# MP presses again for PoC status to airport

Capt. Brijesh Chowta says the Mangaluru International airport has clearly demonstrated its rising strategic and commercial importance

The Hindu Bureau  
MANGALURU

Capt. Brijesh Chowta, MP for Dakshina Kannada, said in the Lok Sabha on Wednesday that Mangaluru International Airport is the principal aviation gateway for coastal Karnataka and adjoining regions of Kerala, raising the need for an urgent grant of Point of Call (PoC) status to it.

He said that the airport registered over 15% annual growth in 2024-25 by handling approximately 23.4 lakh passengers, including 7.15 lakh international passengers, with over 16,800 aircraft movements. "This clearly demonstrated its rising strategic and commercial importance," he said.

He said that the Tulu Nadu region has a large overseas workforce, particularly in West Asia, that relies heavily on Mangaluru for international travel. However, the absence of PoC status prevents foreign carriers from operating direct international services, forcing passengers to transit through Bengaluru or Kochi, resulting in higher costs, longer travel times, and avoidable inconvenience for the diaspora.

Capt. Brijesh Chowta

Capt. Chowta urged the Minister of Civil Aviation to consider the strong passenger demand, economic potential, and regional significance of Mangaluru and to accord Point of Call status to MIA at the earliest.

It may be mentioned here that Capt. Chowta met Ravi Naidu, Minister for Civil Aviation, in Delhi in December 2024 and requested him to grant PoC to MIA. Later, U.T. Khader, Speaker of the Legislative Assembly, too sought PoC status to MIA by writing to Mr. Naidu on June 27. However, in a written reply to an unstarred question by Capt. Chowta in the Lok Sabha on February 6, Murli Mohan, Union Minister of State for Civil Aviation, said, "...At present, the Government of India promotes more international operations by Indian carriers from non-metro points (airports) either directly or through their own domestic operations. Accordingly, new non-metro points, including Mangaluru, are not being granted as PoC in the Air Services Agreement (ASA) to any foreign country".

**Two arrested; ₹37,000 worth of MDMA seized**

The Hindu Bureau  
MANGALURU

The Urwa police have arrested two persons and seized MDMA worth ₹37,500 from the accused.

According to the police, the accused have been identified as Syed Kalimulla, 31, of Shivamogga, and Ashraf Ali, 26, of Manjeshwar in Kasaragod district of Kerala.

The police said the accused had procured MDMA from an individual identified as Kudroli Pathad, and they were distributing it in small packets. Apart from 18.45 gm of MDMA, the police seized two mobile phones and a digital weighing machine from the accused. Efforts are under way to find others associated with the accused, the police said.

# Poojary urges Centre to take up doubling of Konkan Railway line

The Hindu Bureau  
MANGALURU

Kota Srinivas Poojary, MP for Udupi Chikmagaluru, on Wednesday urged the Union government to take up doubling of the Konkan Railway track between Mangaluru and Mumbai if there is a delay in the merger of Konkan Railway Corporation Ltd. (KRCL) with the Indian Railways.

Raising the matter under Rule 377 in the Lok Sabha, Mr. Poojary said that KRCL is facing dearth of funds to take up the track doubling project. On the other hand, its merger is getting delayed.

The Kerala and Goa governments, shareholders in KRCL, have agreed for the merger. "I have information that Karnataka and Maharashtra governments, other shareholders, too have given their consent for the merger. Yet, the merger is getting delayed coming in the way of developing Konkan railway route," the MP said.

"Hence if there is delay in the merger, in the interest of commuters, the Union government should take up the doubling project on its own," Mr. Poojary said adding that more number of trains cannot be introduced on the Konkan Railway sector due to the single track.

Minister for Railways Ashwini Vaishnaw says the KRCL has taken up the work of preparing a DPR for the doubling of identified sections to increase the capacity of the Konkan route. SPECIAL ARRANGEMENT

Meanwhile, replying to an unstarred question by Mr. Poojary, Minister for Railways Ashwini Vaishnaw told the Lok Sabha on Wednesday that the KRCL has taken up the work of preparing detailed project report (DPR) for the doubling of identified sections (approx 263 km) to increase the capacity of the Konkan route.

Of the 739-km Konkan Railway route, doubling of the Roha-Veer and Madgaon-Majorda sections (a total of about 55 km stretch) has already been completed. To increase the capacity of the remaining 685 km route, doubling is required. This requires substantial investment with the contribution from all the shareholding State governments, Mr. Vaishnaw said.

"Sanction of any railway project depends upon many parameters/factors. They are anticipated traffic projections and remunerative viability of the proposed route; first and last mile connectivity provided by the project; connection of missing links and providing additional route; augmentation of congested/saturated lines; demands raised by State governments/ Central Ministries/ Public representatives; railway's operational requirements; socio-economic considerations and overall availability of funds," the Minister said.

The KRCL was established in 1990 with five shareholders, namely Ministry of Railways (66.35 %) Government of Maharashtra (15.11 %), Governments of Goa and Kerala (4.12 % each) and Government of Karnataka (10.30 %). The Konkan Railway line extends from Roha in Maharashtra to Thokur in Karnataka, which passes through the difficult terrain of Western Ghats.

# Kharge urges PM to approve multi-village drinking water project

The Hindu Bureau  
KALABURAGI

Leader of the Opposition in the Rajya Sabha and AIIC president Mallikarjun Kharge has urged Prime Minister Narendra Modi to grant early approval and 50% central funding under the Jal Jeevan Mission (JJM) for a 72,200-crore multi-village drinking water supply scheme proposed for all rural habitations in Kalaburagi and Bidar districts.

In a letter dated December 9, Mr. Kharge said that the Karnataka Cabinet had already approved the comprehensive project, which was to be implemented on a DBOT (Design, Build, Operate and Transfer) basis. The proposal covers 11 talukas of Kalaburagi district comprising 859 villages and 1,259 rural habitations with a population of 25.74 lakh and eight talukas of Bidar district, covering 597 villages and 900 habitations with a population of 17.61 lakh.

Mr. Kharge pointed out that the two districts, located in the northern region of the State with predominantly SC (28.60%) and ST (7.90%) populations, continue to face severe water-quality problems and rapidly fluctuating groundwater levels. To address

these challenges, the project proposes to draw sustainable and perennial drinking water from the Narayanamala Reservoir across the Krishna River.

The State government, he said, has initiated preparation of a Project Specific Report (PSR) with the expectation that the Centre will provide 50% of the capital cost under the Jal Jeevan Mission. The Cabinet has also approved the utilisation of funds from the Kalyana Karnataka Region Development Board (KKRDB) to meet the remaining 50% State share, including five years of Operation & Maintenance requirements. "This project will go a long way in providing a sustainable drinking-water solution to all rural habitations in these two districts," Mr. Kharge wrote, seeking the Prime Minister's "personal intervention" for early central approval and matching contribution.

## Farmer collapses at protest site

The Hindu Bureau  
BELAGAVI

ha in Belagavi on Wednesday.

According to the police, the farmer was low on energy and collapsed from exhaustion at the protest site. He recovered after first aid, the police said.
