Delhi ‘doubles’ capex, keeps ₹5.1K cr for women payouts

ARCHIS MOHAN
New Delhi, 25 March

Delhi Chief Minister Rekha Gupta on Tuesday presented a ₹1 trillion Budget for FY26, and this outlay for the Union Territory (UT) is a 31.57 per cent increase over that in the previous year.

For FY25, the Budget, presented by the government run by the Aam Aadmi Party (AAP), had an outlay of ₹76,000 crore.

In the newly elected Bharatiya Janata Party (BJP) government’s first Budget, Gupta, who holds the finance portfolio, highlighted that she had doubled capital expenditure to ₹28,000 crore (capex allocation was ₹15,089 crore in the FY25 Budget). She said her government would focus on infrastructure development, the cleaning of the Yamuna, and women’s economic empowerment.

The chief minister said the ₹1 lakh crore would be financed from the tax revenue of ₹68,700 crore, non-tax revenue of ₹750 crore, small savings of ₹15,000 crore, central road fund of ₹1,000 crore, centrally sponsored schemes of ₹4,128 crore, grants-in-aid from the Centre of ₹7,348 crore and the rest from

DELHI'S 'BIGGEST' BUDGET	
TOTAL OUTLAY: ₹1 trillion a 31.57% increase over FY25	■ Capex: Doubled to ₹28,000 cr
■ Yamuna cleanup ₹500 cr allocated, modelled after the Sabarmati Riverfront Project	■ Transport sector: ₹12,952 cr, up from ₹9,337 crore in FY25
■ Women's welfare: ₹5,100 cr for ₹2,500 monthly allowance to eligible women	■ Health care: ₹6,874 cr allocated, down from ₹8,685 crore in FY25
	■ Pollution control: ₹300 cr earmarked for anti-pollution measures

the opening balance.

Gupta said the Budget had allocated 72 per cent for revenue and 28 per cent for capital expenditure.

The Budget has allotted ₹6,874 crore for the health sector (down from ₹8,685 crore in 2024-25 Budget), including the setting up of health and wellness centres and expanding the Ayushman Arogya Mandir initiative. It has provided ₹12,952 crore for the transport sector, up from ₹9,337 crore (2024-25 Budget) and ₹5,100 crore has been earmarked for the ₹2,500 monthly allowance to eligible

women, a key election plank of the BJP. The Budget set aside ₹10 crore for a site on the outskirts of the UT to relocate the Tihar Jail complex. Leader of Opposition Atishi, who as the UT’s finance minister presented the FY25 Budget, accused the BJP government of “deliberately” not presenting the Economic Survey.

“If the government truly had ₹1 lakh crore in revenue, it wouldn’t have hesitated to present the Economic Survey in the Assembly. They hid it because the numbers would expose the truth behind this

hollow Budget,” she said.

Atishi said the government’s Budget had cut allocations for essential sectors like education, health, and municipal services, saying the Budget revealed the government’s “intent to weaken public services”. “For the first time in 10 years, the education Budget has fallen below 20 per cent (of the total), showing their (the BJP’s) agenda to destroy government schools. Health spending has also been cut to 13 per cent — lowest in a decade — to dismantle free treatment for the poor,” she said.

House panel raps MoRTH over quality of highways

DHRUVAKSH SAHA
New Delhi, 25 March

The parliamentary standing committee on transport, tourism and culture on Tuesday slammed the Ministry of Road Transport and Highways (MoRTH) over continued inadequacies in highway construction and the reasons given for them. The panel also asked the ministry why errant contractors continued to get projects.

In its report on the ministry’s demand for grants for 2025-26, the committee said it welcomed the inclusion of defect liability clauses for highway contracts.

However, it also observed the “inconsistent enforcement,” with some contractors failing to undertake repairs without penalty.

“It also raises concerns over firms with a record of poor construction continuing to receive new contracts. The committee, therefore, recommends stricter enforcement of defect liability clauses. The ministry should implement differentiated contracting approaches with extended defect liability periods modelled after the success of build, operate and transfer (BOT) and hybrid annuity model (HAM) contracts, which have demonstrated superior road condition outcomes by maintaining contractor responsibility for maintenance,” it said.

The committee recommended to the ministry a tiered-rating approach for contractors — something that the ministry last year said it has been working on. The rating for contractors will determine eligibility and preference in future contracts.

Additionally, the proposed public registry of non-compliant contractors should include standardised performance metrics, documented defects, remediation timelines, and compliance history. This will enable meaningful comparison across firms, the panel told the ministry.

Wheat procurement season off to a strong start

Wheat procurement for the 2025–26 marketing year has started on a strong note, signalling a positive outlook for the entire season if the momentum continues. So far, procurement has begun in Madhya Pradesh and Rajasthan, with Punjab and Haryana set to follow in April. Data shows that as of now, around 145,512 tonnes of wheat have been procured in MP — higher than the 14,233 tonnes procured during the same period last year. The state has announced

a bonus of ₹125 per quintal over the Centre-fixed MSP of ₹2,425 per quintal for 2025–26. Rajasthan has also declared a bonus of ₹150 per quintal over the MSP. The government has projected production for 2025–26 to hit a record high of over 115 mt, up from 113.29 mt this year. The government has directed traders, wholesalers, retailers and processors to declare wheat inventories every Friday from April 1.

Committee calls for national heat plan

The parliamentary committee has recommended a slew of measures, including a national Heat Action Plan (HAP), allocation of more funds for environment, education, awareness, research and skill development, ensuring the survival of planted saplings, and greater utilisation of funds to control pollution and implement other central schemes to fight climate change. On climate change, the committee said it is a global concern and India needs to be especially vigilant.

TN given more MGNREGA funds than UP, Govt tells Lok Sabha

Tamil Nadu received more funds than Uttar Pradesh under MGNREGA in one financial year, despite its population being significantly smaller, Union Minister Chandra Sekhar Pemmasani informed the Lok Sabha on Tuesday, prompting strong protests from DMK MPs. The Union Minister of State for Rural Development said the Central government has never discriminated against any state in releasing MGNREGA funds. During Question Hour, Pemmasani also alleged multiple instances of fund misappropriation in West Bengal under the scheme, stating that “multiple things went wrong” in its implementation.
