NOMINATION AND REMUNERATION POLICY

Preamble

Pursuant to Section 178 of the Companies Act, 2013 and the Rules framed thereunder (as amended from time to time) (the "Act") and Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended from time to time) (the "SEBI Listing Regulations"), the Board of Directors of every listed company is required to constitute the Nomination and Remuneration Committee

Objective

In order to comply with the requirements of Section 178 of the Act and SEBI Listing Regulations and any other applicable provisions, the Nomination and Remuneration Committee of the Board of Directors of the Company (the "Committee") had formulated this policy (the "Policy").

The key objectives of the Policy are as follows:

- To formulate the criteria for determining qualifications, competencies, positive attributes and independence for appointment of a Director (Executive / Non-Executive) and recommend to the Board of Directors of the Company (the "Board"), policies relating to the remuneration of the Directors, Key Managerial Personnel and other employees.
- To formulate criteria for evaluation of the members of the Board and provide necessary report to the Board for further evaluation of the Board.
- To provide to Key Managerial Personnel and Senior Management reward linked directly to their effort, performance, dedication and achievement relating to the Company's operations]
- To retain, motivate and promote talent and to ensure long term sustainability of talented managerial persons and create competitive advantage.
- To devise a Policy on Board Diversity.
- To determine whether to extend or continue the term of appointment of the Independent Director(s), on the basis of the report of performance evaluation of Independent Directors.

Definitions :

"Board" means Board of Directors of the Company.

"Director" means Directors of the Company who are members of the Committee.

"Committee" means Nomination and Remuneration Committee of the Company as constituted or reconstituted by the Board.

"Company" means Crown Tours Limited.

"Independent Director" means a director referred to in Section 149(6) of the Act,.

"Key Managerial Personnel" (KMP) means.

- the Chief Executive Officer or the Managing Director; or Manager;
- the Company Secretary.
- the Whole-time director;
- the Chief Financial Officer;
- Such other officer, not more than one level below the directors who is in whole time employment, designated as key managerial personnel by the Board; and
- Such other officer as may be prescribed

“Senior Management” would include all members of management one level below the CEO / MD / Whole Time Director / Manager (including CEO / Manager, in case CEO / Manager is not part of the Board) and should specifically include the Company Secretary and the Chief Financial Officer (CFO.)

Applicability:

The Policy is applicable to Directors (Executive and Non-Executive), KMP and Senior Management Personnel.

The Committee shall:

- Formulate the criteria for determining qualifications, positive attributes and independence of a director and recommend to the board of directors a policy relating to, the remuneration of the directors, key managerial personnel and other employees.
- Formulate the criteria for payment to Non-executive Directors and evaluation of performance of independent directors and the board of directors.
- Oversee the identification of persons who are qualified to become a Director and who may be appointed in senior management in accordance with the criteria laid down in this policy.
- Recommend to the Board, appointment, removal of Director and Senior Management.
- Recommend to the Board remuneration payable to directors and Senior Management which shall be in accordance with the provisions of the Companies Act, 2013, and the rules made there under.
- Shall consider whether to extend or continue the term of appointment of the independent director.
- Shall specify the manner for effective evaluation of performance of Board, its committees and individual directors to be carried out either by the Board, by the Committee or by an independent external agency and review its implementation and compliance.
- Due to reasons for any disqualification mentioned in the Companies Act, 2013, rules made there under or under any other applicable Act, rules and regulations, the Committee may recommend, to the Board with reasons recorded in writing, removal of a Director, KMP or Senior Management subject to the provisions and compliance of the said Act, rules and regulations
- Shall work with the Chairperson to plan for CEO / Managing Director's succession including plans for interim succession in the event of an unexpected occurrence or a planned transition and submit to the Board to nominate potential successors to CEO.
- The Directors, KMP and Senior Management shall retire as per the applicable provisions of the Companies Act, 2013 and the prevailing policy of the Company. The Board will have the discretion to retain the Directors, KMP and Senior Management in the same position / remuneration or otherwise, even after attaining the retirement age, for the benefit of the Company.
- Delegate such activities to the CEO / Managing Director as the Committee deems necessary and to review the actions taken by the person on such activities.

Membership:

- a) The Committee shall comprise at least three (3) Directors, all of whom shall be non-executive Directors and at least half shall be Independent.
- b) The Board shall reconstitute the Committee as and when required to comply with the provisions of the Act, and applicable statutory requirements.
- c) (Either two (2) or one third (1/3rd) of the Directors of the Committee, whichever is greater, including at least one Independent director in attendance shall constitute a quorum for the Committee meeting)
- d) Membership of the Committee shall be disclosed in the Annual Report.
- e) Term of the Committee shall be continued unless terminated by the Board.

Meetings:

The meetings of the Committee shall be held as and when required and as statutorily required under the provisions of Act, and Rules made there under and as per the applicable laws, if any, for the time being which shall not be less than one meeting in a year.

Proceedings of all meetings must be minuted and signed by the Chairperson of the Committee at the subsequent meeting. Minutes of the Committee meetings will be tabled at the subsequent Board and Committee meeting.

Matters arising for determination at Committee meetings shall be decided by consensus or by a majority of votes of members present and voting and any such decision shall for all purposes be deemed a decision of the Committee;

In the case of equality of votes, the Chairperson of the meeting will have a casting vote.

Remuneration Policy:

Nomination/appointment of Directors, Key Managerial Personnel and Senior Management and other employees of the Company: Nomination and appointment of Directors, Key Managerial Personnel and Senior Management and other employees of the Company shall be based upon appropriate qualifications, experience and attributes.

The NRC shall identify and ascertain the integrity, qualification, positive attributes, expertise and experience of the person for appointment as Director, KMP or at Senior Management level and recommend to the Board his / her appointment based upon the need of the Company.

