## LETTER FROM MANAGING DIRECTOR

**Dear Shareholders,**

Hope you and your loved ones keeping safe and doing well.

### **Overview**

The unprecedented pandemic last year triggered grave challenges across the globe, related to both health and Finance, pushing organization to adopt and adapt newer processes and technologies to survive and grow. Likewise, your company too identified newer ways to continue its onward Journey.

The company aspires to be India's leading manufacturer providing the range of products under the homeware products including but not limited to furniture, housewares and Matts.

The Company faced a challenging business environment in FY2020-21 and the COVID-19 pandemic has caused a disruption to the global economic condition as well as volatile currency movements.

The gross turnover decreased to Rs. 87. 64 Crore from Rs. 131.61 Crore for the financial year ended 31st March, 2021. The decrease in Gross Turnover was mainly due to the closure of malls and offices due to Lockdown for uncertain periods, where Company sold most of its products. The Export was also dip to 15.07 Crore from 22.14 Crore last year.

The net profit after tax was Rs.2.38 Crore as compared to Rs. 2.11 Crore in previous year. The reason for higher profit was selling the products at good margin.

### **Looking Ahead**

The Company's Business are expected to remain challenging for the first quarter ending 30 June 2021 mainly due to the global economic uncertainties as a result of the impact of the COVID-19 outbreak. However, the Company continues to focus on its operational efficiency, cost control, cash conservation and ensuring sustainability of its existing businesses.

The India Government has stepped in to accelerating its vaccination drive, unlocking the restrictions imposed and opening of market will results in to good business for remaining three quarters for FY 2021-22.

### **Appreciation**

I express my gratitude to my fellow Board members for providing their valued suggestions. I commend my team as everyone at "National" has contributed to the company's growth and their commitment and sheer hard work is indeed an inspiration.

Customer satisfaction is our ultimate goal and we shall be determined in our efforts in maintaining and improving the topmost level towards the same.

On behalf of the Board of Directors of National Plastic Industries Limited, I want to thank you for your continued trust, confidence, and support.

**Warm Wishes**

**Thanking you**

### **General instructions for accessing and participating in the 34<sup>th</sup> AGM through VC/OAVM Facility and voting through electronic means including remote e-Voting**

- 1 As you are aware, in view of the situation arising due to COVID-19 global pandemic, the general meetings of the companies shall be conducted as per the guidelines issued by the Ministry of Corporate Affairs (MCA) vide Circular No. 14/2020 dated April 8, 2020, Circular No.17/2020 dated April 13, 2020 and Circular No. 20/2020 dated May 05, 2020. The forthcoming AGM will thus be held through video conferencing (VC) or other audio visual means (OAVM). Hence, Members can attend and participate in the ensuing AGM through VC/OAVM, and the deemed venue for the 34th AGM shall be the registered office of the Company.
2. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and MCA Circulars dated April 08, 2020, April 13, 2020 and May 05, 2020 the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-Voting's agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the AGM will be provided by CDSL.
3. The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available to at least 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
4. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of ascertaining the quorum under Section 103 of the Companies Act, 2013.
5. Pursuant to MCA Circular No. 14/2020 dated April 08, 2020, the facility to appoint proxy to attend and cast vote for the members is not available for this AGM. However, in

pursuance of Section 112 and Section 113 of the Companies Act, 2013, representatives of the members such as the President of India or the Governor of a State or body corporate can attend the AGM through VC/OAVM and cast their votes through e-voting.

6. In line with the Ministry of Corporate Affairs (MCA) Circular No. 17/2020 dated April 13, 2020, the Notice along with explanatory statement calling the AGM has been uploaded on the website of the Company at [www.nationalplastic.com](http://www.nationalplastic.com). The Notice can also be accessed from the websites of the Stock Exchange i.e. BSE Limited at [www.bseindia.com](http://www.bseindia.com). The AGM Notice is also disseminated on the website of CDSL (agency for providing the Remote e-Voting facility and e-voting system during the AGM) i.e. [www.evotingindia.com](http://www.evotingindia.com).
7. The AGM has been convened through VC/OAVM in compliance with applicable provisions of the Companies Act, 2013 read with MCA Circular No. 14/2020 dated April 8, 2020 and MCA Circular No. 17/2020 dated April 13, 2020 and MCA Circular No. 20/2020 dated May
8. In continuation of this Ministry's General Circular No. 20/2020, dated 05th May, 2020 and after due examination, it has been decided to allow companies whose AGMs were due to be held in the year 2020, or become due in the year 2021, to conduct their AGMs on or before 31.12.2021, in accordance with the requirements provided in paragraphs 3 and 4 of the General Circular No. 20/2020 as per MCA circular no. 02/2021 dated January,13,2021.

**THE INTRUCTIONS FOR SHAREHOLDRES FOR REMOTE E-VOTING ARE AS UNDER:**

- (i) The voting period begins on 27th July 2021 (9:00 A.M.) and ends on 29th July 2021 (5:00 P.M.). During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-of date (record date) of 23rd July, 2021 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- (iv) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Pursuant to above-said SEBI Circular, Login method for e-Voting and joining virtual meetings for Individual shareholders holding securities in Demat mode CDSL/NSDL is given below:

| Type of shareholders   | Login Method  |
|--|---|
| Individual Shareholders holding securities in Demat mode with CDSL | <ol style="list-style-type: none"> <li>1) Users who have opted for CDSL Easi / Easiest facility, can login through their existing user id and password. Option will be made available to reach e-Voting page without any further authentication. **EXPLANATORY STATEMENT PURSUANT TO SECTION 102(1) OF THE COMPANIES ACT, 2013.**

The following statement sets out all material facts relating to special business mentioned in the Notice.

