IPL Overview:

India Pesticides Limited (IPL) is one of the fastest growing, R&D driven and globally operating agrochemical companies, pioneered the manufacturing since 1984. We were among the fastest growing agrochemical companies in India in terms of volume in Fiscal 2020. We are also a leading manufacturer of herbicide and fungicide technical and active pharmaceutical ingredients (APIs).

Safe Harbour:

Certain statements in this presentation concerning our future growth prospects are forward looking statements, which involve a number of risks, and uncertainties that could cause actual results to differ materially from those in such forward-looking statements. The company's results may be affected by factors including, but not limited to, the risks and uncertainties in research and development; competitive developments; regulatory actions; the extent and duration of the effects of the COVID-19 pandemic; litigation and investigations; business development transactions; economic conditions; and changes in laws and regulations. India Pesticides Limited will not be responsible for any action taken based on such statements and undertakes no obligation to publicly update these forward-looking statements to reflect subsequent events or circumstances.