Appointment of Independent Directors is also subject to compliance of provisions of the Companies Act, 2013 and Listing Regulations.

Remuneration to Directors and Key Managerial Personnel:

The Board, on the recommendation of the NRC shall review and approve the remuneration payable to the Directors of the Company within the overall limits approved by the shareholders as per the provisions of the Companies Act, 2013 and Listing Regulations.

Remuneration to Executive Directors and Key Managerial Personnel of the Company:

The remuneration structure to the Executive Directors and Key Managerial Personnel may include the following components: (i) Basic Pay (ii) Perquisites and Allowances (iii) Stock Options (iv) Commission (Applicable in case of Executive Directors) (v) Retiral benefits (vi) Annual Performance Bonus and such other benefits as may approved/decided from time to time.

The Board, on the recommendation of the NRC, shall also review and approve the remuneration payable to the Key Managerial Personnel of the Company in accordance with the provision of the Companies Act, 2013 and Listing Regulations.

Remuneration to Non-Executive Directors:

The Board, on the recommendation of the NRC, shall review and approve the remuneration payable to the Non-Executive Directors of the Company subject to compliance of provisions of the Companies Act, 2013 and Listing Regulations.

Non-Executive Directors shall be entitled to sitting fees for attending the meetings of the Board and the Committees thereof. The Non-Executive Directors may also be entitled to profit related commission in addition to the sitting fees.

Remuneration to Senior Management and other employees of the Company:

Remuneration to Senior Management and other employees shall be according to their qualifications and work experience, competencies as well as their roles and responsibilities in the organization. Individual

remuneration shall be determined within the appropriate grade and shall be based on various factors such as job profile, skill sets, seniority, experience and prevailing remuneration levels for equivalent jobs.

Policy on Board diversity:

Crown Tours believes in and embraces the benefit of having a diverse Board of Directors and sees increasing diversity at Board level as an essential element in maintaining a competitive advantage. A truly diverse Board will include and make good use of the differences in the skills, regional and industry experience, background, gender and other distinctions between Directors.

These distinctions would be considered in determining the optimum composition of the Board and when possible would be balanced appropriately.

At a minimum, the Board of the Company shall consist of at least one woman Director. All Board appointments are made on merit, in context of the knowledge, skills, experience, independence and integrity which are required to make the Board as a whole effective.

In reviewing the Board composition, the Committee will consider the benefits of all aspects of diversity including, but not limited to, those described above, in order to discharge its duties and responsibilities effectively.

In identifying suitable candidates for appointment for the Board, the committee will consider candidates on merit against objective criteria and due regard for the benefits of diversity on the Board.

As part of the annual performance evaluation of the effectiveness of the Board, Board Committees and individual Directors, the Committee will consider the balance of skills, experience, independence and knowledge of Crown Tours on the Board and the diversity representation of the Board, including gender, how the Board works together as a unit, and other factors relevant to its effectiveness.

Policy review

This Policy is framed based on the provisions of the Companies Act, 2013 and rules there under and the requirements of Listing Regulations with the Stock Exchanges.

In case of any subsequent changes in the provisions of the Companies Act, 2013 or any other regulations which makes any of the provisions in the policy inconsistent with the Act or regulations, then the provisions of the Act or regulations would prevail over the policy and the provisions in the policy would be modified in due course to make it consistent with law.

This policy shall be reviewed by the Nomination and Remuneration Committee.

MANAGEMENT DISCUSSION & ANALYSIS REPORT

INDUSTRY STRUCTURE & DEVELOPMENT

As the tourism being one of the important and leading industries plays a vital role and also ensures the strong presence of India in Global Scenario. The Industry also provides substantial growth to the country across various socio-economic segments with a strong platform for generation of Foreign exchange. The present industry is facing challenges as there have been many footfalls in the inbound tourism lately, As the consequence arrivals from abroad have been drastically reduced.

The COVID-19 pandemic has spread with alarming speed, infecting millions and bringing economic activity to a near-standstill as countries imposed tight restrictions on movement to halt the spread of the virus. While the ultimate outcome is still uncertain, the pandemic will result in contractions across the vast majority of emerging market and developing economies. Beyond the staggering economic impact, the pandemic will also result in a severe and long-lasting socio-economic outcome that may well weaken long-term growth prospects (steep fall in investments, the erosion of human capital and labor productivity, ruptures of trade and supply linkage and thereby potential output.

While the impact of COVID-19 spans across sectors, travel and tourism is among the most affected one with airplanes grounded, hotels closed and travel restrictions put in place in virtually all countries around the world, which has cut international tourist arrivals in the first quarter of 2020 to a fraction of what they were a year ago.

Given various travel restrictions imposed by the Indian government as well as governments across the globe, forward bookings for various conferences and leisure travel bookings to foreign destinations have already been cancelled. In India, most of the summer holiday bookings (for the states of Kerala, Rajasthan and Goa) have also witnessed cancellations, thereby impacting domestic tourism.

Accordingly in order to provide extra attractions to the incoming tourists, the Company has planned several VALUE ADDED offerings and expects an appreciable outcome with such plans.

SEGMENT WISE PERFORMANCE

As the company provides the services of Tour Operator, its 42% of total revenue came from tour operations and company has entered in the Gems and jewellery business in year 2017 and traded in precious and Semi precious stones which consist 58% of total revenue. The Company has earned total revenue of Rs. 6,32,03,160 as compared to Rs. 69,255,507 as in previous year. There Profit after Tax (PAT) for the financial year 2019-2020 is Rs. -56, 19,644 as compared to the previous financial year PAT Rs. 2,492,648

OUTLOOK, OPPORTUNITIES AND THREATS

Despite high level and aggressive thrust both from the State side and also the tourism related Agencies no one can be sure as to the actual levels of tourists' inputs in the coming season, still struggling for substantial growth. However, uncertainty is never a threatening point for the entrepreneurs with intrinsic business acumen and challenge loving Executives.

