on that date.

Basis for Qualified Opinion

a) Note No. 27.1 regarding cancellation of certificate of registration of the company to carry out non-banking financial activities by Reserve Bank of India (RBI) vide its order dated 31st March 2005, against which the company has preferred an appeal before the Appellate Authority for Non-Banking Finance Company (NBFC), Joint Secretary, Ministry of Finance, Govt. of India, New Delhi, which, as stated, is pending. Notwithstanding this read with negative net worth of the company, accounts have been compiled under going concern concept.

Considering cancellation of license has been contested in appeal still pending, the accounts of the company have been claimed to have been prepared on going concern assumption on the basis of legal opinion obtained by company in earlier years. In the event of adverse decision/development predicament the financial statements may require necessary adjustments in the value of its assets and liabilities, the quantum of which is not readily ascertainable.

b) Note No. 13(d) regarding non-confirmation of balances by Banks and Financial Institutions
 (FI's) in whose Books the account of Company has turned Non Performing Assets (NPAs).

Statutory Audit Report for the year ended 31st March, 2025 of Nicco Uco Alliance Credit Limited

- c) Note No.27.3(a) regarding non-charging of interest on dues to banks and financial institution coming under the purview of consortium resulting in reduction of loss by Rs.2044 crores.
- d) Actuarial valuation not done in this financial year as per IND-AS-19.

In absence of adequate details necessary adjustment could not be made as per relevant provision of IND-AS.

We conducted our audit in accordance with Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. In addition to the matter described in the *Basis for Qualified Opinion* section we have determined the matters described below to be the key audit matters to be communicated in our report.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern

Statutory Audit Report for the year ended 31st March, 2025 of Nicco Uco Alliance Credit Limited Page 4 of 16 and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists

Statutory Audit Report for the year ended 31st March, 2025 of Nicco Uco Alliance Credit Limited

Page 5 of 16

related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the company to express an opinion on the financial statements. We are responsible for the direction, supervision and the performance of the audit of the financial statements of such entities included in the financial statements.
- We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
- We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
- From the matters communicated with those charged with governance, we determine those
 matters that were of most significance in the audit of the financial statements of the current
 period and are therefore the key audit matters. We describe these matters in our auditor's
 report unless law or regulation precludes public disclosure about the matter or when, in
 extremely rare circumstances, we determine that a matter should not be communicated in
 our report because the adverse consequences of doing so would reasonably be expected to
 outweigh the public interest benefits of such communication.

Annexure-1

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Nicco Uco Alliance Credit Limited ("the Company") as of *31st March 2025* in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether

Statutory Audit Report for the year ended 31st March, 2025 of Nicco Uco Alliance Credit Limited

Page 10 of 16

adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the

Statutory Audit Report for the year ended 31st March, 2025 of Nicco Uco Alliance Credit Limited

Page 11 of 16

internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Qualified Opinion

Attention is invited to the paragraph on qualified opinion in our audit report on the standalone financial statements of even date.

In our opinion, subject to the above qualification, which have arisen out of material deficiency in financial control over the past years the company has maintained proper control over financial reporting during the year under review.

SI. No.	Particulars	ended	For the year ended 31st March 2024
a	Provident Fund	0 21	0.44
b	Employees Pension Scheme	0.00	0.25

31.1) Defined Benefit Plan:

The following are the types of defined benefit plans

31.1.1) Gratuity Plan

Every employee who has completed five years or more of service is entitled to gratuity on terms not less favourable than the provisions of the Paymet of Gratuity Act, 1972. The present value of defined obligation and related current cost are measured using the Projected Unit Credit Method.

