## Press Release

### **Welspun Corp ranks among top 5 steel companies globally and 2<sup>nd</sup> in India in S&P Global's CSA rankings**

~ The Company achieved an overall ESG score of 78, a 7 per cent increase from its previous score of 73.

**Mumbai, January 29, 2026:** Welspun Corp Limited, a flagship company of Welspun World, a conglomerate with Complete Pipe solutions and Building Material business verticals, and one of the largest manufacturers of large diameter line pipes globally, is now ranked 5<sup>th</sup> globally and 2<sup>nd</sup> in India, in the Steel sector in S&P Global Corporate Sustainability Assessment, 2025\*.

The Company achieved an overall ESG score of 78, marking a 7 percent increase from its previous score of 73. Welspun Corp attributes this achievement to its steadfast commitment to environmental sustainability, including its goal to achieve carbon and water neutrality by 2040, along with its continued emphasis on social responsibility, strong governance practices, and transparent disclosures.

*“Consistent improvement in our scores and global rankings reflects the strength of our sustainability strategy and execution. Sustainability is embedded in our core mission to drive a greener, future-ready world, with a clear focus on delivering net positive societal and environmental impact, alongside robust governance.”* says Vipul Mathur, MD & CEO, Welspun Corp Ltd.

The S&P Global CSA is an annual evaluation of companies' sustainability practices. It covers over 10,000 companies from around the world. The CSA focuses on sustainability criteria that are both industry-specific and financially material and has been doing so since 1999.

#### **About Welspun Corp Ltd**

Welspun Corp Ltd (WCL) is the flagship company of Welspun World, one of India's fastest-growing multinationals with a leadership position in line pipes and home solutions segments. Other lines of businesses within Welspun World include pipe solutions, building materials, infrastructure, warehousing, retail, advanced textiles, and flooring solutions.

WCL is one of the largest manufacturers of large diameter pipes globally and has established a global footprint across six continents and fifty countries by delivering key customized solutions for both onshore and offshore applications. The company also manufactures Ductile Iron (DI) Pipes, TMT (Thermo-Mechanically Treated) Rebars, BIS-certified Steel Billets, Stainless Steel Bars and Pipes & Tubes. The company has state-of-the-art manufacturing facilities in Anjar (Gujarat), Bhopal (Madhya Pradesh), Mandya (Karnataka) and Jhagadia (Gujarat) in India. Overseas, WCL has a manufacturing presence in Little Rock, Arkansas, USA, and in Dammam, Kingdom of Saudi Arabia.

WCL's expansion entails creating a diversified product portfolio and repurposing its business to add new target segments, organically and inorganically. The company acquired Sintex-BAPL, a market leader in water tanks and other plastic products, to expand its building materials portfolio, with a brand-new foray in the OPVC pipes segment.
