# L&T Wins (Significant\*) Order for its Transportation Infrastructure Business

**Mumbai, December 29, 2025:** The Transportation Infrastructure business vertical of L&T has won a significant order for Hyderabad Greenfield Radial Road.

This order pertains to Phase-2 of the Greenfield Radial Road, wherein a 22.3 km 3+3 lane access-controlled radial road is being constructed in the Ranga Reddy district.

L&T's scope involves construction of a 3.6 km long viaduct, minor bridges, underpasses and culverts. Construction of service roads on both sides, extensive retention structures, storm water drainage system, footpaths, cycle track and landscaping works is also in L&T's scope.

This is the first of several planned radial roads linking Hyderabad's outer ring road to the upcoming regional ring road. It will improve regional connectivity and support growth, providing better access to IT hubs, Electronic City, the Young India Skills University and the Bharat Future City.

### Background:

Larsen & Toubro is a USD 30 billion Indian multinational engaged in EPC Projects, Hi-Tech Manufacturing, and Services, operating across multiple geographies. A strong, customer-focussed approach and the constant quest for top-class quality have enabled L&T to attain and sustain leadership in its major lines of business for eight decades.
