Emami Infrastructure Limited is at an inflection point.

Where prominent property launches in the past are soon to be completed, translating into revenues on its books.

And where new projects are about to be launched in the coming months, creating attractive revenue visibility across the future.

Besides, the Company is attractively placed to capitalize on sectoral opportunities.

As a result, Emami Infrastructure's patient foundation-building committment could soon translate into revenues and profits, strengthening business sustainability across the foreseeable future.

Emami Infrastructure Limited

Among the few listed pan-India real estate proxies to come out of Eastern India. And positioned to emerge as one of the fastest-growing realty development companies in India.

Vision

To be the most preferred and respectable property developer in India through innovations in construction, marketing and service standards.

Mission

- To create enhanced customer value through high-quality products and services.
- To develop high-performing people and teams through rewarding opportunities.
- To deliver maximum sustainable shareholder returns.
- To contribute to the economic, environmental and social development of communities.

Background

Emami Infrastructure is a prominent real estate development company headquartered in Kolkata. The Company was incorporated in 2008 to enable Emami Limited to demerge its real estate undertakings comprising Emami Realty Limited and subsidiaries coupled with the real estate undertaking of Zandu Pharmaceuticals Works Limited. In 2016, the wholly owned subsidiaries, Emami Realty Limited and Emami Rainbow Niketan Private Limited were amalgamated with Emami Infrastructure. In July 2017, Emami Infrastructure's Board approved the merger of Zandu Realty Limited with itself, subject to approval from regulatory bodies.

The Company's projects are marked by optimum quality, and geographic diversity.

Pedigree

Emami Infrastructure is a prominent corporate constituent of the prominent Emami Group, promoted by visionaries Shri R. S. Agarwal and Shri R. S. Goenka. The Emami Group comprises extensive business interests across the FMCG, cement, paper, edible oil, health care, retail and education sectors. The Group has been distinguished by its forward-looking entrepreneurship, robust financial strength of constituent companies, enduring brands, relatively de-risked businesses and rich managerial bandwidth.

Presence

Emami Infrastructure has already launched attractive realty projects across Mumbai, Kolkata, Chennai, Coimbatore, Hyderabad and will be soon launching projects in Bhubaneswar, Jhansi and Indore. This makes the Company a faithful proxy of an emerging India. The Company is engaged in the development of 36 million sq. ft comprising residential, commercial and retail offerings. For the purpose of operational control, ownership and transparency, these projects are either being executed directly or through Special Purpose Vehicles.

Listing

Emami Infrastructure's shares are listed on BSE Limited, National Stock Exchange of India Limited and The Calcutta Stock Exchange Limited.

Awards and accolades

- Emami City received "Prashansa Patra – 2015" from National Safety Council of India for developing and implementing effective Management Systems & Procedures and achieving good performance in Occupational Safety & Health during the year 2014

Promoters' overview

“Emami Infrastructure is positioned at the cusp of exciting times that should enhance shareholder value across the foreseeable future.”

Shri RS Agarwal and Shri RS Goenka, Promoters of Emami Infrastructure, explain the Company's direction

At Emami Infrastructure, we stand at an exciting sectoral and corporate inflection opportunity.

We are pleased to state that Emami Infrastructure Ltd. has made its business compliance-ready across the last few years in a number of ways.

The Company corporatised with speed during the decade ending FY17; Emami Infrastructure is one of the most credible realty development faces in Eastern India, among the handful listed purely realty proxy to come out of the region and poised to emerge as one of the fastest growing realty development companies in India across the foreseeable future.

The Company has invested in systems, processes, information technology, compliances and professionals with the objective to build a professional customer-focus company from the outset.

The Company is right-sizing its Balance Sheet through the ongoing Zandu Realty merger that will come into effect following the approval of all regulatory bodies (with retrospective effect from 1 April 2017), enhancing the Company's network to ₹16,343 lakhs (from ₹2,609 lakhs as on 31st March 2017).

The Company launched 6.39 mn sq ft of pan-India realty projects in the five years ending FY17; over the

next three years, we expect to launch 20.67 mn sq ft, creating a foundation of sustainable growth.

Outlook for 2017-18

We are optimistic as an upswing in the sector and our performance should accelerate from 2017-18 onwards.

From a larger perspective, the much-feared meltdown in real estate prices following the demonetization did not transpire in the third and fourth quarters of the year under review, indicating an underlying resilience. Besides, the Indian real estate sector has passed through an extended slowdown marked by sluggish

offtake on the one hand and the inability to pass cost increases on the other, which indicates that the slowdown could well be nearing its end.

Looking ahead, it is evident that the structural shift in real estate offerings from the unorganized to the organized sector will regulate sectoral growth, moderate the existing unsold inventory and facilitate the return of pricing power to the industry.

Emami Infrastructure is poised to capitalize on this sectoral chum. The first phase of the Company's landmark Emami City project is expected to be completed by March 2018, and the

second phase by June 2018, making it possible for the Company to record substantial revenue growth over the next few years.

We intend to also launch five projects with a pipeline of 12.56 mn sq feet during the current financial year, which should translate into revenue visibility over at least next five years or so.

In view of these realities, we hope that our shareholders can look forward to a better and brighter future.

RS Agarwal

RS Goenka

Operational review by the management

Q: How would you describe the year under progress for your company?

A: The year under review was one of consolidation at Emami Infrastructure where the strength of our fundamentals was not reflected in our financials. The year under review may be considered strategically important partly because some of the work in progress will only reflect in the financials starting 2017-18.

For instance, during the year under review, Emami Infrastructure reported three achievements: one, the Company re-structured its Balance Sheet to create sizable net worth that will serve as a robust foundation for our prospective growth. The Company launched Emami Aerocity and Montana while readying for the launch of Emami Nature during FY18. The Company accelerated the construction of its flagship project (Emami City) with the objective of completing handover in FY18. We believe that each of these initiatives will translate into positive financials numbers FY18 onwards.

Q: How would you appraise the prevailing reality for the country's realty sector?

A: A realty sector slowdown currently in progress is manifested in a resistance to premium apartment purchases; the mid-priced and affordable segments, however, continue to appear attractive in select cities and pockets across the country.

At Emami Infrastructure, we responded to this reality: we continued to invest in a mix of growing Tier 1 and Tier 2 Indian locations; within these cities, we invested in locations positioned at the cusp of change arising out of infrastructure growth and extension that would enhance the access and convenience of the locations in which we built properties.

Q: You indicated that the Company has strengthened its Balance Sheet. Can you elaborate?

A: Let us start with the net worth side of the Balance Sheet. The Company engaged in two mergers – the merger of Zandu Realty which is expected to enhance net worth to ₹16,343 lakhs and the merger of Emami Realty (in the shortest tenure of just five months completed in July 2016), which aggregated our Group's realty interests in our listed company, sending a clear signal to investors.

Now let me come to the debt side of the Balance Sheet. The Company mobilized debt of ₹600 cr at a very reasonable interest rate with a three-year tenure. The Company also re-priced some of the existing debts down by almost 2.5%, the complete impact of which should be visible from FY18 onwards. We believe that we now have a Balance Sheet that corresponds to our corporate ambition of emerging as one of the fastest growing realty companies in India.

Q: Where does the Company go from here across the medium-term?

A: Now that the Company's financial foundation has been secured, it is in a position to seek clearances and launch a larger number of projects conveniently and comfortably. Considering the present situation, we expect a much healthy and brighter future.