**Item No. 3:**

Pursuant to the provisions of Section 161(1) of the Companies Act, 2013 (the Act) and the Articles of Association of the Company, the Board of Directors (the Board) has appointed, Mr. Vipul Desai as an Additional Non Executive Independent Director of the Company with effect from 12th February, 2021 who would hold office up to the date of the ensuing Annual General Meeting. Further he was also appointed as Independent Director for a period of five years subject to approval of Members of the Company.

Mr. Desai is a Fellow Member of Institute of Company Secretaries of India. He has 40 years of rich experience from Finance Manager & Company Secretary to President – Corporate Affairs & Biz Development in Corporate like, NECO, Mittals, TATA-AIG Insurance, Deutsche Bank, Mafatlals, and many more in India.

Brief profile of Mr. Vipul Desai as stipulated under Regulation 36(3) of the SEBI Listing Regulations is given as an annexure to this Notice.

Mr. Vipul Desai is not disqualified from being appointed as a Director in terms of Section 164 of the Act and has given his consent to act as a Director of the Company. The Company has also received a declaration from Mr. Desai stating that he meets with the criteria of independence as prescribed under sub-section (6) of Section 149 of the Act and SEBI Listing Regulations and he is not debarred from holding the office of director by virtue of any SEBI order or any other such authority.

In the opinion of the Board, Mr. Vipul Desai fulfils the conditions for his appointment as an Independent Director as specified in the Act. Keeping in view his expertise and vast knowledge, it will be in the interest of the Company to appoint Mr. Vipul Desai as an Independent Director, not liable to retire by rotation. He shall be paid remuneration by way of fee for attending meetings of the Board or Committees thereof or for any other purpose whatsoever as may be decided by the Board, reimbursement of expenses for participating in the Board and other meetings.

Copy of the letter of appointment of Mr. Vipul Desai as an Independent Director setting out the terms and conditions is available for inspection by members at the Registered Office of the Company on all working days (Monday to Friday) during business hours, up to the date of the Annual General Meeting.

Except Mr. Vipul Desai, none of the other Directors, Key Managerial Personnel of the Company and their relatives are concerned or interested (financially or otherwise), in this resolution.

The Board recommends the Resolution at Item No. 3 of the accompanying Notice for approval by the Members

**Item No. 4:**

The Board of Directors of the Company, on the recommendation of the Audit Committee, had approved the appointment and remuneration of M/s N. Ritesh & Associates, Cost Accountants (Firms Registration No R100675) to conduct the audit of the Cost Records of the Company for the financial year 2021-2022. In terms of provisions of Section 148(3) of the Companies Act, 2013 read with Rule 14(a)(ii) of the Companies (Audit and Auditors) Rules, 2014, the

remuneration payable to the Cost Auditor along with the reimbursement of expenses incurred towards the audit is required to be approved by the Members of the Company. Accordingly, consent of the Members is sought to approve the remuneration payable to the Cost Auditors.

No Director, Key Managerial Personnel or their relatives, are interested or concerned in the resolution.

The Board recommends the Resolution at Item No. 4 of the accompanying Notice for approval by the Members.

### **RISK MANAGEMENT POLICY**

The Board of Directors of your Company has formulated a Risk Management Policy for the Company. It aims to identify, evaluate risks associated with the business viz. economic environment and market conditions, fluctuations in foreign currency, political environment, contractual compliance, credit risks, technology obsolescence, inflation, commodity prices, price fluctuation of raw materials and finished goods etc. Mitigation plans for the identified risks are drawn up based on the type of risks.

In the opinion of the Board, none of the above mentioned risks threaten the existence of the Company.

### **COVID – 19 IMPACTS**

The outbreak of the deadly COVID-19 virus and the ensuing lockdown imposed across the country affected business operations. The health of the employees and workers became a priority; stoppage of operations for an uncertain period resulted in a large financial burden on the one hand and workforce idling on the other. COVID-19 is an unprecedented challenge. The lockdown gave India time to make a concerted effort to flatten the outbreak curve. However, towards later part of the year consequent to significant opening of the economic activity across the nation the demand picked up compared to that during the initial period of Covid-19.

India is currently experiencing a massive second wave of COVID-19 infections. However, we expect no major changes in the economic activity as the nation is preparing to face the Pandemic with vaccines and preparedness.

## MANAGEMENT DISCUSSION AND ANALYSIS

### OVERVIEW:

The Indian government announced a complete lockdown in public movement and economic activity from the fourth week of March 2020. The lockdown staggered an already slowing economy as 1.38 billion Indians stayed indoors - one of the most stringent lockdowns anywhere.

The outbreak of the novel corona virus impacted the Indian economy during the first quarter of the year under review. The Indian economy de-grew 23.9 per cent in the first quarter of 2020-21, the sharpest de-growth experienced by the country since the index was prepared.