31.1.2) Provident Fund

Provident Fund (other than government administered) as per the provisions of the Employees Provident Funds and Miscellaneous Provisions Act, 1952

31.1.3) Risk Exposure

Through its defined benefit plans, the company is exposed to a number of risks, the most significant of which are detailed below:

ASSET VOLATILITY	The plan liabilities are calculated using a discount rate set with reference to bond yields; if plan assets underperform this yield, this will create a deficit. Most of the plan asset investments is in fixed income secunties with high grades and in government securities. These are subject to interest rate risk and the fund manages interest rate risk with derivatives to minimise risk to an acceptable level. A portion of the funds are invested in equity securities and in alternative investments which have low correlation with equity securities. The equity securities are expected to earn a return in excess of the discount rate and contribute to the plan deficit. The group has a risk management strategy where the aggregate amount of risk exposure on a portfolio level is maintained at a fixed range. Any deviations from the range are corrected by rebalancing the portfolio. The group intends to maintain the above investment mix in the continuing years.
CHANGES IN BOND YIELDS	A decrease in bond yields will increase plan liabilities, although this will be partially offset by an increase in the value of the plans' bond holdings
INFLATION RISKS	In the pension plans, the pensions in payment are not linked to inflation, so this is a less material risk.
LIFE EXPECTANCY	The pension and medical plan obligations are to provide benefits for the life of the member, so increases in life expectancy will result in an increase in the plans' liabilities. This is particularly significant where inflationary increases result in higher sensitivity to changes in life expectancy.

31.1.4) Reconciliation of the net defined benefit (asset)/ liability

The following table shows a reconciliation from the opening balances to the closing balances for the net defined benefit (asset)/ liability and its components

32.) Asset-Liability Matching Strategy

The company ensures that the investment positions are managed within an asset-liability matching (ALM) framework that has been developed to achieve long-term investments that are in line with the obligations under the employee benefit plans. Within this frameowrk, the company's ALM objective is to match assets to the pension obligations by investing in long-term fixed interest securities with maturities that match the benefit payments as they fall due and in the appropriate currency

The Company actively monitors how the duration and the expected yield of the investments are matching the expected cash outflows arising from the employee benefit obligations. The company has not changed the processes used to manage its risks from previous periods. The company uses derivatives to manage some of its risk. Investments are well diversified, such that the failure of any single investment would not have a material impact on the overall level of assets. Related Party Disclosures

33.2) There are neither any dues as at the year to any Small or Micro Enterprises registered under MSMED Act, 2006 nor any transactions with such parties so far information available about statement of such records with the company.

33.3) Since the company is functioning only under one segment i.e. harvesting and production of tea, the question of submission of segment report under IND AS-108 does not arise.

34) Mandatory Exceptions

Estimates

As per para 14 of Ind AS 101, an entity's estimates in accordance with Ind AS at the date of transition to Ind AS at the end of the comparative period presented in the entity's first Ind AS financial statements, as the case may be, should be consistent with estimates made for the same date in accordance with the previous GAAP unless there is objective evidence that those estimates were in error. However, the estimates should be adjusted to reflect any differences in accounting policies

As per para 16 of the standard, where application of Ind AS requires an entity to make certain estimates that were not required under previous GAAP, those estimates should be made to reflect conditions that existed at the date of transition or at the end of the comparative period. The Company's estimates under Ind AS are consistent with the above requirement. Key estimates considered in preparation of the financial statement that were not required under the previous GAAP are listed below.

-Fair Valuation of financial instruments carried at FVTPL and/ or FVOCI.

-Impairment of financial assets based on the expected credit loss model

-Determination of the discounted value for financial instruments carried at amortized cost

Investment in subsidiary amounting to Rs. 5 lakhs held at cost has been kept out of purview of financial asset.

