SpiceJet Finalises Lease Agreement to Induct Five Boeing 737 Aircraft

Aircraft to join fleet in October 2025 under damp lease arrangement; airline in active talks with additional lessors to further boost capacity

GURUGRAM July 25, 2025: SpiceJet has finalised a lease agreement to induct five Boeing 737 aircraft. These aircraft are scheduled to join the airline's fleet in October 2025, ahead of the commencement of the winter schedule, and will cater to the peak winter season as well as the early summer season of 2026.

The aircraft are being inducted on a damp lease basis, where operational crew will be shared between the operator and SpiceJet.

This fleet addition is part of the airline's broader strategy to bolster capacity ahead of the winter schedule and cater to increased travel demand during the peak and early summer seasons. SpiceJet is also in advanced discussions with other lessors to further enhance its fleet and strengthen both domestic and international operations.

Debojo Maharshi, Chief Business Officer, SpiceJet, said, "We are pleased to finalise this lease agreement for the induction of five Boeing 737 aircraft. This addition will significantly strengthen our fleet and enable us to deliver a superior flying experience to our passengers. We are actively exploring further fleet additions as we prepare for a robust winter schedule."