The strengths and their implications

Key Emami Infra strengths	Implications
Strong brand of Emami	Faster offtake. Five projects launched in the last five years
Respected conglomerate	Access to debt about 300 bps cheaper than the prevailing market average
ERP-enabled	Real-time information availability; automation of back-end processes
Proposed merger	The merger with Zandu Realty is expected to increase the net worth to ₹16,343 lakhs, right-sizing the Balance Sheet

How we conduct business at Emami Infra

The promoters had entered the realty development business at a time when the sector in India was largely unorganized. The Company was created with the vision to inspire stakeholders trust through credible action.

A couple of decades ago, real estate development companies generally delivered projects well beyond their scheduled completion dates and delivered properties with significant deviations from what had been promised. The terms of trade would largely be skewed in the seller's favour.

From inception, Emami Infrastructure, however, conducted its business in a manner that enhanced trust among...

Prospective customers for quality, timely and promised delivery	Lenders for strategic clarity and financial strength
Vendors and collaborators for fair and equitable business terms	Stakeholders for extensive compliances
	Shareholders for business sustainability

The result is that the Company and its promoters enjoy immense respect in the various segments of its presence.

Across the foreseeable future, the Company expects to strengthen its brand, grow volumes, protect margins, increase surpluses, share business upside with stakeholders and redeploy the rest with the objective to create a larger virtuous cycle that enhances value for all those own shares in the Company.

1

Gateway

Emami Infrastructure represents the realty property development vehicle of the large, growing and cash-rich Emami Group. Even as properties may be held in investment vehicles and Group companies, projects will be launched generally through this Company, ensuring an adequate and ongoing projects pipeline.

2

Sustainable growth

Emami Infrastructure has built its business around long-term sustainability. The Company believes it will endure as a business corporation if it leaves adequate value on the table for vendors, customers, employees and shareholders. A long-termism guides the Company's decision-making. The Company has decided to merge Zandu Realty into itself, which will significantly enhance net worth even as it would moderate the promoter's stake. Besides, the Company has launched a number of projects with attractive financial implications which would ensure its sustainable growth.

3

Locations

Emami Infrastructure has so far launched projects in Mumbai, Kolkata, Chennai, Coimbatore and Hyderabad and is expected to launch soon in Bhubaneswar, Jhansi and Indore. This has empowered the Company to capitalise extensively on the emerging India story. Within these cities, the Company

4

has selected large, growing or relatively unknown locations resulting in an attractive arbitrage and value-creation opportunity.

Vendor integrity

Emami Infrastructure has selected to focus on land identification, project design, pricing, marketing and customer service, delegating the specialized function of construction to L&T Construction, the largest and most professional construction giant in India. The Company monitors L&T's deliverables against promised guidelines (safety, health, labour provisions and sanitation), ensuring that quality projects are completed and delivered on schedule.

5

Corporatised

Emami Infrastructure selected to corporatise in what is largely an unorganized sector in India. The business is marked by a long-term approach, high governance and effective management through a process-driven approach. The Company represents a functional balance of promoter-owners and professional managers. This structure is marked by strategic policy-decision making and hands-on business review by the promoters, complemented by day-to-day management by professionals across functions. This makes the Company RERA-ready and prepared for growth.

Our performance ambition

At Emami Infrastructure, our performance ambition is to create one of the most respected realty development companies in India.

Overall goal

To emerge as one of the prominent pan-India real estate companies in India.

Probable goal contributors

- Enhance brand; complete projects well ahead of schedule
- Develop at least 25 mn sq ft of residential and commercial floor space in the next five years
- Deliver 15,000 apartments, villas, row houses and 6.5 lac sq ft of commercial, retail, hospitality and health care space over the next 5-7 years
- Develop at least one Smart City

Our focused initiatives

- Recruit professionals
- Work with specialized vendors
- Invest in brand building
- Engage with partners providing land parcels for onwards development

Our performance measures

- Profitable growth (% growth in profit higher than % growth in revenues)
- Increase in return on average invested capital
- Increase in market capitalization

Amalgamation of Zandu Realty with Emami Infrastructure

The amalgamation of Zandu Realty (associate company of Emami Infrastructure) with Emami Infrastructure was approved on 1st July 2017 with the objective of generating mutual benefit.

Rationale

The challenges of the economy and construction sector warrant efficient management; a dearth of managers is a concern for the real estate industry. Emami Infrastructure has attracted the best sectoral talent and enjoys a presence in Chennai, Kolkata, Mumbai, Jhansi, Bhubaneswar, Hyderabad, Coimbatore and Indore.

The Company operates across all real estate formats

like residential, commercial and retail; within each, the Company is engaged in land identification and acquisition, planning, execution, marketing and project management of tracts owned by others.

Zandu has completed a successful realty development project in Mumbai. The amalgamation will enhance management focus, efficiency, synergy, economies, resource mobilisation and shareholder value. A combined net worth will help attract funds from strategic

investors and/or financial institutions, driving inorganic and organic growth.

The Scheme is also expected to benefit the shareholders of both Emami Infrastructure and Zandu; the amalgamation will lead to the cancellation of 2,86,329 equity shares of Zandu held by Emami Infrastructure, comprising 35.51% of the paid up share capital of Zandu, reducing the combined paid-up capital, thus leading to higher earnings per share.

Management discussion and analysis

Global economic overview

Global economic growth continued to stagnate through 2016 following slow trade, low investments and policy uncertainties in advanced economies. The year was defined by UK's decision to exit the European Union and the election of Donald Trump as US President, both events with long-term global economic implications. Consumers continued to spend cautiously, expenditure increasing just 2.4% in real terms over 2015, well below the corresponding increase in disposable incomes even as the Asia-Pacific saw a marked increase in expenditures. (Source: Euromonitor)

Global growth is estimated to rise from 2.3% in 2016 (estimated by World Bank) to a projected 2.7% in 2017. Growth in emerging and developing economies is expected to revive in 2017 on the back of a removal of obstacles for commodity exporters and sustained demand from commodity importers. The main factors that could possibly weigh on the medium-term growth prospects across many emerging markets and developing economies are weak investments and sub-optimal productivity (Source: World Bank, Euromonitor).

Indian economic overview

India's GDP growth has been sustained in the last few years, the country hailed as a 'bright spot' among emerging economies. India's GDP moderated in 2016-17; the projected GDP growth of 7.6% (as estimated by IMF) was revised to 6.8% following the country's currency demonetization resulting in cash shortage and payments disruption. The demonetization had abated by the close of the financial year under review after having affected economic growth for two quarters.

India's eight core infrastructure-supportive industries such as coal, crude oil, natural gas, refinery products, fertilizers, steel, cement and electricity registered cumulative growth of 4.9% during April-November compared to 2.5% in the year-ago period. (Source: Economic Survey)

Outlook

Interestingly, India's fundamentals are expected to emerge stronger following digitisation, GST implementation, favorable monsoons, stable oil prices, stronger supply chain linkages and renewed consumer confidence. In view of these realities (and the fact

that the Chinese economy continues to remain sluggish), India is likely to retain its position as the fastest growing major economy with a projected GDP growth rebound to 7.2% in FY18. (IMF estimate). The proposed GST implementation should catalyse inter-state trade, enhancing investments, reducing supply chain-related issues, enhancing scale-based economies-of-scale, moderating overheads and adding about 150 bps to GDP growth (Source: IMF, ICRA).