The Indian and state governments selectively lifted controls on movement, public gatherings and events from June 2020 onwards. The result is that India's relief consumption, following the lifting of social distancing controls, translated into a full-blown economic recovery.

India de-grew at a relatively improved 7.5 per cent in the July-September quarter and reported 0.4 per cent growth in the October-December quarter.

India's GDP contracted initially and then recovered in 2020-21. This recovery – one of the most decisive among major economies – validated India's long-term consumption potential.

### INDIAN PLASTICS INDUSTRY STRUCTURE AND DEVELOPMENTS:

The Plastic industry is one of the most evolving businesses in recent times. The application of plastics can be found in almost every sector such as medical, aerospace, automotive, packaging, household appliances, construction and many more.

Plastic material is gaining notable importance in different spheres of activity and the per capita consumption is increasing at a fast pace. Continuous advancements and developments in Plastic technology, processing machineries, expertise, and cost effective manufacturing is fast replacing the typical materials. The export of plastic products also yields about 1% of the country's exports. The sector has a large presence of small scale companies in the industry, which account for more than 50% turnover of the industry. Approximately Rs.100 billion is invested in the form of fixed assets in the plastic processing industry.

During April 2020-January 2021, Cumulative value of plastics export was USD 9,855 Million as against USD 10,000 million during the same period last year, registering a negative growth of 1.4%.

India's plastics sector plays a catalytic role in the economic development of the country. Unsurprisingly, the country currently ranks among the top five consumers of polymers in the world, has over 30,000 plastics processing units, employing over four million people across the country. India's plastics goods are exported to over 200 countries.

“National Plastics Industries Ltd.” with its constant Endeavour for innovation will continue to introduce many new and innovative products both for domestic as well as International markets and thereby will fulfil its commitment to the society as a whole by offering premium quality products at the most affordable prices.

**FINANCIAL REVIEW:**

The gross turnover of the Company has reduced to Rs. 87.64 Crore from Rs. 131.61 Crore in last year registering a reduction of around 50.18%. The reduction in gross turnover was reported due to COVID-19 Pandemic effect on first half of the Financial Year.

The Government has imposed stringent Lockdown during the first quarter, in which the Company has reported major loss for the year. In the second quarter, after open up of market from mid-June the Company has slowly and gradually started working. The third and fourth quarter was reported recovery from the losses by registering handsome profit.

Company has registered lower profit before tax of Rs. 1.46 Crore as compared to Rs. 1.63 Crore in the previous year but higher net profit after tax of Rs.2.38 Crore as compared to Rs. 2.11 Crore in previous year. The reason for higher profit was selling the products at good margin.

**CHANGES IN KEY FINANCIAL RATIOS:**

**BUSINESS OUTLOOK**

With the reduction in GST rate from 28% to 18%, the Plastics Industry is relieved from higher taxes to level playing platform. The Government has also lightened certain provisions and relief from some complex provisions. The reduction in GST rates and other initiatives of the government for ease of doing business has helped the company in various ways.

The company has kept its commitment to improve and increase the overall business growth and added varieties of new products to supply industry and government. The Company is also making hard effort to increase export business in near future. The Company is in the process to manufacturing new range of plastic furniture’s with modern design and best quality in line with consumer preferences and useful utilities in reasonable price.

“National Plastics Industries Ltd.” with its constant Endeavour for innovation will continue to introduce many new and innovative products both for domestic as well as International markets and thereby will fulfil its commitment to the society as a whole by offering premium quality products at the most affordable prices.

### **OPPORTUNITIES:**

The Company is focussing to add new products for industrial sector and determined to emerge as a major player with its quality products and good corporate governance. With the government emphasis on environment protection there is a lot of scope in manufacturing of biodegradable plastics. These plastics are gaining popularity and traction since they're all based on natural plant and vegetable extracts. They aid in green practices through benefits such as safer disposal, energy-efficient manufacturing and decreased toxic emissions. The company is focusing to imbibe these factors in its business.

### **THREAT:**

The company are subject to rising rules and regulations that govern the production, disposal, and cleanup of hazardous chemicals, as plastic products usage contributes to environmental pollution. In addition, Product lifecycle has decreased from years to months, affecting the entire supply chain of plastic goods. Any major upward movement in the Crude Prices could change the inflationary scenario impacting on input prices and the margin of the Company.

### **RISK AND CONCERNS:**

The company is exposed to several potential risks like technological changes, political risks, product distribution both from internal and external sources but the same can be anticipated and curbed by addressing them in its early stages for a long-term corporate success.

The Company is of the opinion that recycling & reuse of plastics are expected to increase in our Industry, thus affecting the development innovation and sustainability too.

The company maintains an inbuilt mechanism to track any suspicious events and frauds in the business. In addition, the Board and the Audit Committee of the Company periodically reviews the risk management procedures and takes various preventive measures to mitigate the risk factors.

### **INTERNAL CONTROL SYSTEM AND THEIR ADEQUACY**

The Board has adopted policies and procedures for ensuring that all transactions are authorized, recorded and correctly reported, all assets are safeguarded and protected against loss from unauthorized use or disposition, reducing wastages and maintenance of proper accounting records for ensuring accuracy and reliability of its financial information. The Board has constituted an Audit Committee which meets periodically to review the financial performance and the accuracy of financial records and accordingly appropriate actions are taken by the management.