- 37.2) The management assessed that the fair values of cash and cash equivalents, trade receivables, trade payables, short term borrowings, and other financial liabilities approximates their carrying amounts largely due to the short-term maturities of these instruments.
- 37.3) For Financial assets and liabilities that are measured at fair value, the carrying amounts are equal to their fair values.
- 37.4) The fair value of the financial assets and financial liabilities is included at the amount at which the instruments could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale

The following methods and assumptions were used to estimate the fair values:

- 37.5.1) The fair values for loans, security deposits were calculated based on cash flows discounted using a current lending rate. They are classified as Level 3 fair values in the fair value hierarchy due to the inclusion of unobservable inputs including counterparty credit risks, which has been assessed to be insignificant
- 37 5.2) The fair values of non-current borrowings are based on the discounted cash flows using a current borrowing rate. They are classified as Level 3 fair values in the fair value hierarchy due to the inclusion of unobservable inputs including own credit risks, which was assessed as on the balance sheet date to be insignificant.

37.5.3) Description of significant unobservable inputs to Valuation

Unquoted Equity Shares	Proportionate Net Worth	14.53	4.53	Performance of Investee

38.) Fair Value Hierarchy

The following are the judgements and estimates made in determining the fair values of the financial instruments that are (a) recognized and measured at fair value and (b) measured at amortized cost and for which fair value are disclosed in the financial statements. To provide an indication about the reliability of the inputs used in determining fair value company has classified its financial instruments into the three levels of fair value measurement as prescribed under the Ind AS 113 "Fair Value Measurement". An explanation of each level follows underneath the tables.

38.1) Assets and Liabilities measured at Fair Value - recurring fair value measurements

38.2) During the year ended March 31, 2025 and March 31, 2024, there were no transfers between Level 1 and Level 2 fair value measurements, and no transfer into and out of Level 3 fair value measurements.

38.3) Explanation to the fair value hierarchy

38.3.1) The Company measures financial instruments, such as, quoted investments at fair value at each reporting date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments, traded bonds and mutual funds that have quoted price. The fair value of all equity instruments (including bonds) which are traded in the stock exchanges is valued using the closing price as at the reporting period. The mutual funds are valued using the closing NAV.
- Level 2 The fair value of financial instruments that are not traded in an active market (for example, traded bonds, over-the-counter derivatives) is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.
- Level 3 If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity securities, contingent consideration included in level 3.

39.) Financial Risk Management

Financial management of the Company has been receiving attention of the top management of the Company. The management considers finance as the lifeline of the business and therefore, financial management is carried out meticulously on the basis of detailed management information systems and reports at periodical intervals extending from daily reports to long-term plans. Importance is laid on liquidity and working capital management with a view to reduce over-dependence on borrowings and reduction in interest cost. Various kinds of financial risks and their miligation plans are as follows.

40.) Credit Risk

40.1) The credit risk is the risk of financial loss arising from counter party failing to discharge an obligation. The credit risk is controlled by analysing credit limits and credit worthiness of customers on continuous basis to whom the credit has been granted, obtaining necessary approvals for credit and taking security deposits from trade channels.

Existing practice is to create allowances for doubtful debts on the basis of outstanding non-government dues for above three years subject to due recognition of ongoing negotiation for realisation of dues in this regard without creation of provision in respect of parties reflexing on silverline towards recoverability of old dues.Government dues are generally considered recoverable.

40.2) Liquidity Risk

The Company determines its liquidity requirement in the short, medium and long term. This is done by drawings up cash forecast for short term and long term needs.

The Company manage its liquidity risk in a manner so as to meet its normal financial obligations without any significant delay or stress. Such risk is managed through ensuring operational cash flow while at the same time maintaining adequate cash and cash equivalent position. The management has arranged for diversified funding sources and adopted a policy of managing assets with liquidity monitoring future cash flow and liquidity on a regular basis. Surplus funds not immediately required are invested in certain mutual funds and fixed deposit which provide flexibility to liquidate. Besides, it generally has certain undrawn credit facilities which can be assessed as and when required, such credit facilities are reviewed at regular basis.