RISK & CONCERNS

Tourism is considered to be quite sensitive to socio-political situations in a country. Hence basically being a seasonal business; lower revenues in the non peak season do make significant dents in the revenues

and call for quite a discreet spending under various heads of expenditure. Our business is closely associated with the macro environment that impacts the consumers' spending power. The COVID-19 pandemic has not only led to global health and safety concerns, but has also thrown many economies into slowdown. We have taken several measures to combat the temporary effects of the pandemic on our businesses. To mitigate health and safety concerns of our consumers and our staff, there has been increased focus on online interactions with minimal physical interaction. Your Management hence has been monitoring the situation both from quantitative and availability point of view. Course corrections are implemented which are definitely beneficial to achieve the growth.

INTERNAL CONTROL SYSTEMS

The Company has built adequate systems on Internal Financial Controls towards achieving efficiency and effectiveness in operations, optimum utilization of resources, and effective monitoring thereof as well as compliance with all applicable laws. The internal control mechanism comprises a well-defined organisation structure, documented policy guidelines, predetermined authority levels and processes commensurate with the level of responsibility and that same are adequate and operating effectively. The Audit Committee reviews the reports of the Internal Auditors and monitors the effectiveness and operational efficiency of these internal control systems. The Audit Committee gives valuable suggestions from time to time for improvement of the Company's business processes, systems and internal controls.

FINANCIAL PERFORMANCE

The annexed Balance Sheet has given the members, the Company's performance in the year under report.

As per the amendment made under Schedule V to the Listing Regulations read with Regulation 34(3) of the Listing Regulations, details of significant changes (i.e. change of 25% or more as compared to the immediately previous financial year) in Key Financial Ratios and any changes in Return on Net Worth of the Company including explanations therefor are given below:

Key Ratios	Current year 2019-20	Previous year 2018-19	Significant change compared with previous year i.e. 25% or more	Detailed explanation for significant change
Inventory Turnover	4.03	6.11	-51.56%	This is due to variation in market demand and supply of gems and jewellery.
Net Profit Margin (%)	-9.59%	3.22%	133.58%	The change is due to exceptional item of Rs. 11001 thousand being amount of bad debts written off during the year as explained under Note No. 26 and 39 of the financial statements.
Return on Net Worth	-7.91%	3.25%	141.10%	The change is due to exceptional item of Rs. 11001 thousand being amount of bad debts written off during the year as explained under Note No. 26 and 39 of the financial statements.

HUMAN RESOURCES MANAGEMENT

The Company's belief in trust, transparency and teamwork improved employee efficiency at all levels. The Company's commitment to harmonious industrial relations resulted in enhancing effectiveness of operations and enabled the achievement of international benchmarks in tourism business. The company's ongoing objective is to create an inspirational work climate where talented employees engaged in creating sustained value for the stakeholders. Training and orientation programs are being arranged periodically, to update the employees in the work techniques. The overall human resources are positive and we would be able to effectively achieve the desired objectives. The Company has developed an environment of harmonious and cordial relations with its employees. As on March 31st, 2020, the Company has a total of 8 full time employees across all its business segments.

CAUTIONARY STATEMENT

Statements in the Management Discussion and Analysis describing the Company's position, objectives, projections, estimates and expectations may be "forward looking statements" within the meaning of applicable law and regulations. Actual results might differ substantially or materially from those expressed or implied. Important factors that could make a difference to the Company's operations include, inter-alia, change in tourism policy of the Government, natural calamities, change in political and economic conditions, change in Government policies and regulations, tax laws and other statutes, market and other risks, risk inherent in successfully implementing company's growth strategy, dependence on certain patrons and other factors over which the company does not have any direct control.

INDEPENDENT AUDITORS' REPORT

To
The Members of
CROWN TOURS LIMITED

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying Standalone Ind AS Financial statements of Crown Tours Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2020, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the standalone Ind AS financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS standalone financial statements give the information required by Companies Act, 2013 ("the Act") in the manner so required, and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2020, the loss and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the Standalone Ind AS Financial Statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Ind AS Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the standalone Ind AS financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone Ind AS financial statements.

Emphasis of Matter

1. We draw attention to Note No. 39 (6) to the standalone Ind AS financial statements, which describes the economic consequences/disruption the Company is facing as a result of COVID-19 pandemic, which is impacting consumer demand, revenues etc. The situation

continues to be uncertain and the assessment as made is highly dependent on the circumstances as they evolve in subsequent period. The company is evaluating the situation on an ongoing basis with respect to the challenges faced.

2. We draw attention to Note No. 39 (7) to the standalone Ind AS financial statements, which describes amount written off due to non-recoverability of dues from one customer and accounted for as an exceptional item.

Our opinion is not modified in respect of above matters.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone Ind AS financial statements of the current period. These matters were addressed in the context of our audit of the standalone Ind AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Key Audit Matter	Auditor's Response
<p>Revenue From Operations:</p> <ul style="list-style-type: none"> • The Company's Revenue from sale of goods is recognized, when all risks and rewards are transferred to the buyer, as per the terms of the contracts and significant uncertainty exists regarding the amount of the consideration that will be derived from the sale of goods. • Revenue from fixed-price contracts (rendering of services), where the performance obligations are satisfied over time and where there is no uncertainty as to measurement or collectability of consideration, is recognized as per the percentage-of-completion method. When there is uncertainty as to measurement or ultimate collectability, revenue recognition is postponed until such uncertainty is resolved. 	<p>Our audit procedures to assess revenue recognition include the following:</p> <ul style="list-style-type: none"> • Assessing the design, implementation existence and operating effectiveness of internal control procedures implemented as well as test of details to ensure accurate processing of revenue transactions. • Performing analytical procedures on revenue by developing an expectation for each type of revenue using independent inputs and information generated from company's ERP system and comparing such expectations with recorded revenue. • Inspecting underlying documentation for any book entries which were considered to be material or met other specified risk-based criteria on a sample basis.

