Note on Qualification in Audit Report
The Group has investments in Aussee Oats Milling Private Limited (joint venture) and Aussee Oats India Limited (step down joint venture) (together referred to as 'JV') of Rs. 7,488.12 lakhs including investments, loans and other assets (as on March 31, 2025: Rs. 7,414.08 lakhs). There is a dispute between the Group and said JV partners and due to non-availability of financial results for the quarter ended June 30, 2025, as a consequence of non-cooperation of the said JV partners which is in direct contravention of court rulings, the Group is unable to determine the fair value of Group's investments in JV as at period end date and consequent impact thereof on the results. However, the Management believe that it will not have a material impact on the financial results for the quarter ended June 30, 2025.

The above is an extract of the detailed format of quarter and period ended Financial Results filed with the Stock Exchanges under Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. Note on Qualification in Audit Report
The Group has investments in Aussee Oats Milling Private Limited (joint venture) and Aussee Oats India Limited (step down joint venture) (together referred to as "JV") of Rs. 7,488.12 lakhs including investments, loans and other assets (as on March 31, 2025: Rs. 7,414.08 lakhs). There is a dispute between the Group and said JV partners and due to non-availability of financial results for the quarter ended June 30, 2025, as a consequence of non-cooperation of the said JV partners which is in direct contravention of court rulings, the Group is unable to determine the fair value of Group's investments in JV as at period end date and consequent impact thereof on the results. However, the Management believe that it will not have a material impact on the financial results for the quarter ended June 30, 2025.
