This is in reference with the clarification sought by the Stock Exchanges regarding the media report titled '**Adani Green targets 7 GWh BESS in Gujarat & up to Rs. 40,000 crore capex in FY27**' on the website "**www.thehindubusinessline.com**" published on January 27, 2026 ("**Press Report**").

We draw your attention to the Company's press release dated November 11, 2025 ([Click here](#)) and subsequent communication dated November 13, 2025 wherein we had informed that the Company will lead the implementation of Adani's first Battery Energy Storage Systems ("BESS") project ([Click here](#)).

The Company reiterates that it is already on track to deploy one of the world's largest single location BESS in coming months. The Company also intends to enhance its BESS capacities – potentially more than 2x the current year's capacity – in the subsequent financial year. ([Click here](#))
