# Global South mustn't rely on single market: Jaishankar

EAM holds series of bilateral meetings on UNGA sidelines

ARCHIS MOHAN  
New Delhi, 24 September

External Affairs Minister S Jaishankar on Wednesday (India time) called for an urgent resolution to conflicts — including the Russia-Ukraine war — which are impacting food, fertiliser, and energy security.

He bemoaned the fact that the “very concept of multilateralism is under attack” with international organisations having been rendered ineffective or starved of resources.

“The building blocks of the contemporary order are starting to come apart. And the cost of delaying much-needed reforms is today starkly visible,” he said.

Also, in his address at the “high-level” meeting of “Like-Minded Global South Countries”, on the sidelines of the 80th session of the United Nations General Assembly (UNGA) in New York, the minister stressed the need for countries of the Global South to develop resilient, reliable, and shorter supply chains that would reduce dependence on any single supplier or any single market.

Jaishankar’s comments come in the context of the White House having imposed high tariffs on Indian goods, including a 25 per cent penalty for India’s purchase of Russian oil.

New Delhi also faces an uncertain supply of critical minerals and fertilisers from China.

Over the past few months, India has explored diversifying its export markets, and also looked for alternative sources to procure rare-earth minerals, for which it has been heavily dependent on China. The Russia-Ukraine war has disrupted India’s fertiliser import.

Jaishankar sought unity among the countries of the Global South to work on creating a stable environment for balanced and sustainable economic interactions, including more South-South trade, investment, and technology collaborations and fair and transparent economic practices that democratise production and enhance

economic security.

Jaishankar spoke of the world living in “increasingly uncertain times” at least since 2020. He said the Global South had been confronted with the “shocks” of the pandemic, two major conflicts in Ukraine and Gaza, extreme climate events, volatility in trade, uncertainty in investment flows and interest rates.

On the sidelines of the UNGA session, Jaishankar attended an informal meeting of European Union (EU) foreign ministers, hosted by EU High Representative for Foreign Affairs and Security Policy Kaja Kallas. Several EU members have disagreed with the US singling out India in imposing some of the highest tariffs. In an interview to *Bloomberg*, Finnish President Alexander Stubb said the West shouldn’t put India “in the same basket as Russia or China”, and it is “very important for the West” to engage with India.

In his interview with *Fox News*, Ukrainian President Volodymyr Zelenskyy said that India was “mostly with us”.

“Yes, we have these questions with energy, but I think that President Trump

can manage it with Europeans, make more close and strong relations with India,” Zelenskyy said. “And I think, we have to do everything not to withdraw Indians and they will change their attitude to the Russian energy sector,” he said.

In an interview with a media outlet, United States (US) Secretary of State Marco Rubio described India as a very close partner of the US.

Rubio on Monday met Jaishankar. In another interview, Rubio repeated that President Donald Trump resolved the India-Pakistan conflict.

On Tuesday evening, in his address at the UNGA, Trump claimed that he has ended “seven unendable wars”. India has maintained that there was no third-party intervention in its ceasing hostilities with Pakistan on May 10.

In New York, Jaishankar also met his counterparts from the Netherlands, Denmark, Singapore, Jamaica, Mauritius, and others. He also met Sultan Ahmed Bin Sulayem, group chairman and chief executive officer, DP World, a Dubai-based multinational logistics company.

# Cabinet clears ₹69,725 cr package to boost indigenous shipbuilding

DHRUVAKSH SAHA  
New Delhi, 24 September

The Union cabinet on Wednesday announced a massive infrastructure boost for India’s maritime sector with a ₹69,725 crore package, aimed at building indigenous shipping and shipbuilding capabilities.

Following up on Finance Minister Nirmala Sitharaman’s budget announcements in February, the cabinet approved the maritime reforms package to revitalise India’s shipbuilding and maritime ecosystem, which included a ₹24,736 crore revamped shipbuilding finance assistance scheme (SBFAP), ₹25,000 crore Maritime Development Fund (MDF), and a shipbuilding cluster development programme worth ₹19,989 crore.

“The package introduces a four-pillar approach designed to strengthen domestic capacity, improve long-term financing, promote greenfield and brown-field shipyard development, enhance technical capabilities and skilling, and implement legal, taxation, and policy reforms to create a robust maritime infrastructure,” an official statement said. The decade-long schemes will induce an investment of ₹4.5 trillion and result in an output of over 2,500 vessels, Union Information and Broadcasting Minister

Ashwini Vaishnaw said in a press conference. “Under this package, the Shipbuilding Financial Assistance Scheme (SBFAS) will be extended until 31 March 2036 with a total corpus of ₹24,736 crore. The scheme aims to incentivise ship building in India and includes a Shipbreaking Credit Note with an allocation of ₹4,001 crore. A National Shipbuilding Mission will also be established to oversee the implementation of all initiatives,” the statement said.