### **INDUSTRIAL RELATIONS AND HUMAN RESOURCE**

Industrial relations continued to be harmonious both at manufacturing unit as well as in branches.

Our employees are our greatest asset and we are committed to attract, retain and recognize talent. We encourage fresh minds and new ideas. The Company constantly facilitates and encourages its employees at all levels to enhance their knowledge and skills and continuously seeks to inculcate within its employees, The Company inculcates a strong sense of business ethics and social responsibility.

The Company endeavors to create a challenging and favorable work environment that encourages entrepreneurial behavior, innovation and the drive towards business excellence.

**POLLUTION AND ENVIRONMENT CONTROL:**

Pollution control is an essential task and responsibility in the manufacturing industry. The management is assured that all the plants of the Company are under appropriate Waste Management Systems and operate in harmony with the surrounding ecosystem. Adequate pollution control amenities are established at all the plants as per guidelines of pollution control authority and as per set norms.

For safety, the work force is provided with appropriate safety equipments and necessary training from time to time.

**CAUTIONARY STATEMENT:**

The Management Discussion and Analysis Statements made above are on the basis of the available data as well as certain assumptions as to the economic conditions, various factors affecting raw material prices and selling prices, trend and consumer demand and preferences, governing and applicable laws and other economical and political factors. The management cannot guarantee the accuracy of the assumptions and projected performance of the Company in future. ## Corporate Governance Compliance Certificate

To,

The Members,

### **National Plastic Industries Limited**

We have examined the compliance of the conditions of Corporate Governance by NATIONAL PLASTICS INDUSTRIES LIMITED ('the Company') for the financial year ended 31<sup>st</sup> March, 2021, as stipulated in Regulations 17 to 27, clauses (b) to (i) of sub-regulation (2) of Regulation 46 and para C, D and E of Schedule V of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (hereinafter referred to as "the SEBI Listing Regulations").

The compliance of conditions of Corporate Governance is the responsibility of the management. Our examination was limited to procedures and implementation thereof, adopted by the Company for ensuring the compliance of the conditions of the Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In our opinion and to the best of our information and according to the explanations given, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in the SEBI Listing Regulations for the year ended 31<sup>st</sup> March, 2021 except the following:

- As per Regulation 17(1)(b) of the SEBI (LODR), 2015, there was non-compliance in the composition of the board of directors in regards to the minimum requirement of independent directors during the period from August 18, 2020 till February 12, 2021.
- As per Regulation 18(2)(b) of the SEBI (LODR), 2015, No proper quorum was present in the audit committee meetings held on 30/06/2020, 14/08/2020 & 12/02/2020 due to the presence of only one Independent Director.
- As per Regulation 25(6) of the SEBI (LODR), 2015, there was delay of 178 days in Appointment of Independent Director after the cessation of one Independent director on August 18, 2020.

We further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.

**INDEPENDENT AUDITOR’S REPORT**

**To the Members of  
National Plastic Industries Limited  
Report on the Audit of the Standalone Financial Statements**

**Opinion**

We have audited the standalone financial statements of National Plastic Industries Limited (“the Company”), which comprise the balance sheet as at 31st March 2021, the statement of Profit and Loss (including Other Comprehensive Income), Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as “the standalone financial statements”).

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2021, and profit (including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

**Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of The Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of The Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

### **Other Information**

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### **Management's Responsibility for the Standalone Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of The Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance (changes in equity) and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting

### **Auditor's Responsibilities for the Audit of the Financial Statements.**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of The Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has an adequate internal financial controls system in place and the operating effectiveness of such controls.

Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### **Report on Other Legal and Regulatory Requirements**

As required by The Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of The Companies Act, 2013, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

- (A) As required by Section 143(3) of the Act, we report that:
- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account.
  - d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of The Companies (Accounts) Rules, 2014.
  - e) On the basis of the written representations received from the directors as on 31st March, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2021 from being appointed as a director in terms of Section 164(2) of the Act.
  - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B"
- (B) With respect to the other matters to be included in the Auditor's Report in accordance with

**A description of methods used for sensitivity analysis and its Limitations:**

Sensitivity analysis is performed by varying a single parameter while keeping all the other parameters unchanged. Sensitivity analysis fails to focus on the interrelationship between underlying parameters.

Hence, the results may vary if two or more variables are changed simultaneously. The method used does not indicate anything about the likelihood of change in any parameter and the extent of the change if any.

\* In case of long term borrowings the carrying value in the books have considered to be the fair value as the measurement carried out by applying the Effective Interest Rate method resulted in a very marginal difference

\* Trade Deposits are the deposits collected from customers and would be held in by the Company till the time the customer is associated as a measure of security towards possible non payment (if any). Since the tenure of holding cannot be ascertained the carrying value in the books have been considered to be the fair value.

**B. Measurement at Fair Values**

Valuation techniques and significant unobservable inputs

The following tables show the valuation techniques used in measuring Level 2 and Level 3 fair values, as well as the significant unobservable inputs used.

