EXPLANATORY STATEMENT

As required by Section 102 of the Companies Act, 2013 (the “Act”), the following Explanatory Statement sets out all the material facts relating to the businesses mentioned under Item No.1 to 2 of the accompanying Notice dated 21st January 2026.

ITEM NO.1

Background

The Board of Directors of the Company, at its meeting held on 14th November 2025, approved the raising of funds aggregating up to ₹195 crore through a preferential issue comprising:

- Equity Shares aggregating up to ₹145 crore, and
- Convertible Warrants aggregating up to ₹50 crore,

in accordance with the provisions of Sections 42 and 62(1)(c) of the Companies Act, 2013 read with Chapter V of the SEBI (Issue of Capital and Disclosure Requirements) Regulations, 2018 (“SEBI ICDR Regulations”).

The shareholders accorded their approval to the said preferential issue by way of special resolution(s) at the 2nd Extra-Ordinary General Meeting of the FY 2025-26 held on 12th December 2025, and the Company thereafter received the requisite in-principle approvals from BSE Limited and National Stock Exchange of India Limited on 18th December 2025.

Status of Subscription and Allotment

Instrument	Approved Size (₹)	Subscribed / Allotted (₹)	% Subscription	Remarks
Equity Shares	145,00,00,000	99,43,12,500	68.57	Fully paid-up equity shares allotted
Convertible Warrants	50,00,00,000	50,00,00,000	100.00	25% upfront received (₹12.50 crore)
Total	195,00,00,000	149,43,12,500	76.63	₹111.93 crore received; ₹37.50 crore receivable

Accordingly, the Company has received ₹111.93 crore, comprising ₹99.43 crore from equity shares and ₹12.50 crore as upfront consideration against convertible warrants. The balance ₹37.50 crore shall be received upon conversion of warrants into equity shares within 18 months from the date of allotment.

Approvals by the Allotment Committee:

The Allotment Committee of the Board, at its meeting held on 02nd January 2026, inter alia, approved:

1. Allotment of Equity Shares

99,43,125 fully paid-up equity shares of ₹10 each at an issue price of ₹100 per share (including premium of ₹90), aggregating to ₹99,43,12,500, allotted to identified Non-Promoter persons / entities, including FPIs.

2. Allotment of Convertible Warrants

50,00,000 convertible warrants at ₹100 each, aggregating to ₹50 crore, to an identified non-

promoter entity, including an FPI, against which ₹12.50 crore (25%) was received upfront.

3. Partial Subscription

One identified FPI, M7 Global Fund PCC – Cell Dewcap Fund, did not remit the full subscription monies, however paid partially within the stipulated period and such unsubscribed portion stood withdrawn / lapsed.

Rationale for Revision in Utilisation (Impact of Partial Subscription)

The convertible warrants aggregating to ₹50.00 crore were fully subscribed and, accordingly, no variation in utilisation is proposed in respect thereof. The proposed variation is confined solely to the equity share proceeds aggregating to ₹99,43,12,500. As only 68.57% of the approved equity share preferential issue size was subscribed, the object-wise utilisation originally approved by the shareholders has undergone a mechanical proportionate reduction, resulting in an aggregate shortfall of ₹45,56,87,500, as detailed below.

Impact of Partial Subscription on Originally Approved Utilisation

S. No.	Objects	Originally Approved Amount (₹)	Originally Approved (%)	Reduced Utilisation Amount (₹)	Reduced Utilisation (%)	Shortfall Amount (₹)	Shortfall (%)

Total		1,45,00,00,000.00	100.00	99,43,12,500.00	100.00	45,56,87,500.00	

Proposed Re-prioritised Utilisation

While the above represents a proportionate reduction, the Board at its meeting held on 21.01.2026, has undertaken a conscious re-prioritisation of utilisation having regard to:

- criticality of land acquisition for infrastructure development;
- statutory requirement for redemption of preference shares under Section 55 of the Act, out of ₹12.75 crore approved:
 - ₹9.25 crore due on 24thSeptember 2026 (provided for), and
 - ₹3.50 crore due on 12thJuly 2029, proposed to be met from internal accruals/permissible sources;
- partial repayment of NCDs, restricted to available funds only;
- optimisation of working capital deployment; and
- continued provision for general corporate purposes.

The revised utilisation of equity share proceeds aggregating to ₹99,43,12,500 is set out as below:

This includes related costs such as stamp duty, registration, legal and consultancy fees, title due diligence, regulatory approvals, and any amounts payable to sellers necessary for effecting transfer of title or possession. Dividend on these shares has not been paid since FY 2011–12, and the cumulative unpaid amount of ₹15.97 crore is disclosed as a contingent liability in the financial statements. Regulatory Compliance

The proposed revision constitutes a variation under Regulation 32(1) of the SEBI (LODR) Regulations, 2015. Since the variation exceeds 10%, approval of shareholders by way of special resolution is required.

Applicability of Section 13(8)

The funds were raised through a preferential issue under Sections 42 and 62(1)(c) of the Companies Act, 2013, which does not involve issuance of a prospectus. Accordingly, Section 13(8) of the Companies Act, 2013 is not applicable.

Consequently, the provisions of Sections 27(1) and 27(2) of the Act relating to exit offer to dissenting shareholders are also not applicable.

Interest of Directors / KMP:

None of the Directors, Key Managerial Personnel, or their respective relatives are in any way concerned or interested, financially or otherwise, in this resolution set out under Item No.1.