Indian real estate overview

The real estate sector is one of the most globally recognised. In India, real estate is the second largest employer after agriculture and slated to grow 30% over the next decade. The real estate sector comprises four sub-segments (housing, retail, hospitality and commercial). The housing sector contributes 5-6% to the country's GDP. Private equity investments in real estate increased 26% to a nine-year high of nearly ₹40,000 crore in 2016. (Source: IBEF)

Government reforms

The Indian government undertook several initiatives to catalyse the development of the country's real estate sector, some of which are indicated below:

- India's Prime Minister Mr Narendra Modi approved the launch of Housing for All by 2022. Under the Sardar Patel Urban Housing Mission, 30 million houses will be built in India by 2022, mostly for the economically weaker sections and low-income groups, through public-private-partnership (PPP) and interest subsidies
- The Smart City Project, comprising the proposal to build 100 Smart Cities, is a prime opportunity for real estate companies.
- The Ministry of Housing and Urban Poverty Alleviation sanctioned the construction of 84,460 more affordable houses for the urban poor in five states (West Bengal, Jharkhand, Punjab, Kerala and Manipur) under the Pradhan Mantri Awas Yojana (Urban) scheme with a total investment of ₹3,073 crore.
- The Cabinet Committee on Economic Affairs (CCEA) approved measures to revive the construction

sector, putting in place a mechanism to release funds stuck in arbitration awards to revive stalled projects.

- The Securities and Exchange Board of India proposed easier regulations for real estate investment trusts (REITs), such as raising the cap of investment in REIT assets in under-construction projects from 10% to 20%, in order to attract the interest of developers, and also plans to relax the rules for foreign fund managers to relocate to India.
- SEBI allowed Foreign Portfolio Investors to invest in units of Real Estate Investment Trusts (REITs), infrastructure investment trusts (InvITs), category III alternative investment funds (AIFs), and also permitted them to acquire corporate bonds under default.
- The Securities and Exchange Board of India (SEBI) has notified final regulations that will govern real estate investment trusts (REITs) and infrastructure investment trusts (InvITs). This move will enable easier access to funds for cash-strapped developers and create a new investment avenue for institutions and high net worth

individuals, and eventually ordinary investors.

- SEBI issued the consultation paper for public issue of Real Estate Investment Trusts (REITs), which includes provisions such as capping of allocation to qualified institutional buyers (QIBs) at 75%, among others.
- The upper house of the Parliament passed the Real Estate (Regulation and Development) Bill, 2013, which aims to protect consumer interest, ensure efficiency in all property related transactions, improve accountability of real estate developers, increase transparency and attract more investments into the realty sector in India.

Indian real estate sector trends

The principal trends in India's real estate sector comprise the following:

Global capital flows: India is ranked fourth in developing Asia in FDI inflows as per the World Investment report 2016 by the United Nations Conference for trade and development. India's Tier-I cities moved up to the 36th rank in JLL's 2016 bi-annual Global Real Estate Transparency Index, catalyzed by structural reforms and a liberalised foreign direct investment environment, which in turn is expected to attract higher real estate investments.

Evolving business models:

Throughout 2016, the number of new residential project launches was lower than units sold. The introduction of Real Estate Regulation & Development Act (RERA) will enhance sectoral consolidation, resulting in a decline in the number of players, through mergers and acquisitions.

Budgetary support: The Affordable Housing segment in India's real estate sector was provided infrastructure status. This and other incentives will catalyse the building of 10 million homes by 2019 for the homeless and those living in kutchra houses. The tax breather for notional rent income on unsold unoccupied completed projects will strengthen viability. The holding period for immovable assets declined from three years to two years and indexation was shifted from 1.4.1981 to 1.4.2001. The National Housing Bank would refinance individual housing loans of about ₹200 billion in 2017-18, widening the market. Capital gains tax liability was changed for Joint Development Agreement (JDA) related to property development. No cash transaction above ₹0.3 million is permitted.

Consumer purchasing power: The standard of living of the people is directly related to their per capita income. The per capita income in India was estimated to have crossed ₹1 lac in FY2016-17, a 7.5% increase over FY2015-16 (~₹93,000). Consumer expenditures in emerging cities of India are rising by nearly 14% and in the larger cities by about 12% a year.

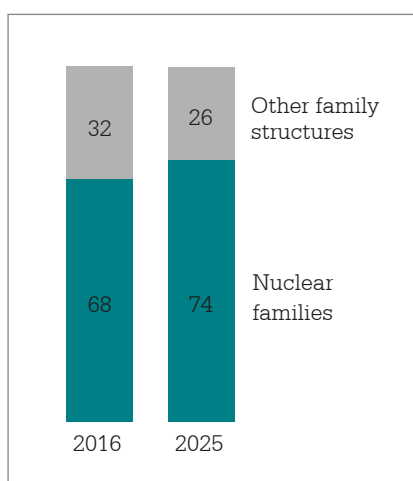

Declining age of ownership: The buyers' profile in the real estate sector has evolved, the average age of a person purchasing a house declining from the early 50s to the mid-30s within the space of a single generation. Younger people in the age groups of 25-44 years prefer affordable houses more than the ones in the 45-55 age group. (Source: Economic Times)

Declining mortgage cost: Mortgage rates have declined 150 basis points in

the last two years bringing them down to 12-year lows, improving affordability. Data from research firm PropEquity shows the weighted average price of unsold apartments across 8 cities fell by 1.67% sequentially over the December quarter to ₹6,185 per sq ft. (Source: Economic Times)

Construction industry: Government has announced a plan of 'Housing for All by 2022' under the PM Awas Yojana with a bold vision of providing affordable housing to all Indian citizens. The primary aim of this Yojana is to ensure that 2 crore houses are built across the country's length and breadth; the plan secured a Budget allocation of ₹23,000 crore in Budget 2017.

Nuclearisation: Extended Indian joint families are shifting towards nuclear households. The proportion of nuclear households which has been on a rise since past two decades has reached 70% and is projected to increase to 74% by 2025. More fragmented households are expected to increase home ownership. (Source: BCG report)

Rising affluence: The two top consumer categories - elite and affluent - taken together are expected to become the largest segment by 2025, accounting for 40% of consumption compared with 27% in 2016. Within this segment, the urban elite and affluent are expected to catalyse most of the growth. By 2025, wealthy urbanites will be responsible for one-third of the total consumption. The share of the next billion and strugglers will shrink from 49% in 2016 to 36% in 2025. It will give a major boost to housing sector with growing aspirations and affordability. (Source: BCG report)

Rapid urbanization: About 40% of India's population could be living in urban areas by 2025, and these city dwellers could account for more than 60% of consumption, catalyzing home ownership (Source: BCG report)

Outlook

The Indian real estate market is expected to touch US\$ 180 billion by 2020 (Source: IBEF). Responding to an increasingly well-informed consumer base and, bearing in mind the aspect of globalisation, organized Indian real estate developers have embarked on the shift from family-owned businesses to professional environments. The growing flow of FDI into Indian real estate is encouraging increased transparency. Developers, in order to attract funding, have revamped their accounting and management systems to address higher diligence standards.

- Knowledge of when to follow the line and when to deviate without increasing risk
- A forward-looking approach to identify where risks might lie
- An honesty of purpose so that alerts are raised as soon as risk is detected or quantified
- Ability to understand and manage risk

Industry risk

Any downturn in the global economic scenario can adversely impact the real estate sector resulting in the Company's inability to market projects.