**Financial instruments measured at fair value**

| Type                | Valuation Technique   |
|---------------------|---|
| Security Deposits   | The valuation model considers present value of expected payments discounted using an appropriate discounting rate |
| Investment Property | Ready Recokner rates as notified by the Government of Maharashtra   |

**The Fair Value of the Investment Property situated at Kashimira approximates to Rs.12 Cr as at 31/03/2021**

**C. Financial risk management**

The Company has exposure to the following risks arising from financial instruments

- (1) Credit Risk
- (2) Liquidity Risk
- (3) Market Risk

**(1) Credit Risk**

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers and loans and advances.

The carrying amount of following financial assets represents the maximum credit exposure:

**Trade receivables and loans and advances.**

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer in which it operates. Credit risk is managed through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business.

The Company has established a credit policy under which each new customer is analysed individually for creditworthiness before the Company's standard payment and delivery terms and conditions are offered. Further for domestic sales, the company segments the customers into Distributors and Others for credit monitoring.

The Company maintains security deposits for sales made to its distributors. For other trade receivables, the company individually monitors the sanctioned credit limits as against the outstanding balances.

Accordingly, the Company makes specific provisions against such trade receivables wherever required and monitors the same at periodic intervals.

**As at 31st March, 2021, the ageing of Trade Receivables was as follows;**

|                               | Carrying Amount     |                     |

### Cash and cash equivalents and other Bank balances

The Company held cash and cash equivalents and other bank balances of Rs 300.19 lakhs as on 31st March 2021 (Previous year Rs 86.29 lakhs). The cash and cash equivalents are held with bank counter parties with good credit ratings.

### (2) Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation

**As of 31st March, 2021 and 31st March, 2020 the Company had unutilized credit limits from banks of Rs 3.18 Cr and Rs 18 Cr respectively.**

The gross infows/(outfows) disclosed in the above table represent the contractual undiscounted cash flows relating to the financial liabilities which are not usually closed out before contractual maturity.

### (3) Market risk

Market risk is the risk that changes in market prices – such as foreign exchange rates, interest rates and equity prices – will affect the Company's income or the value of its holdings of financial instruments. Market risk is attributable to all market risk sensitive financial instruments including foreign currency receivables and payables and long term debt. We are exposed to market risk primarily related to foreign exchange rate

risk, interest rate risk and the market value of our investments. Thus, our exposure to market risk is a function of investing and borrowing activities and revenue generating and operating activities in foreign currency. The objective of market risk management is to avoid excessive exposure in our foreign currency revenues and costs.

**Currency risk**

The Company is exposed to currency risk on account of its borrowings and other payables in foreign currency. The functional currency of the Company is Indian Rupee.

Exposure to currency risk (Exposure in different currencies converted to functional currency i.e. INR)

The currency profile of financial assets and financial liabilities as at 31st March, 2021 and 31st March, 2020 are as below:

**Sensitivity analysis**

A reasonably possible strengthening (weakening) of the foreign Currency against the Indian Rupee at 31st March would have affected the measurement of financial instruments denominated in foreign currencies and affected equity and profit or loss by the amounts shown below. This analysis assumes that all other variables, in particular interest rates, remain constant and ignores any impact of forecast sales and purchases.

|                 | 31st March, 2021        |           | 31st March, 2020        |           |

### Interest rate risk

Interest rate risk can be either fair value interest rate risk or cash flow interest rate risk. Fair value interest rate risk is the risk of changes in fair values of fixed interest bearing investments because of fluctuations in the interest rates. Cash flow interest rate risk is the risk that the future cash flows of floating interest bearing investments will fluctuate because of fluctuations in the interest rates.

### Exposure to interest rate risk

Company's interest rate risk arises from borrowings. The interest rate profile of the Company's interestbearing financial instruments as reported to the management of the Company is as follows.

|                          | 31st March, 2021 | 31st March, 2020 |
|--------------------------|------------------|------------------|
| Variable rate Borrowings |                  |                  |

### Cash flow sensitivity analysis for variable-rate instruments

A reasonably possible change of 25% in interest rates (MCLR) at the reporting date would have increased (decreased) profit or loss by the amounts shown below. This analysis assumes that all other variables, in particular foreign currency exchange rates, remain constant.

| Particulars                        | Profit / (Loss)   |                  |
|------------------------------------|-------------------|------------------|

| <b>March 31, 2021</b>              |                   |                  |
| Variable Rate Instruments          |                   |                  |
| <b>Cash Flow Sensitivity (Net)</b> | <b>-18,08,240</b> | <b>18,08,240</b> |

| Variable Rate Instruments          |                   |                  |
| <b>Cash Flow Sensitivity (Net)</b> | <b>-19,81,005</b> | <b>19,81,005</b> |

The risk estimates provided assume a parallel shift of 25% interest rate across all yield curves. This calculation also assumes that the change occurs at the balance sheet date and has been calculated based on risk exposures outstanding as at that date. The period end balances are not necessarily representative of the average debt outstanding during the period.

### Capital Management

For the purpose of the Company's capital management, capital includes issued capital and other equity reserves. The primary objective of the Company's Capital Management is to maximise shareholders value. The Company manages its capital structure and makes adjustments in the light of changes in economic environment and the requirements of the financial covenants. The Company monitors capital using debt to equity ratio.