Recommendation:

The Board of Directors at its meeting held on 21st January, 2026, after considering the recommendation of the Audit Committee, which was held on the same date, recommends the resolution set out under Item No.1 of the notice for approval of the members as a Special Resolution.

ITEM NO.2

Background

The Members of the Company, at their Extra-Ordinary General Meeting held on 02nd May 2024, approved the issuance of 27,15,722 Convertible Warrants on a preferential basis, each convertible into one (1) fully paid-up equity share of face value ₹10/- at an issue price of ₹149.50 per warrant, aggregating to ₹40,60,00,439/-.

The Company thereafter received the requisite in-principle approvals from BSE Limited on 20th August 2024 and National Stock Exchange of India Limited on 21st August 2024

Pursuant to the said approvals, the Allotment Committee, at its meeting held on 05th September 2024, allotted 24,34,786 Convertible Warrants, on account of partial subscription, at the same issue price, aggregating to ₹36,40,00,507/-, of which 25% i.e., ₹9,10,00,127/- has been received upfront.

Status of Receipt, Utilisation and Conversion

It may be noted that:

- out of the upfront proceeds of ₹9.10 crore received, the Company has substantially utilised the same towards the approved objects of the issue;
- as on date, only an amount of approximately ₹30 lakh remains unutilised, pending final deployment in accordance with business requirements; and

- conversion of 18,99,666 Convertible Warrants (out of the 24,34,786 warrants allotted) is yet to take place, and the balance issue proceeds corresponding thereto shall be received only upon such conversion, within the permissible period ending on 04th March 2026.

Accordingly, further utilisation of funds is intrinsically linked to the conversion-linked inflow structure of the preferential issue.

Objects of the Issue (as approved)

Sl. No.	Objects	Approved Amount (₹)	Approved Amount proportionate to the partial subscription (₹)	Original Timeline
1	Investment in real estate for warehousing, logistics & industrial park projects, light engineering, electronic factories and new acquisitions	30,00,00,000	26,89,65,601.04	On or before 31.10.2025
2	Deployment towards working capital	4,00,00,000	3,58,62,080.14	On or before 31.10.2025
3	General Corporate Purposes	6,60,00,439	5,91,72,825.82	On or before 31.10.2025
	Total	40,60,00,439	36,40,00,507.00	

The utilisation of funds is being undertaken in proportion to the proceeds actually received, in line with the disclosures made at the time of the EGM.

Regulatory Framework at the Time of Approval

The EGM Notice dated 4th April 2024 of the said EGM had, inter alia, disclosed that:

- utilisation of funds was contingent upon full or proportionate receipt of issue proceeds;
- the Board was authorised to reschedule and revise utilisation timelines, subject to compliance with applicable laws; and
- pending utilisation, the proceeds could be temporarily invested in permitted instruments.

Reason for Extension of Timeline

At the time of seeking shareholders' approval, the utilisation timeline was determined based on a bonafide expectation that the Convertible Warrants would be converted at an earlier stage within the permissible conversion period, thereby enabling timely receipt and deployment of the proceeds.

However, under the SEBI ICDR Regulations, the Convertible Warrants are convertible into equity shares within 18 months from the date of allotment, with the final conversion window extending up to 04th March 2026.

Accordingly:

- the entire proceeds from the warrants are not yet available for deployment;
- certain large-ticket investments, particularly in real estate and infrastructure-linked projects, are dependent on receipt of full conversion proceeds; and
- prevailing market conditions and execution timelines warrant a prudent and phased deployment of funds.

The lapse of the original utilisation deadline of 31st October 2025 is therefore not attributable to any deviation in objects, but arises from the conversion-linked inflow structure inherent in preferential issuances of convertible warrants.

Proposed Extension

It is proposed to extend the timeline for utilisation of funds by a further period of two (2) years, i.e., up to 31st October 2027, for all the approved objects, without any change in:

- the objects of utilisation;
- the approved amounts; or
- the nature and structure of the preferential issue.

Audit Committee Review

Pursuant to Regulation 32 of the SEBI (LODR) Regulations, 2015, the Audit Committee of the Company at its meeting held on 21st January, 2026, has reviewed the proposal and recommended the same, after confirming that:

- there is no deviation or variation in objects;
- the proposal involves only an extension of timeline; and
- the same is fully consistent with the disclosures made to shareholders at the EGM held on 02nd May 2024.

Statutory & Regulatory Compliance

- The proposal does not constitute a change in objects under Section 13(8) of the Companies Act, 2013.
- There is no variation exceeding 10% in allocation of funds.
- The proposal is in line with Regulation 32 of SEBI (LODR) and prior shareholder disclosures.
- Necessary disclosures shall be made to the Stock Exchanges, as applicable.

Interest of Directors / KMP

None of the Directors, Key Managerial Personnel of the Company or their respective relatives are, in any way, concerned or interested, financially or otherwise, in the resolution set out at Item No. 02.

Recommendation

The Board of Directors at its meeting held on 21st January, 2026, after considering the recommendation of the Audit Committee, which was held on the same date, recommends the Resolution set out under Item No.2 of the Notice for approval of the Members, as a special resolution.

Documents for Inspection:

Copies of all relevant documents, including the earlier shareholders' approval dated 02nd May, 2024 and the other relevant papers, are available for inspection at the registered office of the Company during business hours up to the date of the meeting.