Mitigation

- The Indian economy is estimated

to grow 7.1% in 2016-17, which is likely to translate into reasonable growth for the country's real estate sector

- The Company is expected to capitalize on the bullishness in each of the zones of its presence – the Company enjoys a visible brand in East India, Mumbai is expected to retain its position as the country's economic capital; South India accounts for substantial part of India's GDP.

Land availability and raw material risk

The Company's inability to procure land and construction material in time can delay project delivery and affect profits.

Mitigation

- The Company engages in joint development agreements with land owners – whereby it develops projects on land owned by others. This benefits the land owners as they receive a higher value from the same property. This model has attracted land owners to collaborate with the Company. This makes it possible for the Company to grow the business

without a corresponding increase in land bank (and corresponding capital deployment). It believes that the partnership model of realty development strategy is resource-efficient, minimizing extended gestation.

- The Company enjoys long-term relationships with prominent material vendors, resulting in timely availability of construction material

Funding and cash flow risk

The Company's inability to procure funds could stagger projects and growth. High-cost borrowings could impact profitability. Weak cash flows could affect viability.

Mitigation

Being part of a respected conglomerate, mobilising debt at a cheaper rate places us in an advantageous position to mitigate this risk.

Project completion risk

The Company's projects may not be completed within the promised schedule, affecting the brand.

Mitigation

The Company has enhanced

Regaining trust: The Company highlighted its ethical consistency, enhancing buyer trust related to quality delivery and project timeliness at a time of sectoral weakness.

Value proposition: The Company focused on the mid-market segment through offerings like Emami City and Emami Tejomaya, marked by world-

class amenities and a healthy natural balance.

Locations: The Company continued to invest in differentiated locations proximate to urban landmarks like airports, prominent residential landmarks, malls and schools.

Digital: The Company widened

and pared costs through digital marketing through diverse social media channels like networks, Facebook, among others).

Communicating consistently: The Company employed a customer-centric approach to address emerging sectoral opportunities.

Prior to the fiscal year gone by, the Company was not using any recognised ERP and the data was compiled manually which was proving to be time-consuming and laborious. The fact that Emami Infrastructure had projects going on all over the country further complicated matters. Therefore, the migration to a dedicated ERP platform was quite imperative and is expected to help the Company focus better on automating back office functions that did not directly affect customers and the public.

The implementation of the ERP software will allow integrated management of core business processes on a real-time basis. It will help in tracking business resources – cash, raw materials, production capacity – and the status of business commitments: orders, purchase orders, and payroll, seamlessly. The ERP system integrates varied organisational systems and facilitates error-free transactions and production, thereby enhancing our efficiency.

Advantages of ERP implementation

The biggest advantage of the ERP implementation was that the Company could start operating like a unique cohesive unit. Previously, CRM data

was stored on spreadsheets where accounting, inventory, invoicing, and purchases and other data were stored separately. The implementation of the real estate-dedicated ERP software, Farvision, brought everything onto a common platform and ensured that there was no duplication of labour. The Farvision team was responsive in assisting in attending to the Company's bespoke module developments. The software does the validation based on the Company's defined business processes and best-in-class practices. It has minimised human intervention and reduced manual error. Farvision ERP software has helped the Company manage inventories better, ensure optimal utilisation of resources and monitor budgets stringently.

The Company carries out thorough external and internal audits on a routine basis. Real estate assets have some unique features which can affect the way real estate transactions are structured, accounted for, and audited. For instance, asset depreciations, operations and estimation of fair value are some of the key areas of interest. The operationalisation of the ERP software has helped the Company

keep a close eye on budgets and manage overheads (travelling, conveyance, welfare and other expenses) better to deliver projects within stipulated time frames.

Looking ahead, 2017-18

In 2017-18, the Company will have completely shelved all manual systems and switched completely to the ERP system. This approach bodes well for the Company especially in a post-RERA, GST environment. In the face of these new directives it would be vital for the Company to manage budget and cost better. From a long-term perspective, this technology will help the Company exert better control especially while scaling projects.

The Company's experience and domain knowledge in Farvision has gathered over the last 2 years will hasten the flow of information within the organisation, through reports and dashboards on the Company's home page will allow the Company and mid-management to view a wealth of information (alerts, reminders, reports, flows, among others). Thus, the information will be always available in real-time which in turn, will help them make better decision-making.

“L&T has introduced a number of cutting-edge technologies in the construction of Emami City”

The Emami City is a wonderful representative of the full range of Larsen & Toubro's construction capabilities be it in complete compliance with operating protocols, versatility of design, integrity of structures, maintenance of site safety or timely completion.

We remain committed to the quality of material we use for we have a reputation is protect of building things that make India proud! Every single day, the concrete cubes we take are evaluated and documented. As on date, there has not been a single incident of questionable quality. Any deviation in the workmanship is either corrected by redoing the entire process or making tolerable changes to adjust it in the process.

We have invested in information technology to periodically monitor project construction progress, facilitate timely resource planning and project completion.

A number of cutting-edge technologies were introduced during the construction of Emami City like the use of tower cranes, passenger & material hoists, mast climbing platforms instead of the traditional scaffoldings to enhance worker safety, vacuum dewatering of floors and a technology to draw excess water from concrete resulting in higher strength in quicker time. Apart from these, we employed 100% aluminium formwork in the tower superstructure replacing the traditional wooden formwork systems.

The result: Emami City completed 20 million accident-free person-hours by the end of FY17, winning the National Safety Council award and Certificate of Appreciation.

Our engagement with Emami Infrastructure has been rewarding and enriching largely due to professionalism of the client, unlike other promoter-driven organisations..

M. V. Satish, Whole Time Director & Sr. Executive Vice President (Buildings, Minerals & Metals), L&T Construction, Construction Partner

“The project was designed around the water body”

The focus of the Emami City masterplan was the retention of the natural water body with the buildings encircling it.

Considerable design effort went into creating an interactive community space around the water body. The built-form was deliberately located on the southern side, creating premium south-facing apartments and providing adequate shade to the open spaces throughout the day.

One of the challenges on the project was the density required due to the height constraint arising from proximity to the airport. Since the ground plane was taken up by the buildings, we recreated the ground plane at the top of the podium. Various community activities and amenities were located on this podium-top garden, which not only elevated the activity to a level above the vehicular zone but also helped us provide adequate covered parking.

Sankat Jayakar, Director, Kapadia Associates Design LLP, Architect

Emami Infrastructure projects are built around the cutting-edge MIVAN technology

MIVAN is one of the revolutionary technologies in real estate construction. It uses aluminum formwork construction system for forming cast-in-place reinforced concrete building structures. It facilitates all walls, floor slabs, columns, beams, stairs, balconies, door and window openings cast in place in a single site-based operation. This leads to building structure that is strong, well-designed, high quality and yet fast, adaptable and cost-effective.

The main element of the MIVAN formwork is the panel – an extruded aluminum rail section, welded to

an aluminum sheet. This results in a lightweight panel with a robust stiffness-to-weight ratio, with minimal deflection under concrete loading. A major advantage is that they can be manufactured in any size and shape to suit the requirements of specific projects (custom made to required specifications). After the assembly, they are subjected to a trial erection in order to eliminate any dimensional or on site problems.

Advantages of MIVAN technology

• **Reduced turnaround time:** Requires almost half the time compared to the conventional technique and helping

achieve a slab-to-slab cycle of seven to ten days.