40.2.1) Maturity Analysis for financial liabilities

c The amounts are gross and undiscounted, and include contractual interest payments and exclude the impact of netting agreements (if any). The interest payments on variable interest rate loans in the tables above reflect market forward interest rates at the respective reporting dates and these amounts may change as market interest rates change. The future cash flows on derivative instruments may be different from the amount in the above tables as exchange rates change. Except for these financial liabilities, it is not expected that cash flows included in the maturity analysis could occur significantly earlier, or at significantly different amounts. When the amount payable is not fixed, the amount disclosed has been determined with reference to conditions existing at the reporting date

40.3) Market Risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three type of risks: Foreign Exchange Risk, Interest Rate Risk and Other Price Risk.

40.3.1) Foreign Exchange Risk

Foreign Exchange Risk is the exposure of the Company to the potential impact of movements in foreign exchange rates. The Company imports various raw materials viz chemicals, drugs, API, packing materials viz, granules, items of stores and spares and capital goods as per its requirements from time to time and also borrows funds in foreign currencies. This results in foreign currency risk to the Company. Similarly, company's exports are also exposed to foreign currency risks.

For the Foreign Exchange exposures risk management, the Company's Policy is to adopt a flexible approach in hedging its risk. For this, the Company from time to time takes the view from banks and foreign exchange experts and based upon the same and also considering macro-economic factors, forms a view and whenever deemed necessary, hedges its foreign exchange risk. The hedging strategies are taken after careful study/ analysis of foreign exchange market to minimize to the extent possible, any effect of the fluctuation in foreign exchange rates.

40.3.2) Interest Rate Risk

а

The Company is exposed to risk due to interest rate fluctuation on long term borrowings. Such borrowings are based on fixed as well as floating interest rate, interest rate risk is determined by current market interest rates, projected debt servicing capability and view on future interest rate. Such interest rate risk is actively evaluated and is managed through portfolio diversification and exercise of prepayment/refinancing options where considered necessary.

Independent Auditor's Report To the members of Nicco Uco Alliance Credit Ltd. Report on the Consolidated Financial Statements.

Qualified Opinion

We have audited the accompanying consolidated financial statements of **Nicco Uco Alliance Credit Limited** (hereinafter referred to as the "Holding Company") and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group") which comprise the consolidated balance sheet as at **31**st **March**, **2025**, and the consolidated statement of Profit and Loss, and consolidated statement of cash flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies.

In our opinion and to the best of our information and according to the explanations given to us, except for the possible effects of the matter described in the *Basis for Qualified Opinion* section of our report, the aforesaid consolidated financial statements give a true and fair view in conformity with the accounting principles generally accepted in India, of their consolidated state of affairs as at *31st March, 2025*, consolidated the loss and consolidated cash flows for the year then ended.

Basis for Qualified Opinion

a) Note No. 27.1 regarding cancellation of certificate of registration of the company to carry out non-banking financial activities by Reserve Bank of India (RBI) vide its order dated 31st March 2005, against which the company has preferred an appeal before the Appellate Authority for Non-Banking Finance Company (NBFC), Joint Secretary, Ministry of Finance, Govt. of India, New Delhi, which, as stated, is pending.

Considering cancellation of license has been contested in appeal still pending, the accounts of the company have been claimed to have been prepared on going concern assumption on the basis of legal opinion obtained by company in earlier years. In the event of adverse decision/ development predicament the financial statements may require necessary adjustments in the value of its assets and liabilities, the quantum of which is not readily ascertainable.

b) Note No. 13(d) regarding non-confirmation of balances by Banks and Financial Institutions (FI's) in whose Books the account of Company has turned Non-Performing Assets (NPAs).

- c) Note No. 27.3(a) regarding non-charging of interest on dues to banks and financial institution coming under the purview of consortium resulting in reduction of loss by Rs. 2044 crores.
- d) Actuarial valuation not done in this financial year as per IND-AS-19.

In absence of adequate details necessary adjustment could not be made as per relevant provision of IND-AS.

We conducted our audit in accordance with Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. In addition to the matter described in the *Basis for Qualified Opinion* section we have determined the matters described below to be the key audit matters to be communicated in our report.