Key Audit Matter	Auditor's Response
<ul style="list-style-type: none"> Revenue is an important measure used to evaluate the performance of the Company. There is a risk that the revenue is presented for amounts higher than what has been actually generated by the Company. Based on the above procedure performed, the management's determination of the Net Realizable Value of the inventory of Precious and Semi-precious stones (Gems and Jewellery) as at the year end in comparison with the cost for valuation of inventory if considered to be reasonab

Information Other than the Standalone Ind AS Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, Management Discussion & Analysis Report and Other Company Related Information, but does not include the Standalone Ind AS Financial Statements and our auditor's report thereon. The other information is expected to be made available to us after the date of this Auditor's Report.

Our opinion on the Standalone Ind AS financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Standalone Ind AS financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the Other Information, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and take appropriate actions, if required.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the Standalone Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern.

If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Ind AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the Standalone Ind AS financial statements, including the disclosures, and whether the Standalone Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Standalone Ind AS financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Ind AS financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

- 1) As required by the Companies (Auditor's Report) Order, 2016("the order) issued by the Central Government in terms of Section 143(11) of the act, we give in "Annexure I" a statement on the matters specified in paragraph 3 and 4 of the Order.

Annexure “II” forming part of Independent Auditor's Report

Referred to in Paragraph 2 (f) under "Report on Other Legal and Regulatory Requirements" section of our report on even date to the members of CROWN TOURS LIMITED on the standalone Ind AS Financial Statements for the year ended 31st March 2020.

Report on the Internal Financial Controls with reference to Standalone Ind AS Financial Statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”).

We have audited the internal financial controls with reference to Standalone Ind AS Financial Statements of Crown Tours Limited (“the Company”) as of March 31, 2020 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls with reference to Standalone Ind AS Financial Statements based on the internal control established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to Standalone Ind AS Financial Statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal

financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to Standalone Ind AS Financial Statements and their operating effectiveness. Our audit of internal financial controls with reference to Standalone Ind AS Financial Statements included obtaining an understanding of internal financial controls with reference to Standalone Ind AS Financial Statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls with reference to Standalone Ind AS Financial Statements

A company's internal financial control with reference to Standalone Ind AS Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Standalone Ind AS financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to Standalone Ind AS Financial Statements includes those policies and procedures that:

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of Standalone Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to Standalone Ind AS Financial Statements

Because of the inherent limitations of internal financial controls with reference to Standalone Ind AS Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to Standalone Ind AS Financial Statements to future periods are subject to the risk that the internal financial control with reference to Standalone Ind AS Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanation given to us, the Company has, in all material respects, an adequate internal financial controls system in place with reference to Standalone Ind AS Financial Statements and such internal financial controls with respect to Standalone Ind AS Financial Statements were operating effectively as at March 31, 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

The company is involved in the business of Tour Operator and sale of precious / semi precious stones.

B. Basis of preparation**1. Statement of Compliance**

These financial statements are prepared on accrual basis of accounting and comply with Indian Accounting Standards (Ind AS) notified under Companies (Indian Accounting Standards) Rules, 2015 and subsequent amendments thereto, the Companies Act, 2013 (to the extent notified and applicable) and applicable provisions of Companies Act, 1956.

These financial statements were authorized for issue by the Board of Directors on 27 June 2020.

2. Basis of measurement

The financial statements have been prepared on historical cost convention except for revalued costs and following material items which have been measured at fair value as required by Ind AS.

- Defined benefit plans- Plan assets measured at fair value
- Certain financial assets and liabilities measured at fair value

3. Functional and presentational Currency

All amounts included in the financial statements are reported in Indian Rupees, unless otherwise stated. Due to rounding of, the numbers presented throughout the document may not add up precisely to the totals and percentage may not precisely reflect the absolute figures.

4. Current and Non Current Classification

The company presents assets and liabilities in the balance sheet based on current/non-current classification.

An asset is classified as current when it is:

- Expected to be realized or intended to be sold or consumed in normal operating cycle,
- Held primarily for the purpose of trading,
- Expected to be realized within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is classified as current when it is:

- Expected to be settled in normal operating cycle,
- Held primarily for the purpose of trading,
- Due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current

C. Significant Accounting Policies

A summary of the significant accounting policies applied in the preparation of the financial statements are as given below. These accounting policies have been applied consistently to all the periods presented in the financial statements. The company has elected to utilise the option under Ind AS 101 by not applying the provisions of Ind AS 16 retrospectively and continue to use the previous GAAP carrying amount as deemed cost under Ind AS at the date of transition to Ind AS. Therefore, the carrying value of Property, Plant and Equipment as at 1st April 2016 i.e. the company's date of transition to Ind AS, were maintained in transition to Ind AS.

1. Property, Plant and Equipment**1.1 Initial Recognition and measurement**

Items of property, plant and equipment are measured at cost less accumulated depreciation and accumulated impairment losses (if any). Cost includes expenditure that is directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by the management.

1.2 Subsequent Costs

Subsequent expenditure is recognized as an increase in the carrying amount of the asset when it is probable that the future economic benefits deriving from the cost incurred will flow to the enterprise and the cost of the item can be measured reliably.