• **Eliminated labour intensive activities:** The process eliminates labour-intensive activities like masonry and rendering. It also reduces deployment of skilled resources.

• **Robust construction:** Reduction of seepage due to no construction joints and use of free-flow concrete, resulting in negligible maintenance.

• **Uniformity:** MIVAN helps in achieving uniformity in construction as well as smoother finishing of walls and slabs

SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED 31ST MARCH, 2017

[Pursuant to section 204(1) of the Companies Act, 2013 and rule No.9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by EMAMI INFRASTRUCTURE LIMITED (hereinafter called "the Company"). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

The Company's Management is responsible for preparation and maintenance of secretarial and other records and for devising proper systems to ensure compliance with the provisions of applicable laws and Regulations.

Based on our verification of the books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company,

its officers, agents and authorized representatives during the conduct of secretarial audit, we hereby report that in our opinion, the Company has, during the audit period covering the financial year ended on 31st March, 2017 generally complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March, 2017, to the extent applicable, according to the provisions of:

Standalone Financial Statements

Independent Auditor's Report

To the Members of

EMAMI INFRASTRUCTURE LIMITED

Report on the Standalone Financial Statements

We have audited the accompanying standalone financial statements of **EMAMI INFRASTRUCTURE LIMITED** ("the Company") which comprise the Balance Sheet as at 31st March, 2017, the Statement of Profit and Loss, Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements

and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2017, and its Profit and its Cash Flow for the year ended on that date.

Other Matters

The standalone financial statement includes one of its LLP's net loss of ₹ 23.09 Lakhs for the year ended 31st March, 2017 whose financial statements have been audited by other auditor whose reports have been furnished to us by the Management.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A" a statement on the matters

specified in paragraphs 3 and 4 of the Order to the extent applicable.

2. As required by section 143 (3) of the Act, we report that:
- (a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - (b) in our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - (c) the Balance Sheet, the Statement of Profit and Loss and the Cash Flow Statement dealt with by this report are in agreement with the books of account;
 - (d) in our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;
 - (e) on the basis of written representations received from the directors as on 31st March, 2017 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2017 from being appointed as a director in terms of Section 164 (2) of the Act;
 - (f) with respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "**Annexure B**"; and
 - (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in

our opinion and to the best of our information and according to the explanations given to us:

- i. The Company has disclosed the impact of pending litigations on its financial position in its financial statement - Refer Note 44(d) to the financial statements.
- ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
- iii. There is no such sum which needs to be transferred, to the Investor Education and Protection Fund by the Company.
- iv. The Company has provided requisite disclosures in the standalone financial statements as to holdings as well as dealings in Specified Bank Notes during the period from 8th November, 2016 to 30th December, 2016. Based on audit procedures and relying on the management representation we report that the disclosures are in accordance with books of account maintained by the Company and as produced to us by the management. Annexure A to the Independent Auditor's Report

The Annexure referred to in our Independent Auditor's Report to the members of **EMAMI INFRASTRUCTURE LIMITED** ("the Company") on the standalone financial statements for the year ended on 31st March 2017. We report that:

- (i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
- (b) The Company has a regular programme of physical verification of its fixed assets by which fixed assets are verified in a phased manner. In accordance with this programme, certain fixed assets were verified during the year and no material discrepancies were noticed on such verification. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets.
- (c) According to information and explanation given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties are held in the name of the Company.
- (ii) The inventories have been physically verified during the year by the management at regular intervals. In our opinion and according to the information and explanations given to us, no material discrepancies were noticed on physical verification.
- (iii) The Company has granted unsecured loans to companies covered in the Register maintained under section 189 of the Companies Act, 2013 ("the Act"). In respect of such loans:
- (a) In our opinion, the rate of interest and other terms and conditions on which loans have been granted to the company are not, prima facie, prejudicial to the interest of the Company.
- (b) In case of the loans, the borrowers have been regular in the payment of the principal and interest as stipulated.
- (c) There are no overdue amounts in respect of the loan granted to the company.
- (iv) In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of section 185 and 186 of the Act with respect to the loans, investments, guarantees and securities made.
- (v) The Company has not accepted any deposits from the public.
- (vi) As explained to us, the Company is not required to maintain cost records prescribed by the Central Government under sub-section (1) of section 148 of the Act.
- (vii) (a) According to information and explanations given to us and on the basis of our examination of the books of account, and records, the Company has been generally regular in depositing undisputed statutory dues including Provident Fund, Employees State Insurance, Income Tax, Sales tax, Service Tax, Value Added Tax, Cess and any other statutory dues with the appropriate authorities. According to the information and explanations given to us, no undisputed amounts payable in respect of the above were in arrears as at March 31, 2017 for a period of more than six months from the date on which they became payable. During the year, the Company did not have any dues towards duty of excise and duty of custom.
- (b) According to the information and explanations given to us, there are no material dues in respect of Sales Tax, Income Tax, Custom Duty, Service Tax and Cess except the following:

Name of the Statute	Nature of Dues	Amount under dispute not yet deposited (₹ In Lakhs)	Financial Year to which the amount relates	Forum where the dispute is pending
Income Tax Act, 1961	Income Tax	47.29	2009-10	I.T.A.T

- (viii) In our opinion and according to the information and explanations given to us by the management, the Company has not defaulted in the repayment of dues to banks, financial institutions and debenture holders.
- (ix) To the best of our knowledge and belief and according to the information and explanations given to us, term loans availed by the Company were applied by the Company for the purposes for which the loans were obtained. The Company did not raise any moneys by way of initial public offer or further public offer (including debt instruments) during the year.
- (x) According to the information and explanations given to us, no material fraud by the Company or on the Company by its officers or employees has been noticed or reported during the year.
- (xi) According to the information and explanations given

to us, the Company has paid or provided for managerial remunerations in accordance with the requisite approvals mandated by the provisions of section 197 read with Schedule V to the Act;

(xii) In our opinion, the Company is not a Nidhi Company. Therefore, the provisions of clause 3 (xii) of the Order is not applicable to the Company.

(xiii) In our opinion, all transactions with the related parties are in compliance with section 177 and 188 of the Act and the details have been disclosed in the Financial Statements as required by the applicable accounting standards.

(xiv) According to the information and explanations given to us and based on our examination of records, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year.

(xv) According to the information and explanations given to us and based on our examination of records of the Company, the Company has not entered into any non-cash transactions with Directors or persons connected with them. Accordingly, the provisions of clause 3 (xv) of the Order are not applicable.

(xvi) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934.

Annexure B to the Independent Auditor's Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **EMAMI INFRASTRUCTURE LIMITED** ("the Company") to the extent records available with us in conjunction with our audit of the standalone financial statements of the Company as of and for the year ended 31st March, 2017.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and

evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in Guidance Note on Audit of Internal Financial Control over Financial Reporting issued by the ICAI.

Notes to Financial Statements

I. Basis of Preparation

These financial statements are prepared in accordance with Indian Generally Accepted Accounting Principles (GAAP) under the historical cost convention on the accrual basis. GAAP comprises mandatory accounting standards as prescribed under Section 133 of the Companies Act 2013 (the 'Act') read with Rule 7 of the Companies (Accounts) Rules 2014 and the provisions of the Act (to the extent notified). Accounting policies have been consistently applied by the Company.