2.	The company has not provided interest on dues to Banks and financial institutions coming within the purview of consortium arrangement with effect from 01.04.2015 in anticipation of a favourable outcome of the ongoing negotiation for one-time settlement of such dues. The un-provided interest amounts to Rs.2044 crores up to 31.03.2025.	We have checked the details calculation of such un- provided interest
3.	Valuation of Investments: Quoted Investments have been valued at market price. Un-quoted Investments have been valued on the basis of Net Worth of the respective investees.	 We have checked the basis of valuation in detail and also the provision against such shortfall

Management's Responsibility for the Consolidated Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these consolidated financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

Consolidated Audit Report for the year ended 31st March, 2025 of Nicco Uco Alliance Credit Limite

Page 5 of 12

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the company to express an opinion on the financial statements. We are responsible for the direction, supervision and the performance of the audit of the financial statements of such entities included in the financial statements.
- We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
- We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
- From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

We did not audit the financial statements/financial information of one subsidiary whose financial statements / financial information reflect total assets of Rs.15.79 lacs as at 31st March, 2025, total revenues of Rs.0.11 lacs and net cash flows amounting to Rs.1.92 lacs for the year ended on that date, as considered in the consolidated financial statements. These financial statements / financial information have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries. Annexure-1

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the accompanying consolidated financial statements of Nicco Uco Alliance Credit Limited (hereinafter referred to as the "Holding Company") and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group") which comprise the consolidated balance sheet as at March 31, 2025, and the consolidated statement of Profit and Loss, and consolidated statement of cash flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls

Page 10 of 12

over financial reporting was established and maintained and if such controls operated effectively in all material respects. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial

Consolidated Audit Report for the year ended 31st March, 2025 of Nicco Uco Alliance Credit Limited Page 11 of 12 control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Qualified Opinion

Attention is invited to the paragraph on qualified opinion in our audit report on the consolidated financial statements of even date.

In our opinion, subject to the above qualification, which have arisen out of material deficiency in financial control over the past years the company has maintained proper control over financial reporting during the year under review.

31.1) Defined Benefit Plan.

The following are the types of defined benefit plans

31.1.1) Gratuity Plan

Every employee who has completed five years or more of service is entitled to gratuity on terms not less favourable than the provisions of the Paymet of Gratuity Act, 1972 The present value of defined obligation and related current cost are measured using the Projected Unit Credit Method

31.1 2) Provident Fund Provident Fund (other than government administered) as per the provisions of the Employees Provident Funds and Miscellaneous Provisions Act, 1952.

31.1.3) Risk Exposure

Through its defined benefit plans, the company is exposed to a number of risks, the most significant of which are detailed below:

ASSET VOLATILITY	The plan liabilities are calculated using a discount rate set with reference to bond yields; if plan assets underperform this yield, this will create a deficit. Most of the plan asset investments is in fixed income securities with high grades and in government securities. These are subject to interest rate risk and the fund manages interest rate risk with derivatives to minimise risk to an acceptable level. A portion of the funds are invested in equity securities and in alternative investments which have low correlation with equity securities. The equity securities are expected to earn a return in excess of the discount rate and contribute to the plan deficit. The group has a risk management strategy where the aggregate amount of risk exposure on a portfolio level is maintained at a fixed range. Any deviations from the range are corrected by rebalancing the portfolio. The group intends to maintain the above investment mix in the continuing years.
CHANGES IN BOND YIELDS	A decrease in bond yields will increase plan liabilities, although this will be partially offset by an increase in the value of the plans' bond holdings.
INFLATION RISKS	In the pension plans, the pensions in payment are not linked to inflation, so this is a less material risk.
LIFE EXPECTANCY	The pension and medical plan obligations are to provide benefits for the life of the member, so increases in life expectancy will result in an increase in the plans' tiabilities. This is particularly significant where inflationary increases result in higher sensitivity to changes in life expectancy.