## **NOTE 35 NOTES TO THE STANDALONE FINANCIAL STATEMENTS**

### **A. CORPORATE INFORMATION**

National Plastic Industries Limited (“the Company”) is a listed entity incorporated in India. The addresses of its registered office and principal place of business are disclosed in the introduction to the annual report.

### **B. SIGNIFICANT ACCOUNTING POLICIES**

#### **B.1 BASIS OF PREPARATION AND PRESENTATION**

The financial statements have been prepared on the historical cost basis except for Defined Benefit Plan - Plan Assets which has been measured at fair value amount.

The financial statements of the Company have been prepared to comply with the Indian Accounting standards ('Ind AS'), including the rules notified under the relevant provisions of the Companies Act, 2013.

Company's financial statements are presented in Indian Rupees (RS), which is also its functional currency.

The financial statements of the Company have been prepared to comply with the Indian Accounting standards ('Ind AS'), including the rules notified under the relevant provisions of the Companies Act, 2013.

#### **B.2 USE OF ESTIMATES AND JUDGEMENTS**

The preparation of these financial statements in conformity with the recognition and measurement principles of Ind AS requires the management of the Company to make estimates and assumptions that affect the reported balances of assets and liabilities, disclosures of contingent liabilities as at the date of the financial statements and the reported amounts of income and expense for the periods presented.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and future periods are affected.

Key sources of estimation of uncertainty at the date of the financial statement, which may cause a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are in respect of impairment of investments, useful lives of property, plant and equipment, valuation of deferred tax assets and fair value measurement of financial instruments, these are discussed below. Key sources of estimation of uncertainty in respect of revenue recognition, employee benefits and provisions and contingent liabilities have been discussed in their respective policies.

##### **Useful lives of property, plant and equipment**

The company reviews the useful life of property, plant and equipment at the end of each reporting period. This reassessment may result in change in depreciation expense in future periods.

##### **Valuation of deferred tax assets**

The Company reviews the carrying amount of deferred tax assets at the end of each reporting period. The policy has been explained under note 2(i).

##### **Fair value measurement of financial instruments**

When the fair value of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including the Discounted Cash Flow model. The

inputs to these models are taken from observable markets where possible , but where this is not feasible , a degree of judgement is required in establishing fair values. Judgements include consideration of inputs such as liquidity risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments.

### **B.3 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

#### **(a) Property, plant and equipment**

Property, plant and equipment are stated at cost, net of recoverable taxes, trade discount and rebates less accumulated depreciation and impairment losses, if any. Such cost includes purchase price, borrowing cost and any cost directly attributable to bringing the assets to its working condition for its intended use, net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the assets.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost can be measured reliably.

Expenses incurred relating to construction of factory extension at Silvasa , Patna and Nellore during the construction stage prior to its intended use are disclosed under Capital Work - in - Progress.

Depreciation on property, plant and equipment is provided using straight line method Depreciation is provided based on useful life of the assets as prescribed in Schedule II to the Companies Act, 2013

| <b>Sr No.</b> | <b>Particular</b>       | <b>Useful Life (in Years)</b> |
|---------------|-------------------------|-------------------------------|
|               | Land                    |                               |
|               | Buildings               |                               |
|               | Plant & Machinery       |                               |
|               | Dies & Moulds           |                               |
|               | Furniture & Fixtures    |                               |
|               | Vehicles                |                               |
|               | Office Equipment        |                               |
|               | Electrical Installation |                               |
|               | Others                  |                               |

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

Gains or losses arising from derecognition of a property, plant and equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the Statement of Profit and Loss when the asset is derecognised.

#### **(b) Leases**

Effective from 1 April 2019, the Company has applied Ind AS 116, which replaces the existing lease standard, Ind AS 17 Leases and other interpretations. The Company has applied Ind AS 116 using the modified retrospective approach and has accordingly not restated the comparative information. The Company at the inception of a contract,

assesses whether a contract, is or contains a lease. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. Ind AS 116 introduces a single balance sheet lease accounting model for lessees. A lessee recognises a right-of-use asset representing its right to use the underlying asset and a lease liability representing its obligation to make lease payments. The Company has elected not to recognise right-of-use of assets and lease liabilities for short term leases that have a lease term of 12 months or less and leases of low value assets. The Company recognises the lease payments associated with these leases as an expense on a straight line basis over the lease term. Lessor accounting remains similar to the accounting under the previous standard i.e. lessor continues to classify leases as finance or operating lease. This policy is applied to contracts entered into, or changed, on or after 1 April 2019. For contracts entered into before 1 April 2019, the determination of whether an arrangement is, or contains a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfilment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement.

#### **As a lessee**

The Company recognises a right-of-use asset and a lease liability at the lease commencement date. The right of use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct cost incurred and an estimate of cost to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received. The right-of-use asset is subsequently depreciated using the straight line method from the commencement date to the earlier of the end of the useful life or the end of the lease term. The estimated useful life of the right-of-use assets are determined on the same basis as those of property, plant and equipment. In addition, the right-of-use asset is periodically reduced by impairment losses, if any, and adjusted for certain remeasurements of the lease liability. The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, the Company's incremental borrowing rate. The lease payments shall include fixed payments, variable lease payments, residual value guarantees, exercise price of a purchase option where the Company is reasonably certain to exercise that option and payment of penalties for terminating the lease, if the lease term reflects the lessee exercising an option to terminate the lease. Subsequent to initial measurement, the liability will be reduced for payments made and increased for interest. It is remeasured to reflect any reassessment or modification, or if there are changes in in-substance fixed payments. When the lease liability is remeasured, the corresponding adjustment is reflected in the right-of-use asset, or profit and loss if the right-of-use asset is already reduced to zero. On the Balance Sheet, right-of-use assets have been included in property, plant and equipment and lease liabilities have been included in borrowings and other financial liabilities.