II. Use of Estimates

The preparation of financial statements, in conformity with the Generally Accepted Accounting Principles, requires estimates and assumptions to be made that affect the reported amounts of assets and liabilities on the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Differences between actual results and estimates are recognized in the period in which the results are known / materialized.

III. Rounding of Amounts

All amounts disclosed in the financial statements and notes have been rounded off to the nearest lakhs as per the requirement of Schedule III, unless otherwise stated.

IV. Property, Plant and Equipment

Fixed Assets are stated at cost less accumulated depreciation. Interest and other financial charges on loans borrowed specifically for acquisition of capital assets are capitalized till the start of its intended use.

V. Intangible Assets

Intangible assets are recognized, only if it is probable that the future economic benefits that are attributable to the assets will flow to the enterprise and the cost of the assets can be measured reliably. The intangible assets are recorded at cost and are carried at cost less accumulated amortization and accumulated impairment losses, if any.

VI. Depreciation and Amortisation

Depreciation are provided on written down value method, at the rate determined with reference to the useful lives specified in the Schedule II of the Companies Act 2013.

Intangible Assets are amortized on straight-line method over a period of five years.

VII. Investments

Long term investments are stated at cost. Current investments are stated at cost or fair value whichever is lower. Diminution in value of long term investments other than temporary in nature is charged to Statement of Profit & Loss.

VIII. Inventories

Inventories are valued at cost or net realisable value whichever is lower except Construction Work-in-Progress which are valued at cost. Construction Work-in-Progress includes cost of land, premium for development rights, construction costs, allocated interest and expenses attributable to the projects undertaken by the Company.

IX. Provisions and Contingent Liabilities

Provisions are recognized when the Company has a legal and constructive obligation as a result of a past event, for which it is probable that a cash outflow will be required and reliable estimate can be made of the amount of the obligation.

Contingent liabilities are disclosed when the Company has a possible obligation or a present obligation and it is probable that a cash outflow will not be required to settle the obligation. Provisions and Contingent Liabilities are revalued at each Balance sheet date.

X. Revenue Recognition

Revenues are recognised in accordance with the guiding principles of Accounting Standard - 9, as prescribed under Section 133 of the Companies Act 2013 (the 'Act') read with Rule 7 of the Companies (Accounts) Rules 2014.

Dividend income is recognised when the right to receive is established by the reporting date.

(contd.)

XI. Borrowing Costs

Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalized as part of the cost of assets. All other borrowing costs are charged to revenue. A qualifying asset is one that takes substantial period of time to get ready for its intended use.

XII. Taxation

Income Tax expense comprises of current tax and deferred taxes. Income Tax Expense is accounted for in accordance with "AS-22 Accounting for Taxes on Income" which includes current tax and deferred taxes.

Deferred income tax reflects the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences for earlier years. Deferred tax assets arising from timing differences are recognised to the extent, there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets will be realised.

- a) Short term employee benefits are recognised as expense at the undiscounted amount in the Statement of Profit and Loss of the year in which the related service is rendered.
- b) Post employment and other long term employee benefits are recognised as expense in the Statement of Profit and Loss for the year in which the employees have rendered services. The expenses are recognised at the present value of amounts payable determined using the actuarial valuation techniques at the end of each financial year. Actuarial gains or losses in respect of post employment and other long term benefits are charged to Statement of Profit & Loss.

XIV. Segment Reporting

Based on the guiding principles given in the Accounting Standard - 17 on "Segment Reporting", issued by the Institute of Chartered Accountants of India, the Company's primary business segment is Real Estate. Hence, the disclosure requirements of AS-17 in this regard is not applicable.

XV. Impairment of Assets

The Company identifies impairable assets at the year end in accordance with the guiding principles of Accounting Standard 28, notified in Section 133 of the Companies Act 2013 (the 'Act') read with Rule 7 of the Companies (Accounts) Rules 2014, for the purpose of arriving at impairment loss thereon being the difference between the book value and recoverable value of relevant assets. Impairment loss, when crystallizes, are charged against revenues for the year.

XVI. Foreign Currency Transactions

Transactions in foreign currency are recorded at the exchange rates prevailing on the date of the transaction. Assets and liabilities related to foreign currency transactions, remaining unsettled at the year end, are translated at the year end exchange rates. Forward exchange contracts, remaining unsettled at the year end, backed by underlying assets or liabilities are also translated at year end exchange rates. Transactions payable in foreign exchange contracts issued

Independent Auditor's Report on Consolidated Financial Statements

To the Members of

EMAMI INFRASTRUCTURE LIMITED

Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of **EMAMI INFRASTRUCTURE LIMITED** ("the Holding Company") and its subsidiaries and associates (collectively referred to as "the Company" or "the Group"), comprising of the consolidated balance sheet as at 31st March, 2017, the consolidated statement of profit and loss, the consolidated cash flow statement for the year then ended, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation of the consolidated financial statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as "the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Companies Act, 2013 (hereinafter referred to as "the Act") read with Rule 7 of the Companies (Accounts) Rules, 2014. The Board of Directors of the Company is responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

Auditors' Responsibility

Our responsibility is to express an opinion on the consolidated financial statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are

required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their report referred to Other Matter paragraph below is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Company, as at 31st March, 2017, and their consolidated profit and their consolidated cash flows for the year ended on that date.

Other Matter

The consolidated financial statements also included the Group's share of net loss of ₹20,375/- for the year ended 31st March, 2017, but the same has not been considered as the book value of investment in associate is NIL, in respect of the associate, whose financial statements has been audited by other auditor whose reports have been furnished to us by the Management

and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of this associate, and our report in terms of sub-section (3) and (11) of Section 143 of the Act, in so far as it relates to the aforesaid associate, is based solely on the reports of other auditor.

The consolidated financial statements include one of its LLP's net loss of ₹23.09 Lakhs for the year ended 31st March, 2017 whose financial statements have been audited by other auditor whose reports have been furnished to us by the Management

Report on Other Legal and Regulatory Requirements

1. As required by sub-section 3 of Section 143 of the Act, we report, to the extent applicable, that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements;
- (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditor.
- (c) The Consolidated balance sheet, the Consolidated statement of profit and loss, and the Consolidated cash flow statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
- (d) In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- (e) On the basis of the written representations received from the directors of the Holding Company as on 31st March 2017 taken on record by the Board of Directors of the Holding Company and the report of the statutory auditors of its associate company, none of the Directors of the Group companies and its associates is disqualified as on 31st March, 2017 from being appointed as a Director of that company in terms of sub-section 2 of Section 164 of the Act.

- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Group and the operating effectiveness of such controls, refer to our separate report in "Annexure A"; and
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The consolidated financial statements disclose the impact of pending litigations on the consolidated Financial position of the Group - Refer to Note 49(d) to the Consolidated Financial Statements;
 - ii. The Group did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
 - iii. There is no such sum which needs to be transferred to the Investor Education and Protection Fund by the Group; and
 - iv. In the consolidated financial statements, holdings as well as dealings in Specified bank Notes during the period from 8th November, 2016 to 30th December 2016, by the Holding Company and its subsidiary companies have been requisitely disclosed, on the basis of information available with the Company. Based on audit procedures and relying on the management representation we report that the disclosures are in accordance with the books of account maintained by the Holding Company and its subsidiary companies and associate companies and as produced to us by the management and report of other auditors. Annexure A to the Auditor's Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated financial statements of the Group as of and for the year ended 31st March 2017, we have audited the internal financial controls over financial reporting of **EMAMI INFRASTRUCTURE LIMITED** ("the Holding Company") its subsidiary companies, and its associate companies as of that date.

