WABAG secures Letter of Award for a ‘Large’ Order from SWA, towards a technologically advanced 50 MLD BWRO Plant at Aljouf, Kingdom of Saudi Arabia

Chennai, December 29, 2025: VA TECH WABAG (‘WABAG’), a leading pure-play Water Technology Indian Multinational Group, secured a Letter of Award for a ‘Large’ repeat order from Saudi Water Authority (‘SWA’), towards Engineering, Procurement and Construction (‘EPC’) of the Advanced Technology Brackish Water Reverse Osmosis (‘BWRO’) Plant with a capacity of 50 Million Litre per Day (‘MLD’), at Aljouf in the Kingdom of Saudi Arabia.

WABAG will Design, Supply, Construct, and Commission this 50 MLD BWRO plant over fourteen (14) months with state-of-the-art technology, where the facility will treat raw water supplied from bore well fields which contains rare elements, requiring a robust pre-treatment using Ceramic Membrane technology followed by Micron Cartridge Filtration and Reverse Osmosis, to ensure long-term reliability and sustainable water supply for the region. We have received the Letter of Award and contracting formalities will commence now. Post signing the contract, the effective date for commencement of execution will be announced.

Commenting on this development, Mr. Phani Sathish Kadiyala, Country Manager & Branch GM – KSA said, “We are honoured to receive this repeat order from our esteemed customer, SWA, and sincerely thank them for their continued confidence in WABAG. This award reflects the Kingdom’s proactive adoption of next-generation water treatment technologies and further reinforces WABAG’s leadership in advanced technology solutions such as BWRO, SWRO, and recycle-and-reuse systems. We remain fully committed to delivering this state-of-the-art facility to the highest standards of quality, reliability, and performance, aligned with the Kingdom’s Vision and its focus on sustainable, technology-driven water infrastructure.”

Order Classification	Small	Medium	Large	Major	Mega
Domestic (in INR Crores)	Upto 100	100 to 250	250 to 600	600 to 1,000	Above 1,000
International (In USD Millions)	Upto 10	10 to 30	30 to 75	75 to 150	Above 150

About WABAG: With over a century of expertise, WABAG stands as a global leader in water technology, delivering innovative and sustainable solutions for both municipal and industrial needs. As a pure-play Indian Water Technology Multinational, WABAG provides end-to-end water solutions tailored to diverse requirements across the world. Powered by more than 1,600 water professionals operating in 25+ countries, WABAG positively impacts millions of lives every day. Over the past three decades, the company has designed and built 1,500+ water and wastewater treatment plants globally, earning its reputation as a trusted lifecycle partner. WABAG manages every phase of the water value chain — from design, engineering, supply, and construction to installation, commissioning, and long-term operations across multiple business models. Driven by a strong culture of innovation, WABAG operates cutting-edge R&D centres in Europe and India and holds 125+ intellectual property rights. Its vision aligns with the United Nations Sustainable Development Goals and core ESG principles, with an emphasis on conservation, resource optimisation, recycling, and reuse. As one of the world's foremost partners in water sustainability, WABAG continues to transform global water challenges into opportunities for a more resilient and sustainable future.

Annexure-I

a)	Name of the entity awarding the order(s)/ contract(s)	Saudi Water Authority, KSA
b)	Significant terms and conditions of order(s)/ contract(s) awarded in brief	Engineering, Procurement and Construction (EPC) of the state-of-the-art BWRO Treatment Plant (BWRO) with a capacity of 50 Million Liter per Day ('MLD')
c)	Whether order(s) / contract(s) have been awarded by domestic/ international entity	International Entity
d)	Nature of order(s) / contract(s)	Design, Engineering, Supply, Construction, Installation and Commissioning of the plant.
e)	Whether domestic or international	International Project
f)	Time period by which the order(s)/ contract(s) is to be executed	The project will be executed over fourteen (14) months.
g)	Broad consideration or size of the order(s)/ contract(s)	Large Order*
h)	Whether the promoter/ promoter group / group companies have any interest in the entity that awarded the order(s)/ contract(s)? If yes, nature of interest and details thereof	No
i)	Whether the order(s)/ contract(s) would fall within related party transactions? If yes, whether the same is done at arm's length	No

**Note: A 'Large' order shall mean an order value in the range of USD 30 Million to 75 Million.*