The first shipbuilding assistance programme saw little success with a limited offtake. The ministry of ports shipping and waterways has standardised the benefits to be given to shipyards over the delivery period to attract more players to avail the scheme.

Vessels worth below ₹100 crore will be given an assistance of 15 per cent, while those valued above that will be given a 20 per cent support by the government.

Moreover, special, green, hybrid, and specialised vessels will attract an assistance of 25 per cent.

The vessel credit note scheme is much like the Centre’s vehicle scrappage programme for automobiles. The scheme will allow ship owners to avail a credit note of 40 per

## Cabinet okays ₹6,014 crore highway, railways projects

The Union Cabinet on Wednesday approved the Construction of a four-lane highway in Sahebganj-Arera-Bettiah section of the National Highway (NH)-139W and a multi-tracking project of the Bakhtiyarpur – Rajgir – Tilaiya single railway line project in poll-bound Bihar.

Together, these two projects are worth ₹ 6,014 crore. “The proposed four-lane greenfield project is to improve connectivity between the State Capital Patna with Bettiah connecting the North Bihar Districts of Vaishali, Saran, Siwan, Gopalganj, Muzaffarpur, East Champaran and West Champaran up to the areas along the Indo-Nepal border. The project will support the movement of long-distance freight traffic, improve access to key infrastructure and facilitate regional economic development by improving connectivity to agricultural zones, industrial areas, and cross-border trade routes,” the cabinet said. The ₹3,822 crore project will be built in Hybrid Annuity Model, where the government pays 40 per cent of the project cost to the developer upfront and the remaining in annuities.

The project will improve access to heritage and Buddhist tourist sites including the Kesariya Buddha Stupa (Sahebganj), Someshwaramath Mandir (Arera), Jain Mandir and Vishwa Shanti Stupa (Vaishali), and Mahavir Temple (Patna), strengthening the Buddhist circuit and international tourism potential of Bihar. cent of the vessel’s scrap value when scrapped in an Indian yard – this will be reimbursable against the cost of constructing a new vessel in an Indian shipyard.

**Bonus approved for 1.09 million railway staff**  
The Cabinet Committee on Economic Affairs chaired by Prime Minister Narendra Modi has approved a produc-

tivity-linked bonus equivalent to 78 days’ wages for 1.09 million railway employees, Railway Minister Ashwini Vaishnaw announced here on Wednesday.

The total bonus amount stands at 1,886 crore, a government press statement said, adding that the bonus has been approved in recognition of the excellent performance by the 1.9 million railway staff.

## Two schemes to add over 10K medical seats approved

The Union Cabinet on Wednesday approved two schemes to add around 10,000 undergraduate (UG) and postgraduate (PG) medical seats in the next four years.

The first approval is for the extension of the central scheme for upgradation of existing government medical colleges to increase 5,023 MBBS seats. “This would include an enhanced cost ceiling of ₹1.50 crore per seat,” Union I&B Minister Ash-

wini Vaishnaw said. The Centre also approved the third phase of a scheme for strengthening and upgrading existing central and state government medical colleges to increase around 5,000 PG seats.

At present, India has 808 medical colleges with a total intake capacity of 1,23,700 MBBS seats. Similarly, there are over 74,000 PG medical seats in the country.

The total cost of the two schemes is ₹ 15,034.50 crore for 2025–26 to 2028–29. “Out

of this, the central share is ₹10,303.20 crore and the state share is ₹4,731.30 crore,” the government said.

Meanwhile, in a bid to promote research, the government on Wednesday approved a ₹2,277 crore umbrella scheme for doctoral and post-doctoral fellowships. The scheme will cover all R&D institutions, national laboratories, Institutes of National Importance, Institutes of Eminence, and universities. BS REPORTER & AGENCIES

# Hold 140% more wheat in buffer at start of season: Millers to Centre

Suggestion may raise Centre’s subsidy burden on storage, stretch limits

SANJEEB MUKHERJEE  
New Delhi, 24 September

Ahead of the new wheat-sowing season, flour millers have urged the government to hold nearly 140 per cent more stocks in the buffer than the current norm of 7.5 million tonnes at the start of the season to curb volatility in prices.

“India requires around 18.4 million tons of wheat every year to meet its PDS requirement. What we are suggesting is that the government build a stock which is equivalent to a full one year requirement at the start of the season itself so that there is certainty in the market and no volatility in prices,” Navneet Chitlangia, president of The Roller Flour Millers Federation of India, said.

