Dear Sir/Madam,

This is with reference to clarification asked by your good office on dated January 28, 2026 regarding the significant price movement of the share of the Company in the recent time.

We wish to inform you that, there is no additional information and/or announcements (including impending announcements), in terms of Regulation 30 of SEBI (Listing Observations and Disclosure Requirements) Regulations, 2015, which in our opinion may have impact on the price movement of the Company's Shares traded on the Stock Exchange.

Further to note that the Company's management is in no way connected to the price movement of the Company's Shares. Therefore, whatever the movement happened to the Company's Shares are purely depending on the prevailing market conditions and without doubt due to market driven.

More we are pleased to inform that the Company has been regularly disseminating price sensitive information from time to time in terms of Regulation 30 of SEBI (Listing Observations and Disclosure Requirements) Regulations, 2015, and will continue to do so in future as well. We believe in complete compliance with corporate governance and therefore we comply with all the requirements of SEBI Regulations in due course.

You are requested to take the same on your record.

Thanking You,

Yours faithfully,

FOR, MERCURY EV-TECH LIMITED
