ITEM NO. 1: APPROVAL OF MATERIAL RELATED PARTY TRANSACTIONS WITH FINTON HOMES:

ITEM NO. 2:

APPROVAL FOR THE EXIT OF THE COMPANY'S INVESTMENT IN FINTON HOMES, A PARTNERSHIP FIRM BY WAY OF RETIREMENT FROM THE PARTNERSHIP FIRM PURSUANT TO THE PROVISIONS OF SECTION 180(1)(a) OF THE COMPANIES ACT, 2013 AND REGULATION 37A OF THE SECURITIES AND EXCHANGE BOARD OF INDIA (LISTING OBLIGATIONS AND DISCLOSURE REQUIREMENTS) REGULATIONS, 2015

Object & Commercial Rationale for the proposed divestment of stake in the Partnership Firm vide retirement as a partner of Finton Homes:

Your Company had earlier made investment in **Finton Homes, a partnership firm ('Finton/ Partnership Firm')** and currently it is having a 55% stake as a partner in Finton with the rest of the stake is being held by Mr. Hemant Sood (22.50 % Partner) and Mr. Chander Shekar (22.50 % Partner). The investment in the partnership was undertaken with the primary objective of developing an affordable housing project. In furtherance of the same, the necessary approvals under the Real Estate (Regulation and Development) Act, 2016 and Rules made thereunder ("RERA") were duly obtained. The Company, through the partnership, has completed the project to a substantial extent and has secured the Occupancy Certificate ("OC") for almost all the towers comprised therein. As on the valuation date, the project envisaged the construction of approximately 1,136 residential flats, of which more than 670 flats have been sold, and possession of 402 flats has either been handed over or offered to be handed over to the respective allottees.

Finton has already booked its income based on the completion method of accounting and the same have been considered appropriately in the Consolidated Financials of the Company. However, the cash flow of the income so accrued has not yet been realized. As per the financial results submitted with stock exchanges as on 30th September 2025, the total amount of Rs. 4,311.35 Lacs is due to be received from the Partnership Firm on account of capital and accumulated profits based on the accounting treatment basis the completion method.

Considering the current market scenario Finton has accumulated certain non-moving stocks and the cash flow from the stock is not immediately forthcoming. Whereas, the Company has a debt of Rs. 5721.41 Lacs, as on September 30, 2025 and the interest on the loans etc. is adversely impacting the profitability of the Company. The management of the Company was analyzing the aspect of either divesting the stake in Finton vis-à-vis clearing off the existing liabilities followed by the opportunities of approaching greener pastures as available in new businesses. The Board of Directors of the Company ("**Board**"), on the recommendation of the Audit Committee, at their meeting(s) held on **Friday, November 14, 2025** have approved and recommended the aspect that in view of the acute liquidity constraints arising from non-moving inventory and a progressively escalating bank liability position, it is deemed a commercially prudent and economically expedient decision to divest the concerned Undertaking. The proceeds from such sale shall be applied, in priority, towards extinguishment of outstanding liabilities, including bank borrowings and dues to creditors, thereby rendering the Company substantially debt-free. The Board on the recommendation of the Audit Committee, have accordingly approved and recommended the divestment of the stake in Finton via retirement from the said partnership firm.

It is clarified that the Company shall be retiring as a partner from the partnership firm and Mr. Hemant Sood and Mr. Chander Shekar shall become the remaining partners in the partnership firm with the understanding that they shall have a right to induct any other partner who can support the cash flows to be paid to the Company by the Firm on account of its retirement from the Partnership Firm.

Utilization of proceeds:

The proceeds from such sale shall be applied, in priority, towards extinguishment of outstanding liabilities, including bank borrowings and dues to creditors, thereby rendering the Company substantially debt-free. Post the divestment of the stake of the Company via retirement as a partner in Finton, the Company shall be well-positioned to adopt a more aggressive growth strategy, including but not limited to the advancement of the hospital project and strategic expansion in the hospitality sector.