Management's Responsibility for Internal Financial Controls

The Respective Board of Directors of the Holding Company its subsidiary companies and its associate companies are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit

evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by other auditors of the associate company in terms of their report referred to in Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and Directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls,

material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company and its subsidiary companies, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Control Over Financial Reporting issued by ICAI.

Other Matters

Our aforesaid report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting in so far as it relates to one associate Company is based on the corresponding report of auditors of such Company.

Notes to Consolidated Financial Statements

I. Principles of Consolidation

The Consolidated Financial Statements relate to **EMAMI INFRASTRUCTURE LIMITED** ("the Company"), its Subsidiary Companies and Associate Companies (referred to as "the group") (Refer Note 1(xix) (a & b)). The Subsidiary and Associate Companies have been consolidated as per Accounting Standards on Accounting for Consolidated Financial Statements (AS 21) and Accounting for Investments in Associates in Consolidated Financial Statements (AS 23) respectively notified in Companies (Accounting Standards) Rules 2013. The Consolidated Financial Statements have been prepared on the following basis:

- a. The Consolidated financial statements have been combined on line-by-line basis by adding together the book values of like items of assets, liabilities, income and expenses, after fully eliminating all significant intra-group transactions / balances and resulting unrealised profits or losses.
- b. Investments in Associate Companies have been accounted as per Accounting Standard (AS) 23 "Accounting for Investments in Associates in Consolidated Financial Statements" notified by the Companies (Accounting Standards) Rules, 2006.
- c. The difference between the cost of investment in the Subsidiaries over its proportionate share in the net assets value at the time of acquisition of stake in subsidiaries is recognised in the financial statements as Goodwill or Capital Reserve as the case may be.
- d. Goodwill arising out of consolidation is not being amortized.
- e. Minority interest in the net assets of consolidated subsidiaries consists of:
 - (a) the amount of equity attributable to minorities at the date on which investment in a subsidiary is made; and
 - (b) the minority share of movements in equity since the date the parent subsidiary relationship came into existence.
- f. The difference between the cost of investment in the Associates and the Company's share of net assets at the time of acquisition of share in the Associates is identified in the financial statements as Goodwill or Capital Reserve as the case may be.
- g. As far as possible the Consolidated Financial Statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances and are presented in the same manner as the Company's Financial Statements.
- h. The Financial Statements of the entities used for the purpose of consolidation are drawn up to the same reporting date as that of the Company.

II. Basis of Preparation

These financial statements are prepared in accordance with Indian Generally Accepted Accounting principles (GAAP) under the historical cost convention on the accrual basis. GAAP comprises mandatory accounting standards as prescribed under Section 133 of the Companies Act, 2013 (the 'Act') read with Rule 7 of the Companies (Accounts) Rules, 2014 and the provisions of the Act (to the extent notified). Accounting policies have been consistently applied except where a new accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

III. Use of Estimates

The preparation of financial statements, in conformity with the generally accepted accounting principles, requires estimates and assumptions to be made that affect the reported amounts of assets and liabilities on the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Differences between actual results and estimates are recognized in the period in which the results are known / materialized.

IV. Rounding of Amounts

All amounts disclosed in the financial statements and notes have been rounded off to the nearest lakhs as per the requirement of Schedule III, unless otherwise stated.

Notes to Consolidated Financial Statements

V. Property, Plant and Equipment

Fixed Assets are stated at cost less accumulated depreciation. Interest and other financial charges on loans borrowed specifically for acquisition of capital assets are capitalized till the start of its intended use.

VI. Intangible Assets

Intangible assets are recognized, only if it is probable that the future economic benefits that are attributable to the assets will flow to the enterprises and the cost of the assets can be measured reliably. The intangible assets are recorded at cost and are carried at cost less accumulated amortization and accumulated impairment losses, if any.

VII. Depreciation and Amortisation

Depreciation are provided on written down value basis, at the rate determined with reference to the useful lives specified in the Schedule II of the Companies Act 2013.

Intangible Assets are amortized on straight-line method over a period of five years.

VIII. Investments

Long term investments are stated at cost. Current investments are stated at cost or fair value whichever is lower. Diminution in value of long term investments other than temporary in nature is charged to Statement of Profit & Loss.

IX. Inventories

Inventories are valued at cost or net realisable value whichever is lower except Construction Work-in-Progress which are valued at cost. Construction Work-in-Progress includes cost of land, premium for development rights, construction costs, allocated interest and expenses incidental to the projects undertaken by the Company.

X. Provisions and Contingent Liabilities

Provisions are recognized when the Company has a legal and constructive obligation as a result of a past event, for which it is probable that a cash outflow will be required and reliable estimate can be made of the amount of the obligation. Contingent liabilities are disclosed when the Company has a possible obligation or a present obligation and it is probable that a cash outflow will not be required to settle the obligation. Provisions and Contingent Liabilities are revalued at each Balance Sheet date.

XI. Revenue Recognition

Revenues are recognised in accordance with the guiding principles of Accounting Standard - 9, as prescribed under Section 133 of the Companies Act, 2013 (the 'Act') read with Rule 7 of the Companies (Accounts) Rules 2014.

Dividend income is recognised when the right to receive is established by the reporting date.

XII. Borrowing Costs

Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalized as part of the cost of assets. All other borrowing costs are charged to revenue. A qualifying asset is one that takes substantial period of time to get ready for its intended use.

- a) Short term employee benefits are recognised as expense at the undiscounted amount in the Statement of Profit and Loss of the year in which the related service is rendered.
- b) Post employment and other long term employee benefits are recognised as expense in the Statement of Profit and Loss for the year in which the employees have rendered services. The expenses are recognised at the present value of amounts payable determined using the actuarial valuation techniques at the end of each financial year. Actuarial gains or losses in respect of post employment and other long term benefits are charged to Statement of Profit & Loss.

XIV. Taxation

Income Tax expense comprises of current tax and deferred taxes. Income Tax Expense is accounted for in accordance with AS-22 "Accounting for Taxes on Income" which includes current tax and deferred taxes. Deferred income tax reflects the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences for earlier years. Deferred tax assets arising from timing differences are recognised to the extent, there

Notes to Consolidated Financial Statements

is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets will be realised.

XV. Foreign Currency Transactions

Transactions in foreign currency are recorded at the exchange rates prevailing on the date of the transaction. Assets and liabilities related to foreign currency transactions, remaining unsettled at the year end, are translated at the year end exchange rates. Forward exchange contracts, remaining unsettled at the year end, backed by underlying assets or liabilities are also translated at year end exchange rates. The premium payable on foreign exchange contracts is amortised over the period of the contract. Exchange gains/losses are recognised in the Statement of Profit and Loss.

XVI. Impairment of Assets

The Company identifies impairable assets at the year end in accordance with the guiding principles of Accounting Standard 28, notified in Section 133 of the Companies Act 2013 (the 'Act') read with Rule 7 of the Companies (Accounts) Rules, 2014, for the purpose of arriving at impairment loss thereon being the difference between the book value and recoverable value of relevant assets. Impairment loss, when crystallizes, are charged against revenues for the year.

