The facility was formally launched at a function presided over by the Executive Director of TMB, **Shri Vincent Menachery Devassy**. The event was graced by the **Chief Guest, Smt. Kavitha N. George, Additional Central PF Commissioner, Chennai**. Senior officials from the **Employees' Provident Fund Organisation (EPFO), Delhi** — **Shri A.K. Paliwal, Regional Provident Fund Commissioner**, and **Shri Kapil Anand, Accounts Officer** — attended the event **virtually**. Senior Executives of TMB also attended the launch event.

Welcoming the Chief Guest and the EPFO team from Delhi, the Executive Director stated that the launch of online EPF payment collection is an **important milestone for the Bank**, aimed at enhancing customer convenience through digital integration. He highlighted that TMB has already implemented online payment facilities for **CBDT, GST, and ICEGATE**, and the addition of EPF payments further strengthens the Bank's digital offerings. He added that the Bank will actively **popularise this facility among customers** and focus on **increasing the number of EPF payments routed through TMB**.

With this new facility, MSME units / Retailers / Wholesalers / Big Corporate Customers, who have employed more than 20 or more employees / staff, can **remit EPF contributions, including monthly salary deductions of employees, directly through TMB Internet Banking** without the need to visit bank branches.

In her address, the Chief Guest stated that this facility would be highly beneficial for the above-mentioned customers who maintain accounts with TMB but were earlier making EPF payments through other banks. She emphasized the need to educate TMB customers on using this digital facility and to popularise EPF payment adoption among MSME customers, thereby enabling more enterprises to remit EPF contributions for their employees through TMB Internet Banking.