In light of the Company's improved liquidity position and achievement of a debt-free status, it is anticipated that the banking partners and financial institutions will demonstrate a renewed willingness to extend financial assistance for new business initiatives. The Company continues to progress diligently and systematically with its ongoing restructuring and asset monetization efforts.

Accordingly, the Board recommends passing of the resolution as set out in the accompanying Notice as a Special Resolution, pursuant to the provisions of Section 180(1)(a) of the Companies Act, 2013 ("**the Act**") read with Regulation 37A of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("**SEBI Listing Regulations**"), and any other applicable provisions, if any.

Manner of determination of the consideration:

Basis the valuation report provided by Mr. Nipan Bansal, an IBBI Registered Valuer bearing Registration No. IBBI/RV/ 06/2019/12640 vide his report dated September 15, 2025 the Enterprise Value of Finton Homes ('Finton'), a partnership firm in which Company is a partner has been determined as Rs 13621 Lacs (approx.) as on July 15, 2025 ("the Valuation Date"). Accordingly, the fair value of the stake of the Company as a Partner in Finton, basis the valuation report shall be INR 7491.55 Lacs considering the valuation of firm as on July 15, 2025 ('Cut Off date for valuation of firm').

Based on the valuation of the Firm, the total consideration payable to the Retiring Partner basis the cut off date for valuation of firm as above, after making necessary adjustments including the excess of capital already withdrawn by the Retiring Partner, is INR 5222.29 Lacs, which shall be discharged by a sum of INR. 4800.72 Lacs in cash and balance amount shall be discharged by transferring the right, title and interest in the land and building located at Hampton Homes, Hampton Court Business Park, NH-95, Mudian Khurd, Ludhiana Chandigarh Road, Ludhiana, admeasuring 0.25 acres, which has been fair-valued at Rs. 421.57 Lacs as per the independent valuation report provided by the valuer of the immovable property. Post seeking approval of the members a **"Retirement Deed cum addendum"** shall be entered into between the Company (**'the Retiring Partner'**) and Mr. Hemant Sood and Mr. Chander Shekar, both collectively referred as **'the Remaining Partner(s)'** for reconstitution of Finton.

The valuation of the land & building to be acquired as part consideration towards proposed divestment of the stake in Finton has been done by an independent valuer of immovable property namely **Mr. Daljit Raheja** bearing registration No Registration No CC/PTA/ Tech-II/Valuer/ 90-91/92/65 Dt 21-2-91 and duly registered with Insolvency Bankruptcy Board vide Registration No. IBBI/RV/10/2019/12487, whose valuation report is already forming part of the valuation undertaken while determining the enterprise value of the firm.

In terms of Section 180(1)(a) of the Act approval of the shareholders is required by way of a special resolution to sell, dispose-off ***or otherwise transfer*** the whole or substantially the whole of any undertaking. The stake of the Company in Finton is an "undertaking" in terms of Section 180(1)(a) of the Act and the proposed retirement as a partner in the partnership firm would employ divesting the stake thereon, which would entail seeking approval by the members by way of a special resolution. Post divestment by way of retirement from the partnership firm the remaining partners would be assuming the status of partners of the partnership firm, hence, the approval from shareholders is being sought out of abundant caution and as a measure of good corporate governance under Regulation 37A of the SEBI Listing Regulations.

Additionally, the approval under Regulation 37A of the SEBI Listing Regulations shall be acted upon, only if the votes cast by the public shareholders in favor of the resolution exceed the votes cast by such public shareholders against the resolution, and that no public shareholder shall vote on the resolution if he is a party, directly or indirectly, in the said partnership firm.

The Board is of the opinion that based on the reasons elucidated above, the aforesaid proposal is in the best interests of the Company and hence, the Board recommends Item No. 2 for your approval by way of a ***Special Resolution***.

None of the Directors or Key Managerial Personnel is interested or concerned in the proposed transaction financially or otherwise except to the extent of their shareholding, if any, in the Company.