The suggestion, though, is expected to raise Centre’s subsidy burden on storage and stretch storage limits.

Chitlangia also said that sowing of wheat might get delayed this year in northern states, particularly in Punjab, as silt from the floods that hit the state a few weeks back, is yet to be cleared from the fields in at least five districts of the state.

He also urged the government to commission a comprehensive study on the impact of Dried Distillers Grains with Solubles (DDGS) on cattle health and milk quality.

The federation said that while DDGS volumes are rising sharply, public studies indicate possible adverse effects on cattle digestion and long-term productivity.

“The surplus DDGS has also disrupted

the traditional cattle feed market, causing a steep fall in wheat bran prices, which directly impacts flour millers and paradoxically contributes to higher atta, maida and suji prices for consumers,” he said.

The federation also demanded long-term clarity on the government’s wheat policy, especially the Open Market Sale Scheme (OMSS).

It also said that with adequate wheat stock available with the government as of now it should allow phase-wise liberation of wheat products exports, such as *atta*, *maida*, and *suji*.

Presently, export of *atta* is permitted, but under Advance Import Authorisation, and the millers are demanding free exports of at least 1 million tons of *atta*.

“Opening up wheat products’ exports freely will allow the industry to tap global markets again, give farmers better price realisation and position India as a trusted global supplier,” the millers said.

## Rahul promises EBCs law on lines of Atrocity Act in Bihar

Congress leader Rahul Gandhi on Wednesday reached out to the numerically powerful extremely backward classes (EBCs) of Bihar, promising, among other things, a law for protection against atrocities, on the lines of the SC/ST Act, if the INDIA bloc came to power in the state.

The leader of the Opposition in the Lok Sabha addressed the ‘Ati Pichhda Nyay Sankalp’ (pledge for justice to extremely backward classes) symposium, shortly after the Congress Working Committee meeting in the city. He was joined by All India Congress Committee (AICC) President Mallikarjun Kharge and alliance partner Tejashwi Yadav of the RJD, among others.

Gandhi unveiled 10 resolves (sankalp) for the benefit of the EBCs, who, according to the caste survey conducted by the Nitish Kumar government, comprise 36 per cent of the state’s total population.

Besides the promise of the ‘EBCs Prevention of Atrocities Act’, other resolves include a rise in quotas for the EBCs in local bodies and panchayats, from the existing 20 per cent to 30 per cent. Also on offer are a total of 50 per cent quota for SCs, STs, OBCs and EBCs “in government contracts worth up to ₹25 crore”, “admissions to private educational institutions in the state” and “three decimals of land in urban areas and five decimals in rural areas” to landless families from the deprived castes. ## PM reviews 8 projects worth ₹65,000 crore

Prime Minister Narendra Modi on Wednesday reviewed eight critical infrastructure projects across 15 states with a cumulative investment of ₹ 65,000 crore with an emphasis on clear timelines and prompt resolution of bottlenecks. The projects reviewed during the 49th meeting of Pro-Active Governance and Timely Implementation (PRAGATI) platform spanned across sectors including mines, railways, water resources, and power. PTI

## E-verification plan to prevent voter deletion rolled out

The Election Commission (EC) has rolled out an e-verification procedure to ensure that the provision to seek deletion of names from voters’ list is not misused. Those seeking removal of names or claiming objection to inclusion of names in the electoral roll will get a one-time password on their registered mobile phones. “There could be cases where a person seeking removal of a name gives someone else’s name or phone number while filing objection online. This added feature will prevent such a misuse,” an official explained.

The feature was rolled out a week ago. PTI

## RS polls for 4 J&K seats on Oct 24

Biennial elections to fill four Rajya Sabha seats from Jammu & Kashmir, which have been lying vacant since 2021, will be held on October 24, the Election Commission said on Wednesday.

Separately, Rajya Sabha bypoll to fill the vacancy created by the resignation of AAP member from Punjab Sanjeev Arora will also be held on October 24. He had resigned following his election to the Punjab assembly. His Rajya Sabha term was to otherwise end on April 9, 2028. MLAs elect Rajya Sabha members of their respective states. PTI

## Assam CM orders SIT probe into Zubeen’s death

Assam Chief Minister Himanta Biswa Sarma on Wednesday said he had asked the state’s director general of police to form a special investigation team (SIT) to probe the untimely death of cultural icon Zubeen Garg in Singapore last week. The Criminal Investigation Department (CID) of Assam Police is currently probing the case of Garg’s death after more than 60 FIRs have been lodged across the state against organisers of the Northeast India Festival, where the singer had gone to perform. The CM said that the viscera samples will be sent to the Central Forensic Laboratory (CFL), Delhi. PTI
