Dear Sir,

Sub: Increase in cement grinding capacity

At our Kalavatala Plant, Kolimigundla Mandal, Nandyal District, Andhra Pradesh, we have carried out de-bottlenecking of cement grinding capacity by optimisation of cement mill, resulting in increase of capacity from 2 MTPA to 2.4 MTPA.

We have received consent to operate from the competent authority for the above increase in capacity.

Resultantly, the Company's total cement grinding capacity has increased by 0.4 MTPA, from 24.04 MTPA to 24.44 MTPA.

Kindly take the same on record.

Thanking you,

Yours faithfully,