31.1.4) Reconciliation of the net defined benefit (asset)/ liability

The following table shows a reconciliation from the opening balances to the closing balances for the net defined benefit (asset)/ liability and its components.

32.) Asset-Liability Matching Strategy

The company ensures that the investment positions are managed within an asset-liability matching (ALM) framework that has been developed to achieve long-term investments that are in line with the obligations under the employee benefit plans. Within this frameowrk, the company's ALM objective is to match assets to the pension obligations by investing in long-term fixed interest securities with maturities that match the benefit payments as they fall due and in the appropriate currency.

The Company actively monitors how the duration and the expected yield of the investments are matching the expected cash outflows arising from the employee benefit obligations. The company has not changed the processes used to manage its risks from previous periods. The company uses derivatives to manage some of its risk. Investments are well diversified, such that the failure of any single investment would not have a material impact on the overall level of assets Related Party Disclosures

34) Mandatory Exceptions

Estimates

As per para 14 of Ind AS 101, an entity's estimates in accordance with Ind AS at the date of transition to Ind AS at the end of the comparative period presented in the entity's first Ind AS financial statements, as the case may be, should be consistent with estimates made for the same date in accordance with the previous GAAP unless there is objective evidence that those estimates were in error. However, the estimates should be adjusted to reflect any differences in accounting policies. As per para 16 of the standard, where application of Ind AS requires an entity to make certain estimates that were not required under previous GAAP those

The Company's estimates should be made to reflect conditions that existed at the date of transition or at the end of the comparative period. The Company's estimates under Ind AS are consistent with the above requirement. Key estimates considered in preparation of the financial statement that were not required under the previous GAAP are listed below.

-Fair Valuation of financial instruments carried at FVTPL and/ or FVOCI

-Impairment of financial assets based on the expected credit loss model

-Determination of the discounted value for financial instruments carried at amortized cost

- 37.2) The management assessed that the fair values of cash and cash equivalents, trade receivables, trade payables, short term borrowings, and other financial liabilities approximates their carrying amounts largely due to the short-term maturities of these instruments.
- 37.3) For Financial assets and liabilities that are measured at fair value, the carrying amounts are equal to their fair values
- 37.4) The fair value of the financial assets and financial liabilities is included at the amount at which the instruments could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.
 - The following methods and assumptions were used to estimate the fair values:
- 37.5 1) The fair values for loans, security deposits were calculated based on cash flows discounted using a current lending rate. They are classified as Level 3 fair values in the fair value hierarchy due to the inclusion of unobservable inputs including counterparty credit risks, which has been assessed to be insignificant.
- 37.5.2) The fair values of non-current borrowings are based on the discounted cash flows using a current borrowing rate. They are classified as Level 3 fair values in the fair value hierarchy due to the inclusion of unobservable inputs including own credit risks, which was assessed as on the balance sheet date to be insignificant.

37.5.3) Description of significant unobservable inputs to Valuation

38.) Fair Value Hierarchy

The following are the judgements and estimates made in determining the fair values of the financial instruments that are (a) recognized and measured at fair value and (b) measured at amortized cost and for which fair value are disclosed in the financial statements. To provide an indication about the reliability of the inputs used in determining fair value, the company has classified its financial instruments into the three levels of fair value measurement as prescribed under the Ind AS 113 "Fair Value Measurement". An explanation of each level follows underneath the tables.

38.1) Assets and Liabilities measured at Fair Value - recurring fair value measurements

36 2) During the year ended March 31, 2025 and March 31, 2024, there were no transfers between Level 1 and Level 2 fair value measurements, and no transfer into and out of Level 3 fair value measurements.

38.3) Explanation to the fair value hierarchy

- 36.3.1) The Company measures financial instruments, such as, quoted investments at fair value at each reporting date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as whole.
 - Level 1 Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments, traded bonds and mutual funds that have quoted price. The fair value of all equity instruments (including bonds) which are traded in the stock exchanges is valued using the closing price as at the reporting period. The mutual funds are valued using the closing NAV
 - Level 2 The fair value of financial instruments that are not traded in an active market (for example, traded bonds, over-the-counter derivatives) is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.
 - Level 3 If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity securities, contingent consideration included in level 3.

