HCL Technologies Receives Cisco 2018 Award for Excellence in Software and Cloud

Noida, India 29th November 2018 – HCL Technologies (HCL), a leading global technology company, today announced it was the recipient of the Cisco 2018 Excellence in Software and Cloud award. Cisco unveiled the award winners at its 27th Annual Supplier Appreciation Event at the Santa Clara Convention Center in California.

This award recognizes HCL Technologies for delivering outstanding collaborative performance in all areas and supporting Cisco's strategy for business model evolution.

"Our Supplier Appreciation Awards give us an opportunity to recognize the exceptional technology, execution and success by the very best of our extended supply chain," said **Jeff Purnell, vice president, Global Supplier Management, Cisco**. "The theme for this year's event, 'Digital Disruption' highlights our

of our brand development efforts, liability for damages on our service contracts, the success of the companies/entities in which we have made strategic investments, withdrawal of governmental fiscal incentives, political instability, legal restrictions on raising capital or acquiring companies outside India, and unauthorized use of our intellectual property, other risks, uncertainties and general economic conditions affecting our industry. There can be no assurance that the forward-looking statements made herein will prove to be accurate, and issuance of such forward-looking statements should not be regarded as a representation by the Company, or any other person, that the objective and plans of the Company will be achieved.