1.3 Depreciation

Assets are depreciated using straight line method over the estimated useful life of the asset as specified in Part "C" of Schedule II of Companies Act, 2013 after retaining residual life of 5% of original cost. Assets residual values and useful lives are reviewed at each financial year end considering the physical condition of the assets.

1.4 De-recognition

An item of Property, Plant and Equipment is derecognized when no future economic benefits are expected from their use or upon their disposal. Gains or losses on disposal/ transfer/ de-recognition of item of Property, Plant and Equipment are determined as difference between net sale proceeds and the carrying amount of Property, Plant and Equipment and is recognized in the Statement of Profit and Loss.

2. Inventories

Inventories are valued at the lower of cost and net realizable value except scrap, which is valued at net realizable value. Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale. The cost of inventories comprises cost of purchase, cost of conversion and other cost incurred in bringing the inventories to their respective present location and condition. Cost is computed on the weighted average basis. Company's stock in trade includes precious and semi precious stones.

3. Cash and Cash Equivalents

Cash and cash equivalents in the balance sheet comprise cash on hand, cash at banks and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

4. Foreign Currency Transactions and Translations

Transactions in foreign currencies are initially recorded at the functional currency spot rates at the date the transaction first qualifies for recognition. Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency spot

rates of exchange at the reporting date. Exchange differences arising on settlement or translation of monetary items are recognized in Statement of Profit and Loss in the year in which it arises.

5. **Borrowing Costs**

Borrowing costs specifically relating to the acquisition of qualifying assets that necessarily takes a substantial period of time to get ready for its intended use are capitalized (net of income on temporarily deployment of funds) as part of the cost of such assets. Borrowing cost consists of interest and other cost that the company incurs in connection with the borrowing of funds.

All other borrowing costs are recognized in the Statement of Profit and Loss as expense in the period in which they are incurred.

6. **Taxation**

Income tax expense comprises current tax and deferred tax (including MAT). Current tax expense is recognised in the Statement of Profit and Loss except to the extent that it relates to items recognized directly in other comprehensive income or equity, in which case it is recognized in other comprehensive income or equity.

Provision for current tax is made on the basis of the assessable income at the tax rate applicable to the relevant assessment year.

Deferred tax is recognised on differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax base used in the computation of taxable profit and are accounted for using the balance sheet liability method. Deferred tax liabilities are generally recognised for all taxable temporary differences, and deferred tax assets are generally recognised for all deductible temporary differences, carry forward tax losses and allowances to the extent that it is probable that future taxable profits will be available against which those deductible temporary differences, carry forward tax losses and allowances can be utilised.

Deferred tax is recognized in the Statement of Profit and Loss except to the extent that it relates to items recognized directly in OCI or equity, in which case it is recognized in OCI or equity.

Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized.

MAT (Minimum Alternate Tax) is applicable to the company. MAT paid in the year is charged to the Statement of Profit and Loss as current tax. MAT credit available is recognized as an asset only to the extent, there is convincing evidence that the company will pay normal income tax during the specified period i.e. the period for which MAT credit is allowed to be carried forward. The company reviews the MAT credit entitlement at each balance sheet date and writes down the carrying value of MAT credit entitlement to the extent that there is no longer convincing evidence to the effect that company will pay normal tax during the specified period.

7. **Provisions and Contingencies**

A provision is recognized if, as a result of a past event, the Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. When discounting is used, the increase in the provision

due to the passage of time is recognized as a finance cost. Provisions are reviewed at each balance sheet date and are adjusted to reflect the current best estimate.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the company or a present obligation that arises from past events where it is either not probable that outflow of resources will be required to settle or a reliable estimate of the amount cannot be made. Information on contingent liability is disclosed in the notes to the financial statements. Contingent liabilities are disclosed on the basis of judgment of management/ Independent experts. These are reviewed at each balance sheet date and are adjusted to reflect the current management estimate.

8. **Revenue**

The Company derives revenues primarily from business of Tour and Travel services and sale of precious/semi precious stones. Income from operations like service charges, commission, marketing charges, and receipts from customers are accounted for on accrual basis. Revenue from other income comprises interest received and gain on sale of investments.

The Company has adopted the cumulative catch-up transition method, applied to contracts that were not completed as of April 1, 2018. In accordance with the cumulative catch-up transition method, the comparatives have not been retrospectively adjusted. The following is a summary of new and/or revised significant accounting policies related to revenue recognition. Refer Note1 "Significant Accounting Policies," in the Company's 2018 Annual Report for the policies in effect for revenue prior to April 1, 2018. The effect on adoption of Ind AS 115 was insignificant.

Revenue is recognized upon transfer of control of promised products or services to customers in an amount that reflects the consideration we expect to receive in exchange for those products or services.

Sale of Services

Arrangements with customers for tour and travel related services are on a fixed-price basis.

Revenue from fixed-price contracts, where the performance obligations are satisfied over time and where there is no uncertainty as to measurement or collectability of consideration, is recognized as per the percentage-of-completion method. When there is uncertainty as to measurement or ultimate collectability, revenue recognition is postponed until such uncertainty is resolved. Efforts or costs expended have been used to measure progress towards completion as there is a direct relationship between input and productivity.

Revenues in excess of invoicing are classified as contract assets (which we refer as unbilled revenue) while invoicing in excess of revenues are classified as contract liabilities (which we refer to as unearned revenues). There are no Contract Asset and Contract Liability at year end.

