Dear Sir/Madam,

In continuation of our earlier disclosure made on July 24, 2025, August 16, 2025 and pursuant to Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, we wish to inform you that our subsidiary Alan Scott Learnix Private Limited, which recently launched KrishGuru – the world’s first AI Teacher capable of functioning without internet connectivity – has entered into an agreement to acquire the complete content suite of Edurishi Eduventures Private Limited (“Edurishi”).

The acquired content covers Standards 4 to 10, aligned with the National Education Policy (NEP), and includes:

- STEAM learning and assessment modules
- Project-based and multidisciplinary learning resources
- Teacher training modules
- ICT-based learning resources

The total consideration for this acquisition would be approximately ₹ 50 lakhs (Indian Rupees Fifty Lakhs only).

This content will serve as a strategic foundation for Alan Scott Learnix to:

1. Design and deliver Artificial Intelligence (“AI”) powered skill development solutions tailored for schools and individual learners.
2. Promote and distribute the content under the **Learnix** brand as part of the company’s growing education technology portfolio.
3. Develop next-generation AI-driven learning tools aimed at reskilling and upskilling the country’s youth to meet emerging industry demands.

We believe this acquisition significantly strengthens the Learnix roadmap in the field of AI-enabled education, STEAM learning, teacher empowerment, and youth reskilling, positioning the company to address both current and future educational challenges at scale.