ITEM NO. 3: APPROVAL FOR THE EXIT OF THE COMPANY'S SHARE IN FINTON HOMES, A PARTNERSHIP FIRM BY WAY OF RETIREMENT FROM THE PARTNERSHIP FIRM PURSUANT TO THE PROVISIONS OF SECTION 188 OF THE COMPANIES ACT, 2013 AND REGULATION 23 OF THE SECURITIES AND EXCHANGE BOARD OF INDIA (LISTING OBLIGATIONS AND DISCLOSURE REQUIREMENTS) REGULATIONS, 2015:

Commercial Justification:

The Company had, in the past, invested in **Finton Homes**, a partnership firm (**"Finton" or "Partnership Firm"**), wherein the Company presently holds a 55% partnership interest, while the balance partnership interest is held by Mr. Hemant Sood (22.50%) and Mr. Chander Shekar (22.50%). The said investment was made with the specific object of undertaking the development of an affordable housing project. In furtherance thereof, all requisite approvals under the Real Estate (Regulation and Development) Act, 2016 and the Rules framed thereunder (**"RERA"**) were duly obtained.

Acting through the said Partnership Firm, the Company has substantially completed the project and has procured the Occupancy Certificate (“OC”) in respect of almost all towers forming part of the said project. The project envisaged the construction of approximately 1,136 residential flats, out of which more than 670 flats stand sold, and possession in respect of 402 flats has either been duly handed over or offered to be handed over to the respective allottees as on the date of valuation i.e. July 15, 2025.

Finton has, in accordance with the completion method of accounting, duly recognized its income, and such income has been appropriately incorporated in the Consolidated Financial Statements of the Company. However, the cash flow corresponding to such accrued income has not, as yet, been realized. As per the financial results submitted with stock exchanges as on September 30, 2025, the total amount of Rs. 4,311.35 Lacs is due to be received from the Partnership Firm on account of capital and accumulated profits based on the accounting treatment basis the completion method.

In the prevailing market scenario, Finton has accumulated certain non-moving inventory, and realization of cash flows from such stock is not expected in the immediate future. Conversely, as on September 30, 2025, the Company has outstanding debt obligations aggregating to Rs. 5721.41 Lacs, and the interest and finance cost burden thereon is adversely impacting the profitability of the Company. In these circumstances, the management of the Company examined the matter and considered the options of divesting its stake in Finton vis-à-vis liquidating liabilities and, thereafter, pursuing fresh business opportunities in emerging sectors.

The Board of Directors of the Company (“**Board**”), at its meeting held on **Friday, November 14, 2025** based on the recommendation of the Audit Committee, has accorded its approval and recommendation that, in view of the acute liquidity constraints emanating from non-moving inventory and the progressively escalating liability position, it would be commercially prudent and economically expedient to divest the said undertaking. The proceeds arising from such divestment shall be applied, in priority, towards repayment and settlement of outstanding liabilities, including bank borrowings and dues to creditors, thereby placing the Company in a substantially debt-free position. Accordingly, on the recommendation of the Audit Committee, the Board has approved and recommended the divestment of the Company’s stake in Finton by way of retirement from the said Partnership Firm.

The Board on the approval and recommendation of the Audit Committee, at their meeting(s) held on **Friday, November 14, 2025** have approved and recommended for the proposed divestment of entire 55% stake in the Partnership Firm vide retirement as a partner of Finton with the objective of deploying the proceeds towards the discharge of existing liabilities, including bank borrowings and outstanding dues to creditors. The divestment is expected to significantly deleverage the Company and strengthen its financial position.

In view of the proposed Retirement from the Partnership Firm, it has been decided by the Audit Committee and the Board that it should be proposed towards seeking approval of the Shareholders in terms of Section 188 of the Act read with Regulation 23 of the SEBI Listing Regulations, wherein any material related party transactions shall require prior approval of the shareholders through a resolution. Since, the proposed transaction involves divestment of the entire 55% stake in Finton which is undertaken by way of retirement from the partnership firm, and transaction involves dealing by the Company with the related parties accordingly approval from the shareholders is being sought.