In arrangements for Tour and Travel services, the Company has applied the guidance in Ind AS 115, Revenue from contract with customer, by applying the revenue recognition criteria for each distinct performance obligation. The arrangements with customers generally meet the criteria for considering tour and travel service contracts as distinct performance obligations. For allocating the transaction price, the Company has measured the revenue in respect of each performance obligation of a contract at its relative standalone selling price. The price that is regularly charged for an item when sold

separately is the best evidence of its standalone selling price. In cases where the company is unable to determine the standalone selling price, the company uses the expected cost plus margin approach in estimating the standalone selling price. For tour and travel services, the performance obligations are satisfied as and when the services are rendered since the customer generally obtains control of the work as it progresses.

There are no remaining performance obligations of the company at the year end.

Sale of Goods

Revenue from sale of Gems and Jewellery items is recognised at the time the control is transferred as per the terms of the contract and goods are made available to the customer consisting no significant uncertainty regarding the amount of the consideration that will be derived from the sale of goods. It is measured at fair value of consideration received or receivable, net of returns and allowances, trade discounts and volume rebates.

Other Income

Revenue from transactions or events that do not arise from a contract with a customer is not in the scope of Ind AS 115 and should continue to be recognized in accordance with the other standards. Such Income includes interest received and gain on sale of investments.

Interest Income

Interest Income is recognised on time proportion basis taking into account the amount outstanding and the rate applicable.

9. Employee Benefits

9.1 **Short term Employee benefits:** Employee benefits of short term nature like salaries etc are recognised in the Statement of Profit and Loss as and when it accrues i.e. the year in which the related services are rendered.

9.2 **Long term Employee benefits:** These include Gratuity, Premium paid under Keyman Insurance Policy, Provident fund and Superannuation/ Pension Scheme.

- Gratuity is being accounted for on actuarial basis as per quantum determined by Life Insurance Corporation of India under group gratuity scheme (Defined Benefit Plan).
- Premium paid under Keyman Insurance policy is booked as expenditure as and when incurred (Defined Contribution Plan).
- Employee benefits in form of Provident Fund and Superannuation/ Pension scheme is in pursuance of law and is accounted on accrual basis and charged to the Statement of Profit and Loss of the year (Defined Contribution Plan).

10. Impairment of non financial assets

As at each Balance Sheet, the company assesses whether there is an Indication that an asset may be impaired and also whether there is an Indication of reversal of impairment loss recognised in the previous periods. If an Indication exists, or when annual impairment testing for an asset is required. If any, the company determines the recoverable amount and impairment loss is recognised when the carrying amount of an asset exceeds its recoverable amount.

11. Operating Segments

In accordance with Ind AS -108, the Operating Segments used to present segment information are identified on the basis of internal reports used by the company's Management to allocate resources to the segments and assess their performance. The Chief Operational Decision Maker (Board of Directors) monitors the operating results of its business segments separately for the purpose of making decisions about resource

allocation and performance assessment. Segment performance is evaluated based on profit or loss and is measured consistently with profit or loss in the financial statements.

The Company's operating business are organized and managed separately according to the nature of products, with each segment representing a strategic business unit that offers different products. The identified segments are Travel and Tourism Operations and Sales of Precious/ Semi-Precious Stones.

- Segment revenue includes sales and other income directly identifiable with/ allocable to the segment.
- Expenses that are directly identifiable with/ allocable to segments are considered for determining the segment result. Expenses which relate to the company as a whole and not allocable to segments are included under un-allocable expenditure.
- Income which related to the company as a whole and allocable to segments is included in allocable income.
- Segment assets and liabilities include those directly identifiable with the respective segments. Un-allocable assets and liabilities that relate to the company as a whole and allocable to any segment.

12. Earnings per Share

Basic earning per equity share is computed by dividing the net profit or loss attributable to equity shareholders of the Company by the weighted average number of equity shares outstanding during the financial year.

Diluted earnings per equity share is computed by dividing the net profit or loss attributable to equity shareholders of the Company by the weighted average number of equity shares considered for deriving basic earnings per equity share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares.

13. Cash Flow Statement

Cash flow statement has been prepared in accordance with the Indirect method prescribed in Ind AS 7 'Statement of Cash Flows'.

14. Dividends

Dividends and interim dividends payable to the Company's shareholders are recognized as changes in equity in the period in which they are approved in the shareholders' meeting and the Board of Directors respectively.

15. Financial Instruments

15.1 Financial Assets

All financial assets are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition or issue of the financial asset. Company's financial assets include trade receivables, investments in mutual funds, security deposits, cash and cash equivalents and advances.

Financial assets are measured at amortised cost or fair value through other comprehensive income or fair value through Profit and Loss, depending on its business model for managing those financial assets and the assets contractual cash flow characteristics.

Subsequent measurement:

Debt instruments at amortised cost:

A financial asset is measured at amortised cost if:

- the financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows, and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

Investment in Debt

Investments in debt can be valued at amortised cost or Fair value through profit & loss.

Investment in Equity

All equity investments in entities other than subsidiaries and joint ventures are measured at fair value. Equity instruments which are held for trading are classified as at FVTPL. For all other equity instruments, the Company decides to classify the same either as at FVTOCI or FVTPL. The Company makes such election on an instrument by instrument basis.

If the Company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument are recognized in the OCI. There is no recycling of the amounts from OCI to profit and loss, even on sale of investment. However, the Company may transfer the cumulative gain or loss within equity. The amount of cumulative gain/ loss will be transferred to Statement of Profit and loss in case of sale of investment.

Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of Profit and Loss.

Company has investment in Mutual Funds which are measured at fair value through Profit and Loss and stated at Net Asset Value (NAV) at the balance sheet date. The gain or loss on sale of mutual fund units is the difference between the sale consideration (Fair Value) and carrying value as on the date of sale.

Trade Receivables

Trade receivables are recognised initially at fair value and subsequently measured at amortised cost using the effective interest rate (EIR) method, less provision for impairment losses. The carrying amounts of short term financial assets are considered to be same as their fair value, due to their short term in nature.

