Therefore, we are unable to comment on the significant movement in the price of the Equity Shares of the company across Exchanges. In the recent past, Further, whatever the movement in the price of Equity Shares in the company is, it is purely due to market conditions and absolutely market driven and the management of the company is not connected with such movement in the price

We would like to state that the Company would continue to inform Stock Exchanges about any price sensitive informations and to make it available in the website of the company in due compliance of the law

Kindly take the above on record

Thanking You

Yours Faithfuly
