## CG POWER AND INDUSTRIAL SOLUTIONS LTD

### PRESS RELEASE

#### **CG Power Unveils 'Fluxtron' – The Game-Changer in Sustainable Industrial Motors, reducing Carbon Footprint**

**MUMBAI, India, March 26, 2025** – In a bold leap toward a greener future, CG Power and Industrial Solutions Ltd (CG), a powerhouse in the electrical engineering industry, has launched 'Fluxtron'—its most advanced, high-efficiency medium voltage induction motors. Designed to redefine energy efficiency, 'Fluxtron' marks a revolutionary step in sustainable industrial operations, empowering businesses to dramatically cut their carbon footprint while boosting productivity.

Engineered with cutting-edge technology, 'Fluxtron' motors set new industry benchmarks in reliability, energy efficiency, and durability. Built to withstand the harshest industrial environments, these motors deliver superior performance while significantly reducing energy consumption and operational costs. With minimal maintenance and seamless Variable Frequency Drive (VFD) compatibility, 'Fluxtron' ensures precision control of speed and torque, making industrial processes smarter and more adaptable.

With industries accelerating their shift toward sustainability and net-zero emissions, CG's 'Fluxtron' motors redefine what it means to be energy efficient. By optimizing power usage and reducing waste, these motors empower industries to achieve their ESG goals without compromising on performance.

With over 86 years of pioneering excellence, CG continues to lead the way in industrial motor technology. This latest launch reinforces CG's commitment to innovation, sustainability, and future-ready solutions.

Speaking on the landmark launch, Mr. Amar Kaul, MD & CEO, CG Power and Industrial Solutions Limited, said:

*"'Fluxtron' is more than just a motor—it's a movement. A movement towards a future where industries operate with maximum efficiency and minimal environmental impact. At CG, we are not just powering businesses; we are shaping a more sustainable world."*

With 'Fluxtron', CG Power is not just delivering a product—it's fuelling an industrial transformation. The future of sustainable, high-performance motors is here.

## About CG Power and Industrial Solutions Limited

CG Power and Industrial Solutions Limited is an engineering conglomerate headquartered in Mumbai, India. The Company is a leader in the Electrical Engineering Industry and has two business lines—Industrial Systems and Power Systems. It manufactures Traction Motors, Propulsion systems, Signalling Relays etc., for the Indian Railways, and wide range of Induction Motors, Drives, Transformers, Switchgears, and other allied products for the Industrial and Power sectors. Recently, the Company also made a foray into the business of Consumer Appliances such as Fans, Pumps, and Water Heaters.

The Company has 18 world-class manufacturing plants across 9 locations in India and one in Sweden, and a Pan India network of 5 Regional and 14 Branch offices, with around 3,113 employees. The Company's consolidated revenue for FY24 was Rs 8,046 crores (USD 964 million).

The Company continues to excel and maintain its leadership position across its businesses, backed by its outstanding expertise, customer-centric approach, and enhanced focus on innovation and sustainability.

Since November 2020, the Company has become a part of the renowned Murugappa Group.

## About Murugappa Group
