Independent Auditor's Review Report on the Quarterly and Year to Date Unaudited Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

**Review Report to
The Board of Directors
Colgate - Palmolive (India) Limited**

1. We have reviewed the accompanying statement of unaudited financial results of Colgate -Palmolive (India) Limited (the "Company") for the quarter ended December 31, 2025 and year to date from April 01, 2025 to December 31, 2025 (the "Statement") attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").
2. The Company's Management is responsible for the preparation of the Statement in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, (Ind AS 34) "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. The Statement has been approved by the Company's Board of Directors. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. Based on our review conducted as above , nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standards ('Ind AS') specified under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

Mumbai, 29 January 2026: Colgate-Palmolive (India) Limited announced its financial results for the third quarter ended December 2025.

Results: Colgate-Palmolive (India) Limited reported net sales of Rs. 1,473 Crore for the Quarter ended December 30, 2025, as compared to Rs. 1,452 Crore for the same period last year reflecting a growth of 1.4% year-on-year. Net profit after tax for the quarter stood at Rs. 324 Crore. Excluding exceptional items on account of Labour code change, Net Profit after tax grew by 2.3% year-on-year.

Ms. Prabha Narasimhan, Managing Director & CEO of Colgate-Palmolive (India) Limited, said,

“In the third quarter, our business saw a return to growth, driven by early positive signs in our core portfolio and sustained strong performance in the premium segment. Both urban and rural trade channels experienced improved momentum throughout the quarter, indicating a recovery following the disruption caused by the implementation of revised GST rates. We also accelerated brand investments to further advance our strategy of premiumisation within the Oral care category. We expect our growth momentum to accelerate going forward, driven by an improving demand environment and our intense focus on on-the-ground and superior execution.

On the margin front, we maintained a robust gross margin profile for the quarter driven by strict financial discipline through our funding the growth program. Q3 FY26 Margin was at 69.7%, ahead of the trailing quarter by +50 bps. The net profit growth was after the impact of regulatory changes, including the introduction of the new labour code and Inverted Duty structure related charge due to GST changes.

As we continued on our innovation journey, we successfully launched the Colgate Visible White Purple Serum in Q3. This launch is a significant milestone in our ongoing "Oral Beauty" journey. This innovative, first-of-its-kind whitening booster is designed to enhance daily oral care routines. Leveraging advanced color-correction technology to neutralize yellow tones, the

serum provides consumers with an instant, on-demand brightening effect. Furthermore, we've recently made our premium teeth whitening range more accessible by introducing a 60g access pack of our Visible White Purple toothpaste.”