In case of Crown Tour Ltd. all trade receivables are short term in nature hence they are carried at their transaction price being their fair value.

Impairment of financial assets

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on trade Receivables and credit risk exposure.

Impairment is made on the expected credit losses, which are the present value of the cash shortfalls over the expected life of financial assets. The estimated impairment losses are recognized as a separate provision for impairment and the impairment losses are recognized in the Statement of Profit and Loss under the head other expenses.

De-recognition of financial assets

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily de-recognised (i.e. removed from the Company's balance sheet) when:

- The rights to receive cash flows from the asset have expired, or
- The Company has transferred its rights to receive cash flows from the asset or has

assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; And either

- (a) The Company has transferred substantially all the risks and rewards of the asset, or
- (b) The Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

15.2 Financial Liabilities:

Initial Measurement

At initial recognition, all financial liabilities other than fair valued through profit or loss are recognised initially at fair value less transaction costs that are attributable to the issue of financial liability. Transaction costs of financial liabilities that are carried at fair value through profit or loss are expensed in the Statement of Profit and Loss.

Company's financial liabilities include trade payables, advances from customers and other outstanding liabilities.

Subsequent Measurement

Subsequent measurement of financial liabilities depends upon their classification:

i) Financial liability at amortised cost

After initial recognition, interest bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gain and Losses are recognised in the Statement of Profit and Loss when the liabilities are de-recognised as well as through the EIR amortisation process. The EIR amortisation is included as finance cost in the Statement of Profit and Loss.

Since there are no borrowings in the company hence no financial liability is measured at amortised cost.

ii) Financial liability at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near period. This category also includes derivative financial instruments entered into by the Company that are not designated as hedging instruments in hedge relationships as defined by Ind-AS 109. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments.

De-recognition of financial liabilities

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another, from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

D. Use of Estimates and management judgements

The preparation of financial statements requires management to make judgements, estimates and assumptions that may impact the application of accounting policies and the reported value of assets, liabilities, income and expenses and related disclosures concerning the items involved as well as contingent assets and liabilities at the balance sheet date. The estimates and management's judgements are based on previous

experience and other factors considered reasonable and prudent in the circumstances. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and in any future periods affected.

1. Useful life of Property, Plant and Equipment

The estimated useful life of property, plant and equipment is based on a number of factors including the effects of obsolescence, demand, competition and other economic factors (such as the stability of the Industry and known technological advances) and the level of maintenance expenditures required to obtain the expected future cash flows from the asset. Useful life of assets is determined in accordance with Schedule II of the Companies Act, 2013. The Company reviews at the end of each reporting date the useful life of property, plant and equipment.

2. Recoverable amount of Property, Plant and Equipment

The recoverable amount of Property, Plant and Equipment is based on estimates and assumptions regarding in particular the expected market outlook and future cash flows associated with the property, plant and equipment. Any changes in these assumptions may have a material impact on the measurement of the recoverable amount and could result in impairment.

3. Provisions and Contingencies

The assessments undertaken in recognizing provisions and contingencies have been made in accordance with Ind AS 37, 'Provisions, Contingent Liabilities and Contingent Assets'. The evaluation of the likelihood of the contingent events requires best judgment by management regarding the probability of exposure to potential loss. If circumstances change following unforeseeable developments, then this likelihood could alter.

4. Income Taxes

Management judgment is required for the calculation of provision for income taxes and deferred tax assets and liabilities. The Company reviews at each balance sheet date the carrying amount of deferred tax assets/liabilities. The factors used in estimates may differ from actual outcome which could lead to significant adjustment to the amounts reported in the standalone financial statements.

5. Defined Benefit Plan

The cost of defined benefit plan and the present value of such obligation are determined using actuarial valuation. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases, mortality rates and attrition rate. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

6. Impairment of Financial assets

The impairment Provisions for financial assets are based on assumptions about risk of default and expected loss rates. The company uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on Company's past history, existing market conditions as well as forward looking estimates at the end of each reporting period.

Note No. 31. Disclosure as per Ind AS 107 'Financial instrument disclosure'

A) Capital Risk Management

For the purpose of the company's capital management, capital includes issued capital and all other equity reserves. The primary objective of the company's capital management is to maximise shareholder value. The company manages its capital structure and makes adjustments in the light of changes in economic environment and the requirements of the financial covenants

The company monitors capital using capital gearing ratio, which is total debt divided by total capital plus debt but company has no debt as at 31.03.2020.

B) Financial risk management

The Company's Financial Risk Management is an integral part of how to plan and execute its business strategies. The Company's financial risk management is set by the Managing Board of Directors.

The most significant financial risks to which the Company is exposed to are described as follows:

Market Risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market prices comprise three types of risk: currency rate risk, interest rate risk and other price risks, such as investment price risk and commodity risk.

Financial instruments affected by market risk include loans and borrowings, deposits, investments, and derivative financial instruments.

This is based on the financial assets and financial liabilities held as at March 31, 2020 and March 31, 2019.

Credit Risk

Credit risk is the risk that a counter party will not meet its obligations under a financial instrument or customer contract, leading to a financial loss.

Liquidity Risk

Liquidity risk is the risk that the Company may not be able to meet its present and future cash and collateral obligations without incurring unacceptable losses.

Risk Management framework

The Company's overall risk management programme focuses on the unpredictability of financial markets and seeks to minimize potential adverse effects on the Company's financial performance.

Risk management is carried out by the risk management committee under policies approved by the board of directors. The risk management committee identifies, evaluates and hedges financial risks in close co-operation with the Company's operating units. The board provides principles for overall risk management, as well as policies covering specific areas, such as foreign exchange risk, interest rate risk, and credit risk, use of derivative financial instruments and non-derivative financial instruments, and investment of excess liquidity.