In the comparative period, leases of property, plant and equipment where the Company, as lessee, had substantially all the risks and rewards of ownership was classified as finance leases. Finance leases are capitalised at the lease's inception at the fair value of the leased property or, if lower, the present value of the minimum lease payments. The corresponding rental obligations, net of finance charges, are included in borrowings or

other financial liabilities as appropriate. Each lease payment is allocated between the liability and finance cost. The finance cost is charged to the profit or loss over the lease period so as to produce a constant periodic rate of interest on the remaining balance of the liability for each period. Leases in which a significant portion of the risks and rewards of ownership was not transferred to the Company as lessee was classified as operating leases. Payments made under operating leases (net of any incentives received from the lessor) was charged to profit or loss on a straightline basis over the period of the lease unless the payments was structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases.

**As a lessor**

Lease income from operating leases, where the Company is a lessor, is recognised in income on a straight-line basis over the lease term unless the receipts are structured to increase in line with expected general inflation to compensate for the expected inflation.

**(c) Inventory**

Items of Inventories are measured at lower of cost and net realisable value after providing for obsolescence, if any, except in case of by-products which are valued at net realisable value. Cost of inventories comprises of cost of purchase, cost of conversion and other costs including manufacturing overheads net of recoverable taxes incurred in bringing them to their respective present location and condition.

**(d) Impairment of non-financial assets - property, plant and equipment and intangible assets**

IND AS 36 on Impairment of Assets requires every company to test for the impairment of its PPE annually. Due to the nature of business and products of the Company, the moulding process of production, the assets do not have a very high risk of impairment. Further Management has view that Moulding machines do not get impaired on their own as they host the moulds through which the moulding of plastic and other products happen. Moulds have a useful life in terms capacity of no of items to be produced. However, the Company maintains the moulds very well as a result; the moulds outlive their useful life.

**(e) Provisions**

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

**(f) Employee Benefits Expense**

**Short Term Employee Benefits**

The undiscounted amount of short term employee benefits expected to be paid in exchange for the services rendered by employees are recognised as an expense during the period when the employees render the services.

**Defined Benefit Plans**

The Company pays gratuity to the employees whoever has completed five years of service with the Company at the time of resignation/superannuation. The gratuity is paid @15 days

salary for every completed year of service as per the Payment of Gratuity Act 1972.

The liability in respect of gratuity and other post-employment benefits is calculated using the Projected Unit Credit Method and spread over the period during which the benefit is expected to be derived from employees' services.

Re-measurement of defined benefit plans in respect of post-employment are charged to the Other Comprehensive Income.

**(g) Tax Expenses**

The tax expense for the period comprises current and deferred tax. Tax is recognised in Statement of Profit and Loss, except to the extent that it relates to items recognised in the comprehensive income or in equity. In which case, the tax is also recognised in other comprehensive income or equity.

**Current Tax**

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities, based on tax rates and laws that are enacted or substantively enacted at the reporting period.

**Deferred Tax**

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. The carrying amount of Deferred tax liabilities and assets are reviewed at the end of each reporting period.

**(h) Foreign currencies transactions and translation**

Transactions in foreign currencies are recorded at the exchange rate prevailing on the date of transaction. Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency closing rates of exchange at the reporting date.

Exchange differences arising on settlement or translation of monetary items are recognised in Statement of Profit and Loss.

**(i) Revenue recognition**

Effective from April 1, 2018, the Company has applied IND AS 115 which establishes a comprehensive framework for determining whether, how much and when the revenue is to be recognised. IND AS 115 replaces IND AS 18 Revenue and IND AS 11 Construction Contracts. Para D35 of IND AS 101 First Time Adoption of IND AS states that a first time adopter is not required to restate contracts that were completed before the earliest reporting period. Since Company does not have any kind of continuing contracts, the Company has adopted IND AS 115 using the prospective method.

IND AS 115 prescribes a five step model for revenue recognition;

- 1) Identifying the Contract with the Customer
- 2) Identifying the Performance Obligation
- 3) Determining the Transaction Price
- 4) Allocating the Transaction Price to the Performance Obligation
- 5) Recognising the Revenue proportionately.

The Company earns revenue primarily from sale of household furnitures.

Accordingly revenue from domestic sale of goods is recognised when the performance obligations (i.e. delivery of the goods) are completed to the buyer.

Company follows industry practice of providing a right to return the defective products / parts and replaces the same. As required under the para 55 of IND AS 115, return liability has been recognised on the basis of expected returns which in turn have been computed on the basis of average returns of the Company over the past three years.

