## Press Release

### GHCL announces Q3 FY26 Results

#### Reports 5% QoQ revenue growth; PAT sees marginal 0.8% QoQ decline

**New Delhi, 29<sup>th</sup> January 2026:** GHCL Limited, India's leading Chemical Company, today announced its financial results for Q3 FY26.

**Commenting on the financial performance, Mr. R S Jalan, Managing Director, GHCL Limited said,** "Our performance in Q3 FY26 remains consistent with the previous quarter, reflecting a stabilizing yet challenging operational landscape. The domestic soda ash market continues to navigate significant headwinds, primarily driven by a persistent influx of cheap imports and aggressive global pricing strategies. Despite the continued flow of soda ash exports into the Indian market, GHCL has maintained its industry-leading margins.

A significant highlight of this quarter was the successful conclusion of our ₹300 crore **share buyback programme**. Our **diversification projects** are reaching a critical milestone. While heavy monsoon in Gujarat caused minor delays, our Bromine and Vacuum Salt projects are now in the final stages of execution and are on track for commissioning by the end of Q4 FY26. Looking ahead, our long-term outlook remains firmly positive."