1. Market Risk

Interest Rate Risk

Interest rate risk is the risk that the fair value of the future cash flows of the financial instrument will fluctuate because of changes in market interest rates. In order to manage the interest rate risk, Risk Management committee performs a comprehensive corporate interest rate risk management by balancing the proportion of fixed interest rate and floating rate financial instruments in its total portfolio. Since the company has no borrowings, it is not exposed to significant interest rate risk as at the respective reporting periods.

2. Credit Risk

Concentrations of credit risk exist when changes in the economic, industry or geographic factors similarly affect groups of counterparties whose aggregate credit exposure is significant in relation to the Group's total credit exposure. As the majority of the Group's debtors are from the tourism sector, this may give rise to a concentration of credit risk.

a) Trade Receivables

The Company extends credit to customers in normal course of business. The Company considers factors such as credit track record in the market and past dealings for extension of credit to customers. The Company monitors the payment track record of the customers. Outstanding customer receivables are regularly monitored.

The Company has also taken advances and security deposits from its customers, which mitigate the credit risk to an extent.

Exposure to credit risk is to be shown in case where ECL or lifetime ECL is recognized.

In the opinion of management, all current assets have a value on realization in the ordinary course of business at least equal to the amount at which they are stated in the balance sheet. Hence, Expected Credit Loss was not considered necessary.

b) Financial instruments and Cash Deposits

The Company considers factors such as track record, size of the institution, market reputation and service standards to select the banks with which balances and deposits are maintained.

The Company maintains significant cash and deposit balances, but only that much as required for its day to day operations

3. Liquidity Risk

The Company's objective is to maintain optimum levels of liquidity to meet its cash and collateral requirements.

The Group is not exposed to liquidity risk. It has surplus funds deposited with various banks and does not anticipate any problem in obtaining external funding in the foreseeable future when the need arises.

The following are the contractual maturities of non-derivative financial Liabilities, based on contractual cash flows:

Note No. 32. Disclosure as per Ind AS 113 'Fair Value Measurement'**Fair Value Hierarchy**

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value Measurement as a whole:

Level 1- Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments that have quoted price. Listed and actively traded equity instruments are stated at the last quoted closing price on the National Stock Exchange of India Limited (NSE).

Level 2- The fair value of financial instruments that are not traded in active market is determined using valuation techniques which maximize the use of observable market data and rely as little as possible on entity specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3- If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. The fair value of the financial assets and liabilities included in Level 3 is determined in accordance with generally accepted pricing models based on discounted cash flow analysis using prices from observable current market transactions and dealer quotes of similar instruments. This level includes foreign exchange forward contracts and investments in unquoted equity instruments.

There has been no transfer in either direction in this year or the previous year.

Note 37 : Lease - IND AS 116

Effective April 1, 2019, the company has adopted IND AS 116 'Leases', applied to all lease contracts existing on April 1, 2019 using 'Modified Retrospective Transition Method'. Accordingly, the comparative information for earlier periods is not restated. On transition, the adoption of the standard resulted in recognition of 'Right-of-use' Assets with corresponding equivalent lease liability amounting to Rs. 50.91 lacs as at 1st April 2019. Application of this standard has also resulted in a net decrease in profit before tax and exceptional item of quarter and year ended 31st March 2020 by Rs. 1.41 lacs and Rs. 3.54 lacs respectively.

Note 38 : Recent Accounting Pronouncements

Recent Indian Accounting Standards (INDAS)

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to existing standards. There is no such notification which would have been applicable from April 1, 2020.

Note No. 39. Other Disclosures

- Company has entered into agreement with Academy for Research & Training (India) (P) Ltd. (company under the same management) for taking the property of each company on lease; security deposits amounting to Rs. 1,500 have been paid to company.
- The Company's equity shares got listed with BSE Ltd. w.e.f. July 4th, 2014 under the direct listing norms. The equity shares of the company were listed with Delhi and Jaipur Stock Exchanges. However, the said regional stock exchanges have been closed.
- Earnings in foreign exchange under Commission and Service Charges amounting to Rs. Nil (PY Rs. 677.90)
- Figures of the current and previous year have been rounded off to the nearest rupees. Figures of previous year have been regrouped and rearranged to make them comparable with the current year's figures.
- Government of India through Taxation Laws (Amendment) Ordinance, 2019, has inserted Section 115BAA of the Income Tax Act, 1961 where by company has an irrevocable option of shifting to a lower tax rate along with consequent reduction in certain tax incentives including lapse of the accumulated MAT credit. The company continues to recognize the taxes on income for the quarter and year ended March 31' 2020 as per the earlier provisions.
- The outbreak of COVID-19 globally and resultant lockdown in many countries, including India, has impacted on the business of the company. Operations of the company completely disrupted from 22nd March 2020, however effect due to cancellation of bookings by tourist has started from start of March 2020 itself which is generally the closing month of the peak tourist season. Similarly, due to starting of spread of disease and lockdown, the demand for jewellery also declined in the month of March 2020. The company continued to incur fixed costs including employee cost hence the profitability will also be affected to that extent, although since the company is a debt free it will not impact its sustainability.
- The Company has used the principles of prudence in applying, judgments, estimates and assumptions to assess the potential impact of COVID-19 based on prevailing circumstances and expects no significant impact on the continuity of its operations on long term basis. However, due to the uncertainties associated with the pandemic, the actual impact may not be in line with current estimates and the company will continue to closely monitor any changes to the estimates on the basis of future economic conditions.
- Exceptional item represents amount written off due to non-recoverability of dues from one of the customer (Trade Receivable). The said customer has closed its operations and the management is of the view that the dues are not recoverable in the current scenario.