Revenue from export sale of goods is recognised when the performance obligations (i.e. loading of the goods on the vessel) are completed in case of Free on Board (FOB) contracts. In cases of Export sales under Cost including Freight contracts (CIF) Company recognises the revenue as per the general industry practise (i.e loading the goods on the vessel date). However Company has ensured that the delivery of all the revenue recognised as at the reporting date have actually reached the desired destination before finalisation of the accounts thereby ensuring the completeness of performance obligation.

Revenue from rendering of services is recognised when the performance of agreed contractual task has been completed.

Revenue from sale of goods is measured at the transaction price mutually decided at the time of execution of the contracts / Purchase Orders with the customers. The rates for the goods or services differ from customer to customer.

Revenue from operations includes sale of goods, services, goods and service tax (GST) and adjusted for discounts (net).

#### **Interest income**

Interest income from a financial asset is recognised using effective interest rate method.

#### **Significant Judgements in applying IND AS 115**

|  |   |
|--|---|
| Timing of satisfaction of performance obligation                         | Since the Company is purely in the business of sale of furniture the timing of satisfaction of the performance obligation is clearly the date on which the intended goods are delivered to the customer |
| Timing of satisfaction of performance obligation (Export)                | In case of FOB sales, the timing of satisfaction of performance obligation would be date of loading of the goods on the vessel.   |
| Timing of satisfaction of performance obligation (Export)                | In case of CIF sales, Company has taken a judgement based on current industry practice to consider these transaction in same line as that of FOB sales.   |
| Transaction price & the amounts allocated to the performance obligations | Individual contracts / purchase orders are executed with each customer categorically specifying the individual unit rate decided after mutual negotiations.   |
| Method of recognising revenue  | Output Method   |
| Reason for selection of Output method                                    | As stipulated in Para B15, since the measurement of performance obligation can be directly evidenced, output method of revenue recognition is adopted.  |

**(j) Government Grants**

Grants received towards depreciable assets has been recognised as income over the period of useful life of the assets through which it is depreciated.

Grants received towards non depreciable assets has been recognised as income over the period in which expenses have been incurred to realise income from those assets.

**(k) Financial instruments**

**i) Financial Assets**

**A. Initial recognition and measurement**

All financial assets and liabilities are initially recognized at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities, which are not at fair value through profit or loss, are adjusted to the fair value on initial recognition. Purchase and sale of financial assets are recognised using trade date accounting.

**B. Subsequent measurement**

**a) Financial assets carried at amortised cost (AC)**

A financial asset is measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

**Impairment of financial assets**

In accordance with Ind AS 109, the Company uses 'Expected Credit Loss' (ECL) model, for evaluating impairment of financial assets other than those measured at fair value through profit and loss (FVTPL).

Expected credit losses are measured through a loss allowance at an amount equal to:

\* The 12-months expected credit losses (expected credit losses that result from those default events on the financial instrument that are possible within 12 months after the reporting date); or

\* Full lifetime expected credit losses (expected credit losses that result from all possible default events over the life of the financial instrument)

For trade receivables Company applies the expected credit loss (ECL) model. The Company recognizes a loss allowance for trade receivables based on the expected credit losses. The loss allowance is measured at the end of each reporting period. The loss allowance is recognized in the statement of profit and loss. The loss allowance is measured at the end of each reporting period. The loss allowance is recognized in the statement of profit and loss. Company own liability N

short maturity of these instruments.

**iii) Derecognition of financial instruments**

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109. A financial liability (or a part of a financial liability) is derecognized from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

**C. CRITICAL ACCOUNTING JUDGMENTS AND KEY SOURCES OF ESTIMATION UNCERTAINTY**

The preparation of the Company's financial statements requires management to make judgement, estimates and assumptions that affect the reported amount of revenue, expenses, assets and liabilities and the accompanying disclosures. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities

**a) Depreciation / amortisation and useful lives of property plant and equipment / intangible assets**

Property, plant and equipment / intangible assets are depreciated / amortised over their estimated useful lives, after taking into account estimated residual value. Management reviews the estimated useful lives and residual values of the assets annually in order to determine the amount of depreciation / amortisation to be recorded during any reporting period. The useful lives and residual values are based on the Company's historical experience with similar assets and take into account anticipated technological changes. The depreciation / amortisation for future periods is revised if there are significant changes from previous estimates.

**b) Recoverability of trade receivable**

Judgements are required in assessing the recoverability of overdue trade receivables and determining whether a provision against those receivables is required. Factors considered include the credit rating of the counterparty, the amount and timing of anticipated future payments and any possible actions that can be taken to mitigate the risk of non-payment.

**c) Provisions**

Provisions and liabilities are recognized in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events and the amount of cash outflow can be reliably estimated. The timing of recognition and quantification of the liability requires the application of judgement to existing facts and circumstances, which can be subject to change. The carrying amounts of provisions and liabilities are reviewed regularly and revised to take account of changing facts and circumstances.

**d) Impairment of non-financial assets**

Due to the nature of business and products of the Company, the moulding process of production, the assets do not have a very high risk of impairment. Further Management has view that Moulds do not get impaired on their own as they host the moulds through which the moulding of plastic and other products happen. Moulds have a useful life in terms capacity of no of items to be produced. However, the Company maintains the

moulds very well as a result; the moulds outlive their useful life.