XVII. Segment Reporting

Based on the guiding principles given in the Accounting Standard - 17 on "Segment Reporting", issued by the Institute of Chartered Accountants of India, the Company's primary business segment is Real Estate. Hence, the disclosure requirements of AS-17 in this regard is not applicable.

XVIII. Earning per share

Basic earnings per share are calculated by dividing the net profit/loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of equity shares outstanding during the period are adjusted for the effects for all dilutive potential equity shares.

XIX. Cash and Cash Equivalents

Cash and cash equivalents for the purpose of cash flow statement comprise current account bank balance, cash in hand and bank deposit account balance.

NOTICE is hereby given that the 9th Annual General Meeting of the Members of Emami Infrastructure Limited will be held at Emami Tower, 687 Anandapur, E. M. Bypass, Kolkata – 700 107 on Thursday, 21st September 2017, at 11.00 A.M. to transact the following businesses:

ORDINARY BUSINESS:

1. To receive, consider and adopt the Audited Financial Statements (including Consolidated Financial Statements) of the Company for the financial year ended 31st March, 2017 together with the Reports of the Directors and the Auditors thereon.
2. To appoint a Director in place of Mr. Girja Kumar Choudhary (DIN: 00821762), who retires by rotation and being eligible, offers himself for re-appointment.
3. To consider and if thought fit, to pass, with or without modification(s), the following resolution as an Ordinary Resolution:
"RESOLVED THAT pursuant to applicable provisions of the Companies Act, 2013 and Rules made thereunder and pursuant to the resolution passed by the Members at the 6th Annual General Meeting held on 5th September 2014 and on recommendation of Audit Committee and Board of Directors, the appointment of M/s S. K. Agrawal & Co., Chartered Accountants (Firm Registration No. 306033E) as Statutory Auditors of the Company, to hold office from the conclusion of this Annual General Meeting until the conclusion of next Annual General Meeting of the Company, be and is hereby ratified at a remuneration to be decided by the Board of Directors."

SPECIAL BUSINESS:

4. To consider and if thought fit, to pass, with or without modification(s), the following resolution as Special Resolution:
"RESOLVED THAT pursuant to the provisions of Sections 42 and 71 of the Companies Act, 2013 ("the Act"), (including any statutory modification(s) or re-enactment(s) thereof, for the time being in force) read with the Companies (Share Capital and Debentures) Rules, 2014, and the Companies (Prospectus and Allotment of Securities) Rules, 2014 and all other applicable provisions, if any, of the Act and the relevant provisions of the Memorandum and Articles of Association of the Company and subject to directions and / or regulations issued by SEBI or RBI in this regard as may be applicable, the consent of the members be and is hereby accorded to the Board of Directors of the Company (hereinafter referred to as "the Board" which term shall be deemed to include any Committee which the Board may constitute to exercise its powers, including the powers conferred by this Resolution or any Director as may be approved by the Board), to issue/offer/invite for subscription to Secured / Unsecured Redeemable Non-Convertible Debentures ("NCDs") whether listed or unlisted, including but not limited to subordinated Debentures, bond, and/or other debt securities, etc., on private placement basis, in one or more tranches during a period of one year from the date of passing of this resolution, to eligible person(s), provided the outstanding amount of such debentures along with other borrowings at any time during the period shall not exceed the overall borrowing limits of the Company as may be approved by the Members from time to time, on such terms and conditions including the price, coupon, premium/discount, tenor etc., as may be determined by the Board.

RESOLVED FURTHER THAT for the purpose of giving effect to the above, the Board be and is hereby authorised to do all such acts, deeds, matters and things and to execute all such agreements, documents, instruments, applications etc. as may be required, with power to settle all questions, difficulties or doubts that may arise in regard to the aforesaid Resolution as it may in its sole discretion deem fit and to delegate all or any of its powers herein conferred to any of the Directors and/or Officers of the Company."

5. To consider and if thought fit, to pass, with or without modification(s), the following resolution as a Special Resolution:

"RESOLVED THAT pursuant to the provisions of Section 180(1)(c) and other applicable provisions, if any, of the Companies Act, 2013 and in supersession of the resolution passed by the members at the Annual General Meeting held on 29th September 2016 in this regard, the consent of the members be and is hereby accorded to the Board of Directors of the Company (hereinafter referred to as the "Board" which term shall include any committee thereof for the time being exercising the powers conferred on the Board by this Resolution) for borrowing from time to time, any sum or sums of monies in any form from one or more bodies corporate, banks, financial institutions, or from other entity by way of loans, debentures/bonds or any other security(ies) or otherwise and whether secured or unsecured, which together with the monies already borrowed by the Company (apart from temporary loans obtained or to be obtained from the Company's bankers in the ordinary course of business), may exceed the aggregate of the paid-up capital of the Company and its free reserves, that is to say, reserves not set apart for any specific purpose, provided that the total outstanding amount so borrowed shall not, at any time, exceed the limit of ₹5000 Crores.

RESOLVED FURTHER THAT the Board be and is hereby authorized and empowered to arrange or settle the terms and conditions on which all such monies are to be borrowed from time to time as to interest, repayment, security or otherwise howsoever as it may think fit and to do all such acts, deeds and things as they may deem necessary to give effect to the above resolution and/or to execute all such documents, instruments and writings as may be required."

6. To consider and if thought fit, to pass with or without modification(s), the following resolution as a Special Resolution:

EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013

Item No. 4

Pursuant to Section 42 of the Companies Act, 2013, read with Rule 14 of the Companies (Prospectus and Allotment of Securities) Rules, 2014, the Company is required to obtain approval of its members by way of a special resolution, before making any offer or invitation for issue of Non-Convertible Debentures ("NCDs") on a private placement basis. The said approval shall be the basis for the Board to determine the terms and conditions of any issuance of NCDs by the Company for a period of 1 year from the date on which the members have provided the approval by way of the special resolution.

In order to augment resources for general corporate purposes, the Company may offer or invite subscription for NCDs, in one or more tranches on private placement basis, for a period of 1 (one) year from the date of passing the Resolution, on such terms and conditions including the price, coupon, premium / discount, tenor etc., as may be determined by the Board of Directors (or any other person authorized by the Board of Directors), at the prevailing market condition, which along with other borrowings shall not exceed the overall borrowing limits of the Company, as may be approved by the Members from time to time.

Accordingly the Board recommends the Special Resolution in Item no. 4 for your approval.

None of the Directors, KMP or their relatives are in any way concerned or interested, financially or otherwise in this Resolution.

Item No. 5

The members of the Company, by way of special resolution passed at its Annual General Meeting held on 29th September, 2016, had authorized the Board of Directors to borrow from time to time, by way of loans, debentures/bonds or any other security(ies) or otherwise, upto a limit of ₹4000 Crores on such terms and conditions as it may deem fit under section 180(1)(c) of the Companies Act, 2013. Anticipating the need for additional funds that may be required for executing various existing and future projects, the Board of Directors of your Company considers it necessary to increase the borrowing limits upto ₹5000 Crores.

Under the provisions of Section 180(1)(c) of the Act, it is necessary to obtain approval of the members by means of Special Resolution(s) to enable the Board of Directors of the Company to make borrowings, exceeding the aggregate of the paid up capital and free reserves of the Company. Accordingly, the Board recommends the Special Resolution at Item no. 5 for your approval.

None of the Directors or Key Managerial Personnel of the Company and/ or their relatives is concerned or interested, financially or otherwise, in

this resolution.

Item No. 6