39.) Financial Risk Management

Financial management of the Company has been receiving attention of the top management of the Company. The management considers finance as the lifeline of the business and therefore, financial management is carried out meticulously on the basis of detailed management information systems and reports at periodical intervals extending from daily reports to long-term plans. Importance is faid on liquidity and working capital management with a view to reduce overdependence on borrowings and reduction in interest cost. Vanous kinds of financial risks and their mitigation plans are as follows:

40.) Credit Risk
 40.1) The credit risk is the risk of financial loss arising from counter party failing to discharge an obligation. The credit risk is controlled by analysing credit limits and credit worthiness of customers on continuous basis to whom the credit has been granted, obtaining necessary approvals for credit and taking security deposits from trade channels.
 Existing practice is to create allowances for doubtful debts on the basis of outstanding non-government dues for above three years subject to due recognition of ongoing negotiation for realisation of dues in this regard without creation of provision in respect of parties reflexing on silverline towards recoverability of old dues. Government dues are generally considered recoverable.

40.2) Liquidity Risk

The Company determines its liquidity requirement in the short, medium and long term. This is done by drawings up cash forecast for short term and long term needs.

The Company manage its liquidity risk in a manner so as to meet its normal financial obligations without any significant delay or stress. Such risk is managed through ensuring operational cash flow while at the same time maintaining adequate cash and cash equivalent position. The management has arranged for diversified funding sources and adopted a policy of managing assets with liquidity monitoring future cash flow and liquidity on a regular basis. Surplus funds not immediately required are invested in certain mutual funds and fixed deposit which provide flexibility to flexibility to generally has certain undrawn credit facilities which can be assessed as and when required; such credit facilities are reviewed at regular basis.

c The amounts are gross and undiscounted, and include contractual interest payments and exclude the impact of netling agreements (if any). The interest payments on variable interest rate loans in the tables above reflect market forward interest rates at the respective reporting dates and these amounts may change as market interest rates change. The future cash flows on derivative instruments may be different from the amount in the above tables as exchange rates change. Except for these financial liabilities, it is not expected that cash flows included in the maturity analysis could occur significantly earlier, or at significantly different amounts. When the amount payable is not fixed, the amount disclosed has been determined with reference to conditions existing at the reporting date.

40.3) Market Risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three type of risks: Foreign Exchange Risk, Interest Rate Risk and Other Price Risk

40.3 1) Foreign Exchange Risk

Foreign Exchange Risk is the exposure of the Company to the potential impact of movements in foreign exchange rates. The Company imports various raw materials viz, chemicals, drugs, API, packing materials viz, granules, items of stores and spares and capital goods as per its requirements from time to time and also borrows funds in foreign currencies. This results in foreign currency risk to the Company. Similarly, company's exports are also exposed to foreign currency risks.

For the Foreign Exchange exposures risk management, the Company's Policy is to adopt a flexible approach in hedging its risk. For this, the Company from time to time takes the view from banks and foreign exchange experts and based upon the same and also considering macro-economic factors, forms a view and whenever deemed necessary, hedges its foreign exchange risk. The hedging strategies are taken after careful study/ analysis of foreign exchange market to minimize to the extent possible, any effect of the fluctuation in foreign exchange rates.

а Exposure to currency risk

The Company's exposure to foreign currency risk at the end of the reporting period expressed in INR, are as follows:

40.3.2) Interest Rate Risk

а

The Company is exposed to risk due to interest rate fluctuation on long term borrowings. Such borrowings are based on fixed as well as floating interest rate. Interest rate risk is determined by current market interest rates, projected debt servicing capability and view on future interest rate. Such interest rate risk is actively evaluated and is managed through portfolio diversification and exercise of prepayment/refinancing options where considered necessary.