Basis the valuation report provided by **Mr. Nipan Bansal**, an IBBI Registered Valuer bearing Registration No. IBBI/RV/ 06/2019/12640 vide his report dated September 15, 2025 the Enterprise Value of Finton Homes (‘Finton’), a partnership firm in which Company is a partner has been determined as Rs 13621 Lacs (approx.) as on July 15, 2025 (“the Valuation Date”). Accordingly, the fair value of the stake of the Company as a Partner in Finton, basis the valuation report shall be INR 7491.55 Lacs considering the valuation of firm as on July 15, 2025 (‘Cut Off date for valuation of firm’).

Based on the valuation of the Firm, the total consideration payable to the Retiring Partner basis the cut off date for valuation of firm as above, after making necessary adjustments including the excess of capital already withdrawn by the Retiring Partner, is INR 5222.29 Lacs, which shall be discharged by a sum of INR. 4800.72 Lacs in cash and balance amount shall be discharged by transferring the right, title and interest in the land and building located at Hampton Homes, Hampton Court Business Park, NH-95, Mudian Khurd, Ludhiana Chandigarh Road, Ludhiana, admeasuring 0.25 acres, which has been fair-valued at Rs. 421.57 Lacs as per the independent valuation report provided by the valuer of the immovable property. Post seeking approval of the members a “**Retirement Deed cum**

addendum” shall be entered into between the Company (**‘the Retiring Partner’**) and Mr. Hemant Sood and Mr. Chander Shekar, both collectively referred as **‘the Remaining Partner(s)’** for reconstitution of Finton.

The valuation of the land and building to be acquired as part consideration towards proposed divestment of the stake in Finton has been done by an independent valuer of immovable property namely **Mr. Daljit Raheja** bearing registration No CC/PTA / Tech-II/Valuer/ 90-91/92/65 Dt 21-2-91 and duly registered with Insolvency Bankruptcy Board vide Registration No. IBBI/RV/10/2019/12487, whose valuation report is already forming part of the valuation undertaken while determining the enterprise value of the firm.

The Company shall continue to facilitate support to Finton in all manners including but not limiting to all activities pertaining to giving effect to the effective transfer of the stake of the partnership, adhering to the terms of the proposed Retirement Deed, issuance to any power of attorney or authorization or assistance as may be desired fit and deemed necessary for smooth running of the business of the partnership firm in any manner. Considering the fact Company is seeking approval towards exit as a partner from Finton, accordingly, approval from the members is being sought towards transaction between the Company and its related party. Also, considering the fact that the Remaining Partners are considered as Related Parties under Ind AS 24, accordingly details of the same are also forming part of this explanatory statement as the Company. Although no transaction is being entered by the Company with remaining partners, however, cautiously it is considered as a transaction with related parties under the covenants of purpose and effect. Accordingly, the Company is seeking approval jointly for Finton and remaining partners thereto.

The details concerning the proposed transaction as required to be disclosed pursuant to Rule 15 of the Companies (Meetings of Board and its Powers) Rules, 2014 and SEBI Circular dated November 11, 2024 bearing reference no. SEBI/HO/CFD/PoD2/CIR/P/0155 as amended by the SEBI Circular No: SEBI/HO/CFD/CFD-PoD-2/P/CIR/2025/93 dated June 26, 2025 as read with the Revised RPT Industry Standards dated June 26, 2025, effective September 1, 2025, the mandatory disclosures pertaining to related party transactions are mentioned herein below:

The divestment is expected to significantly deleverage the Company and strengthen its financial position.</p> <p>Divestment of entire 55% stake in the Partnership Firm vide retirement as a partner of Finton is being undertaken in following manner:</p> <p>Basis the valuation report provided by Mr. Nipan Bansal, an IBBI Registered Valuer bearing Registration No. IBBI/RV/06/2019/12640 vide his report dated September 15, 2025 the Enterprise Value of Finton Homes (‘Finton’), a partnership firm in which Company is a partner has been determined as Rs 13621 Lacs (approx.) as on July 15, 2025 (“the Valuation Date”). Discussions with banking and financial institutions remain active, and such institutions have indicated a clear willingness to consider further financial support, contingent on improved liquidity metrics. The Company is actively advancing towards this threshold through its restructuring efforts and asset monetisation strategy.
