## *Press Release*

### ***Euphoria Infotech (India) Limited bagged order from Webel Technology Limited worth gross value Rs.13.75 Crores***

***Kolkata, June 26, 2025***

***Euphoria Infotech India Limited (BSE: EUPHORIAIT):*** We are pleased to inform you that the Company has bagged a major work order from Webel Technology Limited (a Government of West Bengal Undertaking) for the maintenance of a University Management System (UMS) at the West Bengal University of Health Sciences (WBUHS). The value of the work order is approximately ₹13.75 crore (Rupees Thirteen Crore Seventy-Five Lakh Twenty-Nine Thousand Only), and the contract duration is five years.

This project reinforces Euphoria Infotech's leadership in the Education Technology (EdTech) domain. Given that there are 1,168 universities across India with similar requirements, this solution presents a significant opportunity for scale. This engagement is a strong step toward sustainable long-term growth and aligns with the national vision of Digital India and academic modernisation.

#### **Disclaimer**

This press release includes forward-looking statements. We have based these forward-looking statements on our current expectations and projections about future events. Such statements involve known and unknown risks, uncertainties and other factors that may cause actual results to differ materially. Such factors include, but are not limited to, changes in local and global economic conditions, our ability to successfully implement our strategy, the market acceptance of and demand for our products, our growth and expansion, technological change and our exposure to market risks. By their nature, these expectations and projections are only estimates and could be materially different from actual results in the future.
